

The all-new Mercedes-Maybach GLS 600 4MATIC.

MAYBACH

Desire for Sophisticated Luxury.

The GLS luxury-class SUV and the Mercedes-Maybach brand are entering into one of the most fascinating relationships travelers could wish for. The Mercedes-Maybach GLS upholds the ultimate luxury design philosophy, follows courtesy, grace and harmony. The latest technologies, an extravagantly generous amount of space and in it the entire world of contemporary luxury.

In the face of our finest SUV.

The exterior of the new Mercedes-Maybach GLS is characterized by distinctive elements such as the imposing Maybach specific grille with the upright Mercedes-Benz Star, the large panoramic sunroof and the Maybach exclusive and enormous up to 23-inch (58.4 cm) alloy wheels. The Mercedes-Maybach GLS immediately reveals its true greatness and grandeur.

Follow the icon.

A host of chrome elements and the “Maybach” lettering make the rear of the new Mercedes-Maybach GLS very special. The specially designed tailpipe trims form a detailed radiating power and presence.

Feel nothing, hear nothing. Just enjoy.

Both the suspension tuning and the drive comfort were specifically perfected for the new Mercedes-Maybach GLS. This effortless superiority and tranquility are hard to believe; you have to experience it for yourself.

The image shows the rear passenger area of a Mercedes-Maybach GLS. Two large, light-colored leather seats with vertical stitching and horizontal ribbing are visible. A central console with a tablet and a cup holder is positioned between the seats. The interior features ambient lighting and large windows offering a view of the ocean. The text "A luxury yacht, an executive office, an oasis of wellbeing." is overlaid on the lower left portion of the image.

A luxury yacht, an executive office, an oasis of wellbeing.

The interior of the new Mercedes-Maybach GLS can be whatever you want it to be. From the options ranging from 3D audiophile high-end entertainment through to the First Class seat and reclining comfort to a refrigerated compartment with silver-plated champagne flutes, no dream is left unfulfilled.

Maybach and MBUX. Sounds like an exceptional combination.

Experience the fascinating Mercedes-Benz User Experience (MBUX), enveloped here in the luxury of a Mercedes-Maybach. From an exclusive welcome message on the displays through special display styles to the optional high-end Rear Seat Entertainment System.

Something special. On every trip, from any angle. With the Fit & Healthy features.

Not just a means of arrival at your destination, the new Mercedes-Maybach GLS is a thoughtful companion through your journey. The Fit & Healthy features understand, motivate and guide to keep you in the prime of your health while driving. Get ready to elevate your driving experience with a car that cares.

MULTIBEAM LED headlamps

For your perfect vision: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. When the road is clear, the ULTRA RANGE Highbeam increases the range to 650 metres. The cornering light and active light functions also illuminate the field of vision to optimum effect.

Adaptive LED Tail lights

The adaptive full-LED tail lights shine with their brilliant design and intelligent technology as they continuously adjust the light intensity precisely to lighting conditions of the surroundings.

MAYBACH Chrome package

The design of the Mercedes-Maybach GLS embodies the ultimate in luxury. Hallmark Maybach elegance meets the characteristic dominance of an SUV. The generous dimensions of the exterior befits its image – prestigious and sublime at the same time. The unique Maybach look is unmistakable at first glance thanks to the radiator grille with vertical bars along with an upright star on the bonnet, numerous chrome trim parts plus Maybach lettering and Maybach emblems.

- Radiator grille with vertical bars in high-gloss chrome and Maybach lettering in the centre of the upper edge
- Front apron with applications and air inlet grilles in chrome: upper part of bumper painted in the vehicle colour plus lower part of bumper in high-gloss black with integral underride guard in chrome
- Side skirts in high-gloss paint with chrome inserts
- Chrome trim elements in the B-pillar
- Maybach-specific tailpipe trim, in a high-gloss chrome finish with horizontal trim inserts

Retractable MAYBACH Running Board

Elegant running boards extend to greet your step with pinstripe-design louvres and the Maybach insignia. These automatically swing out for passengers to enter and leave the vehicle.

Mirror Package with MAYBACH logo projection

The Mirror Package makes everyday driving easier with the electrically folding outside mirrors. Getting in and out of the vehicle in the dark is more convenient with the Maybach's illuminated LED lighting. An attractive, eye-catching feature is the projection of the Maybach logo next to both front side doors.

55.9 cm (22-inch) Maybach multi-spoke light-alloy wheels

55.9 cm (22-inch) Maybach multi-spoke light-alloy wheels, painted in high-gloss black with a high-sheen finish, including fully integrated wheel bolt covers.

