ultra modular

The Renault TRIBER's space is smartly optimised with four exciting modes and 100+ seating combinations to give you all the space you need for your tribe and new experiences.

life mode 5-seat configuration

This default mode gives lots of space for 5 people and a best-in-class 625L boot space. So that you can carry all your luggage, a barbecue set or camping gear effortlessly.

tribe mode 7-seat configuration

Click in two additional Easyfix Seats and you're all set to carry the entire tribe in style.

surf mode 4-seat configuration

Additional space to accommodate more things or things that take up more length, like a musical instrument or an extra haversack.

camp mode 2-seat configuration

Maximum boot space to huddle up, play board games or even relax inside the car.

new energy engine

The Renault TRIBER offers a perfect balance of performance and fuel economy. Its peppy **1.0-litre 3-cylinder petrol energy engine** generates **72 PS with 96 Nm torque**. Further equipped with modern technology like the **dual VVT** system that delivers maximum response at all revs, it ensures optimum acceleration. This along with good fuel efficiency and low maintenance cost, makes the engine ideal for India.

The new Renault TRIBER also comes with a **5-Speed EASY-R AMT** that delivers an effortless and comfortable drive. It is equipped with the Traffic Assist function, which allows effortless driving in city traffic conditions. Furthermore, the driver has the option of changing to manual mode to suit his driving requirement. The TRIBER's AMT gives you complete peace of mind with a low cost of maintenance and superior fuel efficiency.
