TOYOTA GAZOO Racing

Pushing the limits for Better

Awesome JOURNEY FROM THE STARTING GRID TO THE PRODUCTION LINE.

For over 60 years, Toyota has raced in all manner of motorsports throughout the world. The world was first introduced to Toyota Gazoo Racing (TGR) in 2007 when a modest racing team completed the 24 Hours Nürburgring in two used Altezzas, paving the way for further success.

Since then, Toyota Gazoo Racing has conquered every imaginable terrain and track, refining everything they've learnt in the most extreme conditions to make ever-better cars. This inspiring determination and passion embody Toyota's commitment to push every limit to forge new technology and solutions.

Toyota Gazoo Racing's ambition is to bring the exhilaration, joy of driving and sport performance safely into your hands. So whatever your ambitions are, you can race them.

Awesome RACING TOUCHES ADDED TO THE INTERIOR.

The Fortuner GR-S is fitted with exclusive seats that are crafted with a combination of suede, genuine leather. They also come padded with a cushion bolster support to ensure a comfortable drive that takes you to the top of your game.

The monogrammed start button and the embroidered front headrests make every inch of the Fortuner GR-S feel sportier. The leather steering wheel exclusively used on the Fortuner GR-S delivers unmatched control to help you race through your day.