Executive Seats

An automotive benchmark for peace and quiet, relaxing comfort and complete relaxation on long journeys. The continuous, comfortable reclining surface of the Executive Seats together with the electrically extending leg rest provides you with a pleasant relaxing position. Control the seat backrest at the press of a button and enjoy an almost flat angle of up to 43.5 degrees. With the luxury head restraints, your rear seat passengers enjoy first-class seating comfort on every trip. The strain is taken off the head and neck and they are supported thanks to the individually adjustable side bolsters. The high-quality nappa leather upholstery helps to ensure a tangible sense of comfort and visible exclusivity.

- Luxury head restraints
- Electrically extendable leg rest
- Cushion bag
- PRE-SAFE® positioning function

The second seat row becomes first class. The travelers in the rear enjoy particularly comfortable journey thanks to comfort extras and various stowage facilities within.

Widened luxury:

- ✓ Removable MBUX rear tablet with 7-inch screen and camera function, docking station in high-gloss black for storage and charging, compatible with all apps from the Google Play Store
- ✓ Integral illuminated stowage compartment
- ✓ 2 USB C-type ports
- ✓ Wireless charging for mobile phones
- ✓ Temperature controlled cup holders
- ✓ Luxury head restraints for the two outer rear seats

Dashboard and door beltline trim in Nappa leather

The dashboard and the beltlines in high-quality Nappa leather lend the interior of your Mercedes-Maybach an additional touch of exclusivity. Other special highlights additionally include the decorative topstitching.

- ✓ Top of dashboard in Nappa leather
- ✓ Door beltlines in Nappa leather
- ✓ Door centre panels in Nappa leather

Exclusive trim package

The Trim package lends your interior an individual look. Additional trim elements on the back of the front seat backrests blend seamlessly into the interior, creating some exciting contrasts. All seat passengers in particular can enjoy an enhanced sense of high-class appeal.

- Exclusive wood trim elements with Maybach Insignia

Panoramic sliding sunroof

A grand power sunroof welcomes the sun and stars. You experience a wonderful feeling of freedom and enjoy a pleasantly bright ambience in the interior. When viewed from the outside, the large sliding sunroof likewise makes a unique visual impression, as it lends lightness and exclusivity to the exterior.

Double sunblind

The twin sunblind for driver and front passenger protects you even more effectively against unpleasant glare. Thanks to the additional swivelling and horizontally adjustable sunblinds you can protect yourself against glare from the front and the sides at the same time. This brings noticeable additional comfort, particularly when the sun is low in the sky.

Electric sunblinds, rear

Seeing and not being seen: the electrically extending and retracting roller sunblinds in both rear doors protect passengers from prying eyes and against strong sunlight in summer. It is still possible to see through to the outside.

Using the roller sunblinds is intuitive: they can be moved to the desired position via the buttons in the door control panels of the rear doors.

Multifunction sports steering wheel in Nappa leather with MAYBACH lettering

The multifunction sports steering wheel in nappa leather with black control panels will delight you whenever you see and touch it. The soft Nappa leather is of very high quality. The steering wheel therefore conveys our passion for high-quality automotive details.

Perfect vehicle control: the steering wheel sets the course, and not just on the road surface. It connects you with the vehicle and becomes a control centre. The Touch Control buttons on the left and right operate various navigation, telephony and entertainment functions. Last but not least, they set the speed/proximity control: everything under control without taking your hands off the steering wheel.

Ambient lighting in 64-colors

A veritable sea of lights welcomes you in the interior of the new Mercedes-Maybach GLS. It is equipped with extensively enhanced ambient lighting. The exclusive highlights are the rising “Flowing Lines” in the rear doors and the indirect lighting in the roof liner, creating an especially pleasant lighting mood.

THERMOTRONIC automatic climate control in 4-climate zones

The THERMOTRONIC automatic climate control system provides an individual feel-good climate on board. All passengers are able to set the temperature and air distribution to suit their personal needs. The climatic settings can be stored and retrieved at the touch of a button.

AIR BALANCE package

The AIR-BALANCE Package delivers a fascinating experience for the senses and promotes your well-being. You can look forward to a fragrance which matches the character of your vehicle perfectly. Alongside the pleasant fragancing, the package contributes to enhanced air quality on board. It takes care of ionisation and filtering. On the other hand it enriches the air in the interior with negative oxygen ions.

Nice To Meet You

You can talk to MBUX any time: the multimedia system from Mercedes-Benz is innovative, intuitive and intelligent. And it connects you with your digital world.

MBUX touch control concept

So absorbing that it's hard to leave alone. The sophisticated MBUX touch control concept lets you determine exactly what it shows you and how you control it. As intuitively as on a smartphone. Either with the new touchpad with haptic feedback, or by using the Touch Control buttons on the new steering wheel, or on the touchscreen. The choice is yours.

MBUX voice control

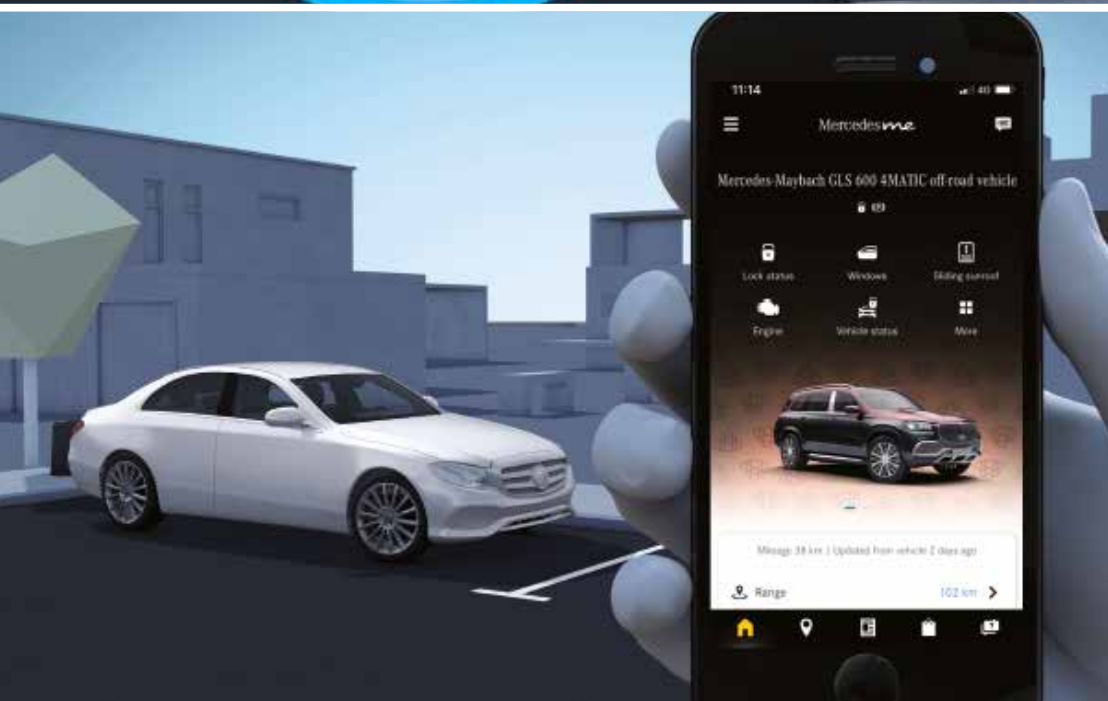

It's always best to talk. The MBUX (Mercedes-Benz User Experience) infotainment system with intuitive voice control is available for the all-new Mercedes-Maybach GLS. It understands what you say and obeys your commands using natural speech recognition. It takes only two words: "Hey Mercedes." and the all-new Mercedes-Maybach GLS is all ears.

Smartphone Functionality

Vehicle Monitoring

- ✓ Locates and directs you to your parked vehicle within a radius of 1.5 km.
- ✓ You can get your vehicle's geo-coordinates sent by GPS.
- ✓ Receives alert notifications if the vehicle exceeds the set speed.

Vehicle Set-Up

- ✓ Remote Engine Start
- ✓ Receives traffic information in real time and optimizes dynamic route guidance.
- ✓ Remote Retrieval of Vehicle Status: Information on Mercedes me App or the Mercedes me Portal.
- ✓ Remote Door Locking and Unlocking: You can conveniently remotely lock or unlock your vehicle from the Mercedes me App.
- ✓ Speed Alert: Receive an alert if your vehicle exceeds a certain speed.
- ✓ Send2Car function: Send your address to your vehicle via an app.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

In-Car functionalities

Linguatronic Voice Control System

- Just two words “Hey Mercedes”
- Obeys every word and talks to you.
- Checks the destination weather, changes the radio station or takes you home on the fastest route.

Mercedes-Benz Emergency Call System

It saves you vital minutes in an emergency. If an accident is detected, a communications module with its own SIM card automatically triggers an emergency call which can shorten the time until the rescue services arrive.

Individualization

- Change the ambient lighting.
- Configure the display styles on the instrument cluster and multimedia system display.
- Individualize the Touch Control buttons on the steering wheel.

Artificial Intelligence

- Remembers your favorite songs and the way to your work.
- Automatically adjusts the right radio station.
- Shows the fastest route.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

Home functionalities

Alexa Home Integration With Mercedes me connect:

Conversations with Alexa are now more fun when the systems connect with your Mercedes-Benz via cloud and give you real time updates. This feature can be used from an Alexa Echo device setup at home, office or also from phone's Alexa App. The command starts with "Alexa, Ask Mercedes to...." To start Mercedes me app just say "Alexa, Open Mercedes" or directly initiate a command by saying "Alexa, tell Mercedes to <command>".

Google Home Integration With Mercedes me connect:

Google Home integration is also offered for Google home users. In a similar way, once the Mercedes me connect is linked to Google Home, you can start issuing commands.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

*Please read the disclaimer.

Widescreen Cockpit

With the widescreen cockpit, the instrument display and media display form a visual unit. The two fully digital colour displays are combined together beneath a joint glass cover and blend harmoniously into the interior design as a continuous surface area. Furthermore, you can select the display to suit your taste and give your cockpit an individual look. There is a choice of "Classic", "Sport", "Progressive" and "Subtle" display styles

Smartphone Integration

Smartphone Integration merges the mobile phone with the infotainment system via Apple CarPlay® and Android™ Auto. This gives you convenient access to the most important applications on your smartphone. You can also use apps from third-party service providers such as Spotify, quickly and easily. The voice control is more than just an appealing feature. You can submit your requests via the voice assistants in the car too.

Hard-disc Navigation

Save time through fast hard-disc navigation with flexible inputs via touch control or voice input. The intelligent system guides you reliably to your destination using both local and up-to-date online data. You can enter the data as you wish – on the touchscreen, or using the touchpad, the touch control buttons or LINGUATRONIC. The system even understands you when you use common speech. Say "Hello Mercedes, take me to..." and specify a desired location.

Another special feature is "what3words". This innovative coordinate system determines every single point on earth with exactly three words.

Live Traffic Information: It receives traffic information in real time which is more precise and up-to-date and optimises dynamic route guidance.

Multicontour climatised seats with massage function and memory package

Tailor-made and designed to indulge, these seats combine a host of adjustment options with exclusive feel-good extras. Innovative side cushions ensure strong lateral support. The hot-stone massage effect, both stimulates and loosens up for gentle pressure with a comfortable level of warmth. The comfort head restraints with extra-soft head contact area are ergonomically optimised and can be oriented both horizontally and vertically.

The pampering wellness effects of the massage function provide purposeful relaxation. The ergonomic contours of the seat back promote a healthy posture.

- ✓ Multiple programmes, each with 2 intensity levels
- ✓ 10 pressure points in the seat back
- ✓ Activation via the MBUX rear-seat tablet in the centre armrest
- ✓ Static 4-way lumbar support adjustment in the lower back region

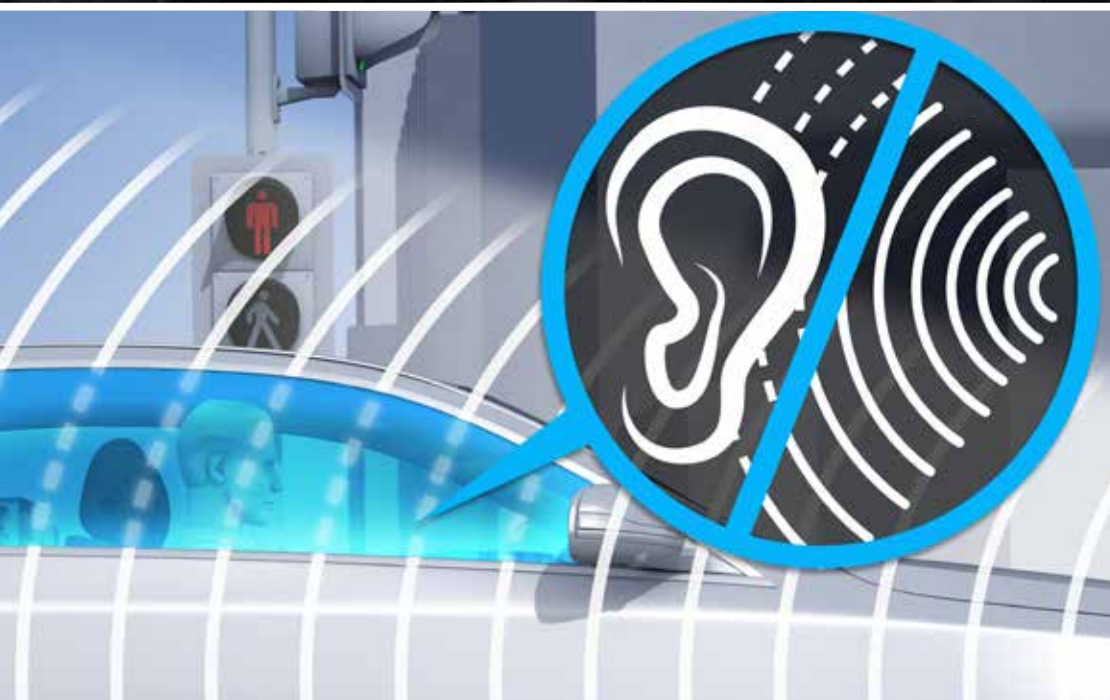

The climatised seats for all passengers, comprises seat ventilation – for ideal seating comfort and experience all year round.

Burmester® surround sound system

The 13 high-performance speakers and output of 590 watts immerse you in Burmester® First-Class High-End sound, fine-tunable to each seat.

Experience more performance and exclusivity with the legendary Burmester sound. You can specifically optimise this for the front and rear seats to intensify the listening experience. A level of quality that is also visible, thanks to the high-quality Burmester lettering. The 2-way in-car communication is an exclusive feature of the Burmester® systems. This practical function offers voice amplification to allow you to have a conversation across all seat rows easily. Sophisticated noise compensation (VNC) adjusts music and sound dynamically to your driving conditions.

Acoustic Comfort package

Enjoy maximum comfort while driving: the sound insulation of the Acoustic Comfort package significantly reduces disruptive exterior noise. There is thus nothing to stand in the way of relaxed conversations, even when driving at high speeds. The quiet atmosphere also promotes concentration, enabling you to arrive relaxed at your destination.

Wireless charging

Charge compatible mobile phones conveniently and without cables, in the front and even in the rear. The stowage compartment between the seats is also an inductive charging area. All mobile devices which use the Qi standard are supported.

Temperature-controlled cup holder

A refreshing drink is always within reach – a convenience enjoyed by all passenger thanks to the temperature-controlled cup holders in the front and rear.

Upholstery

Enjoy a high-class atmosphere, thanks to exquisite designo Nappa leather featuring a new pleated design.

Upholstery

Nappa leather, Mahogany Brown/Macchiato Beige

Nappa leather, Black

Trims

The trims in real woods lends your interior an individual look. They blend in harmoniously while also creating exciting contrasts.

Anthracite open-pore oak wood trim

Brown open-pore walnut wood trim

designo roof liner in Nappa leather,
Macchiato Beige

Roof liner in DINAMICA microfiber,
Black

KEYLESS-GO Comfort package

- ✓ You start and lock your vehicle simply by having the key on your person
- ✓ The HANDS-FREE ACCESS function allows contactless, fully automatic opening and closing of the tailgate – with a simple kicking motion below the sensor
- ✓ The access and drive authorization functions enable all the doors to be unlocked and locked merely by touching the door handle
- ✓ An anti-lock device stops the movement of the tailgate as soon as it detects an obstacle

EASY-PACK tailgate

Extremely practical: the EASY-PACK tailgate can be opened and closed electrically that makes loading-unloading the boot even more convenient. You can press the button on your vehicle key from a distance so that the tailgate is open by the time you get to the vehicle.

Power closing

Closing doors has never been as comfortable and smooth: the front and rear doors of your vehicle are closed almost silently with the aid of servo motors. You only need to close the doors as far as it starts to engage – and your vehicle will take over the rest for you.

4.0-litre V8 biturbo engine

Massive power with a modern twist.

The V8 engine with a displacement of four litres, can develop 410 kW (557 HP) and 730 Nm of torque, this engine has developed exclusively for Maybach and moves the car discreetly and powerfully. The engine is combined with the 48-volt system EQ Boost.

It is characterised by explosive power delivery with finely controllable power output. As part of this, the twin-scroll turbochargers are located between the cylinder heads for better response. When power demands are low, on the other hand, cylinder shutoff noticeably reduces fuel consumption.

AIRMATIC package

In the AIRMATIC package, an adaptive damping system meets modern air suspension. The result- an intelligent comfort suspension which is able to adjust automatically to the driving conditions, speed and load. As a result you benefit from counterbalancing driving stability with first-class comfort both on good and bad roads. The adaptive damping system responds sensitively to unevenness. It is adjusted separately for each wheel and forms the basis for comfortable, relaxed travel. The sophisticated sensor system of the all-round self-levelling enables automatic lowering at high speeds and also in the sporty DYNAMIC SELECT drive programs.

Downhill Speed Regulation

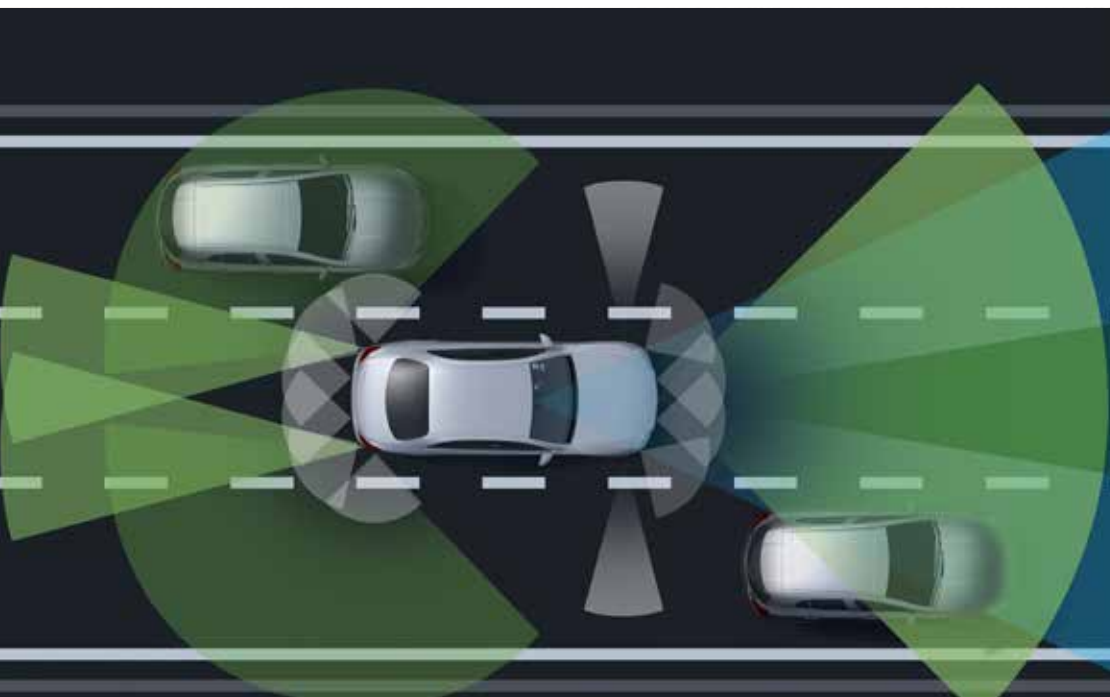

For relaxed and safe downhill descents when driving off-road, the Downhill Speed Regulation maintains a constant speed on steep downhill descents, thus preventing unwanted acceleration. You can limit the vehicle speed between 2 and 18 km/h.

PRE-SAFE® System

With PRE-SAFE® seatsbelts can be electrically pretensioned in hazardous situations. As a result, the forward displacement of the occupants during braking or skidding can be reduced in an impending accident.

In certain situations, the side windows or panoramic roof – if fitted – close automatically. The front passenger seat and rear seats can additionally be moved into a more favourable position in the event of a crash. The air chambers of the multicontour seats are also filled with air to hold the occupants in place more effectively. In conclusion, the components of the PRE-SAFE® system can significantly reduce the risk of injury.

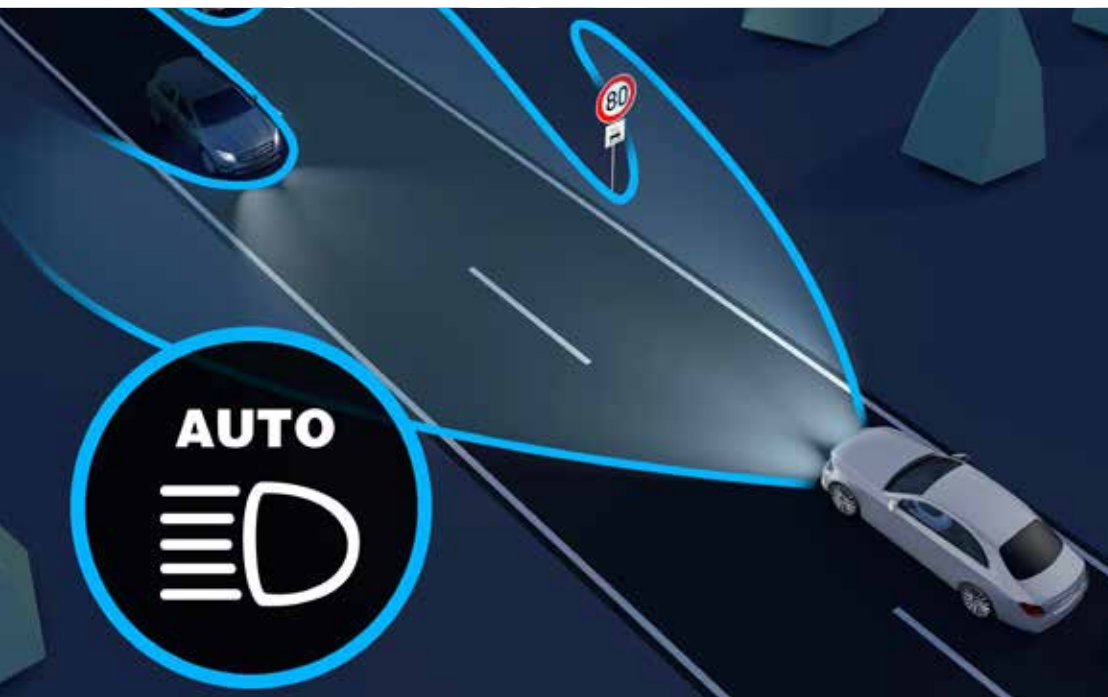

Driving Assistance Package

With the Driving Assistance Package, your Mercedes is fitted with a host of sensors: cameras, radar and ultrasound capture the surroundings. The risk of an accident is reduced – passengers and road users are protected effectively. So you reach your destination relaxed and safe.

Parking Package with 360-degree camera

Park with peace of mind. The duo of Active Parking Assist and 360° camera helps you when looking for a parking space as well as when entering and leaving a parking space and manoeuvring. The all-round visibility thanks to the 360° camera including a virtual bird's-eye view is particularly impressive.

Adaptive Highbeam Assist Plus

Drive with permanent main beam. This virtually turns night into day and takes the strain out of driving. See far, don't dazzle – the Adaptive Highbeam Assist Plus works according to this motto. The intelligent system masks out oncoming traffic or vehicles in front with highly precise LEDs. You do not have to keep on changing over to dipped-beam headlamps.

Mercedes-Maybach GLS Personalizations

designo Leather Package

The *designo* Leather Package enhances the Maybach aesthetics of the interior with exquisite materials. You are surrounded by the finest Nappa leather up to the roof liner, which features additional topstitching. You get exclusive upholstered cushions with "Maybach" logo for the seats and leg rests take seating comfort in the rear to a first-class level.

designo Exclusive leather package

With an option of an additional *designo* Exclusive Leather package, you can round off the automotive masterpiece with even the window frame being finished in the finest black Nappa leather. The side dashboard covers on the driver and front passenger sides are also appropriately finished in the appointments colour.

Upgrade your senses: First-Class rear compartment

Travel in as much comfort as on a private jet: The First Class rear suite adds an especially luxurious interior to the driving characteristics. Your Maybach is equipped with two full-fledged individual seats in place of the continuous bench seat and offers easy access to the MBUX rear tablet integrated into the centre console.

- Continuous centre console between the rear seat backrests
- Armrest with stowage area for MBUX rear tablet
- Temperature-controlled cup holder and stowage compartment between the rear footwells, covered by a wood trim element with sliding lid
- Cover in wood décor which continues the waterfall motif of the boot separator
- Two luxury individual seats in the rear:
 - ✓ Power-adjustable fore/aft position and seat back angle

Folding tables

Create a mobile office with two desks in the rear. Two folding tables transform the Business Console of the First-Class rear suite into a comfortable work area in no time at all. The stowage trays provide space for a notebook or documents. To match the refined environment they are finished in high-quality leather.

Refrigerated compartment

Celebrate every moment: Cooled drinks and food always to hand. The refrigerated compartment is incorporated harmoniously into the rear armrest. As such you can enjoy refreshing cold drinks even when the outside temperatures are high.

- ✓ Interior lighting
- ✓ Mounting option for two champagne flutes

Champagne flutes holder

Round off the luxurious atmosphere in your vehicle's rear passenger compartment: these inserts provide a stylish mounting option for 2 champagne flutes. The tailor-made flute holders in the refrigerated compartment and in the rear centre console are perfectly matched to the exclusive Maybach champagne flutes.

Trims

designo high-gloss brown lightlines lime wood

designo high-gloss black flowing lines piano lacquer

Upholstery

Enjoy a high-class atmosphere: thanks to exquisite Nappa leather featuring a new pleated design. When it comes to leather quality, the experts from Mercedes-Benz apply the strictest of criteria.

**Nappa leather designo crystal white /
silver grey pearl**

Wood/leather multifunction steering wheel

The wood/leather multifunction steering wheel combines fine materials with innovative ease of operation. Ergonomically arranged Touch Control buttons enable intuitive control of functions such as navigation, telephony, cruise control or entertainment. So you have everything under control without taking your hands off the steering wheel.

MBUX Head-up Display

The head-up display transforms your windscreen into an exciting digital cockpit, always giving you a direct view of key information.

Burmester® high-end 3D surround sound system

Sound on a par with that of luxury home music systems. Speakers in the roof liner compose a three-dimensional sound. They conduct the system like your personal orchestra - with VIP settings for individual seats or style specifications such as "Live" or "Easy Listening".

As fine as their sound, the design of the speakers also features characteristically styled metal covers. With Burmester® lettering on the speaker covers, the high-end 3D surround sound system also denotes the top premium standard in absolute silence.

MBUX Rear Seat Entertainment System

Two permanently integrated full-HD 11.6-inch (29.4cms) touchscreens with full-HD camera with Direct access to:

- MBUX multimedia system: Radio/media/internet
- Navigation and trip planning function
- Own media via screen mirroring function
- Power seat adjustment
- All sun-blinds control

ENERGIZING packages

Comfort for all the senses: This package bundles together special equipment with innovative intelligence. Your Maybach is able to vitalise you in targeted ways – for prolonged alertness at the wheel and a pleasant drive. With up to Eight comfort programmes.

ENERGIZING package

- ENERGIZING comfort with five programmes
- ENERGIZING COACH
- Seat heating for driver and front passenger
- AIR-BALANCE package for fragrancing, ionisation and filtering of the interior air
- Ambient lighting with programme-specific lighting moods

ENERGIZING package Plus

- ENERGIZING comfort with eight programmes
- ENERGIZING COACH
- Multicontour seats for driver and front passenger
- Climate-controlled seats for driver and front passenger
- AIR-BALANCE package for fragrancing, ionisation and filtering of the interior air
- Ambient lighting with programme-specific lighting moods

E-ACTIVE BODY CONTROL

On any road, or even off, E-ACTIVE BODY CONTROL acts to optimize driving feel, yet minimizes the motions felt by passengers.

Superior handling in every situation: the synthesis of comfort, precision and dynamism – combined with unique off-road qualities. Experience the first-class effects of a modern, fully active suspension designed to compensate for pitch, roll and shocks.

Enables you to use 3 innovative functions: the ROAD SURFACE SCAN, the Active Curve Tilting Function and the Recovery mode.

Driving Assistance Package Plus

The Driving Assistance Plus Package offers maximum comfort and safety on the road. To supplement the Driving Assistance Package, you receive PRE-SAFE® Impulse Side for additional protection in side collisions caused by third parties.

MAGIC VISION CONTROL

Greater visibility, greater safety: the innovative MAGIC VISION CONTROL system ensures perfect visibility – even during the wiping process. It makes use of intelligent, heated water ducts in the windscreen wipers. These spray washer fluid directly onto the windscreen in front of the wiper blades – precisely where it is needed.

Warmth Comfort Package

A pleasant sense of well-being on board: the Warmth Comfort Package brings certain interior elements up to the right temperature in no time. The pleasant warmth surrounds you and your passengers from all sides –seats, armrests of the centre console and in the doors plus the door centre panels are all heated. Three heating levels enable an individually selectable temperature.

URBAN GUARD vehicle protection

Provides all-round monitoring as it comprises an anti-theft alarm system plus tow-away protection which is able to detect changes in position of your car. Movement in the interior also triggers visual and audible warnings.

The theft and parking collision detection from Mercedes me notifies you of any attempt to tow away the vehicle when it is parked and locked. You also receive an immediate notification on your smartphone if your car is hit.

Genuine Accessories:

Make your Mercedes-Maybach GLS even more promising.
Additional charges apply.

Flacon Perfume Atomiser

Forest mood

Experience the slow entering of the deep, dark green forest, a stream glistens in the distance and an aromatic sense of pebble stones warmed by the sun and soft to the touch in your hand. A crumbling tree stump emits an intensive fragrance that radiates a delicate melancholy. The view into a valley and its broad expanse and beauty, with its diverse shades of green revives freshness and inspires new adventures.

Flacon Perfume Atomiser

Nightlife mood

The Nightlife Mood is enriched with complementary woody notes that give the perfume body. Cool spices such as cardamom and pink pepper give a freshness to the top notes. And the hint of a particular aldehyde balance adds a subtle cognac effect. In the base notes the wood tones combine with frankincense, ambergris and vanilla to create a soft, silky elegance. The winning composition of touch, smell, looks, comfort, sound and style adds to the feeling of enjoyment behind the wheel and the general sense of well-being on board. Step inside and feel an instant affinity to the vehicle's character.

Please note: This brochure is intended for general information, description and illustration of the Product including optional functions and equipment and may not be specific to a Product since specification of a product may change from time to time. Optional features, functions and equipment etc. may not be present in the Standard or Variant Product or Special Edition Product. Further, Standard specifications of a product may also vary from time to time. Colours may differ from those shown in pictures in the brochure. Mercedes-Benz India reserves the right to make changes without prior notice, in design, colours, materials, components, equipment, specifications, features, functions, make and models etc. The information given in this brochure shall be regarded as accurate at the time of launch and may vary thereafter due to any developments or any other reason. Interested customers should reach out to the Authorised Franchise Partner for further information on the exact specifications, features of the product.

Images shown are for representation purposes only. Some of the vehicles in the Brochure are left hand drive wheel. However, Mercedes-Benz India only manufactures and sells vehicles as per the applicable motor vehicle regulations in India. All vehicles sold by Mercedes-Benz Authorized Franchise Partners shall be with right hand drive wheels only.

All title, ownership rights and intellectual property rights in and relating to this brochure/magazine or publication material or any copies thereof including but not limited to copyright, logos, names, trademarks, service marks, design, text, images, links, concepts and themes are owned by Mercedes-Benz Group AG and/or its subsidiaries collectively or used under authorised license by the Mercedes-Benz Group AG. Any reproduction, transmission, publication, performance, broadcast, alteration, license, creation of derivative works or other use in whole or in part in any manner without the prior written consent of Mercedes-Benz India Pvt. Ltd is strictly prohibited.

Please note that certain services are offered free of cost for a period of three (03) years and may be chargeable at the expiry of three (03) years from the date of activation of such services. If you wish to continue using those services, you may renew the same through Mercedes Me Store (as and when it is available). Please get in touch with your preferred Franchise Partner for more details.

Mercedes-Benz cars: The Mercedes-Maybach GLS 600 4MATIC meets Bharat Stage VI equivalent emission norms.
