

THE MERCEDES-BENZ GLA

—
DYNAMIC ALL THE WAY.

MERCEDES - BENZ

GLA

HIGHLIGHTS

THE HIGHLIGHTS OF THE NEW GLA.

MERCEDES-BENZ

GLA

THE MERCEDES-BENZ GLA SUV

Compact, with powerful structures and dynamic lines, the new GLA combines sporty elegance with an offroad feeling.

POWERTRAIN OPTIONS

Choose from a range of drivetrain options – including gasoline and diesel, with 4MATIC all-wheel drive available on diesel models.

8 YEARS WARRANTY

Enjoy complete peace of mind with an 8-year warranty on the engine and transmission, valid nationwide across authorised Mercedes-Benz partners, with repairs carried out using genuine parts and the added benefit of transferability to the next owner.

OFF-ROAD TECHNOLOGY PACKAGE

Enhances confidence beyond paved roads with a dedicated off-road driving mode and Hill Descent Control, ensuring optimised traction and controlled handling on challenging terrain.

(Available with GLA 220d 4MATIC)

EXTERIOR DESIGN

TOWARDS WIDER HORIZONS.

PROGRESSIVE LINE (AVAILABLE WITH GLA 200 AND GLA 220D 4MATIC)

The Progressive Line expresses modern elegance through distinctive design details. A grille with central Mercedes star, high-gloss black and chrome exterior accents, polished aluminium roof rails and chrome-finished simulated underguards and tailpipe trims create a refined yet contemporary presence.

MERCEDES-BENZ

48.3 cm (19 inch) AMG light-alloy wheels in 5-twin-spoke aerodynamically optimized, painted black and with a high-sheen finish

(Available with GLA 220d 4MATIC AMG Line)

45.7 cm (18 inch) light alloy wheels in 5-twin-spoke design aerodynamically optimized, painted black and with a high-sheen finish

(Available with GLA 200 & GLA 220d 4MATIC Progressive Line)

GLA

LED HIGH PERFORMANCE HEADLAMPS

LED High Performance Headlamps deliver long-range illumination for improved visibility and safety. LED projection low beam, LED reflection high beam, LED daytime running lights, position lights and indicators are complemented by adaptive full LED rear lights that automatically adjust intensity to the surroundings.

PANORAMIC SLIDING SUNROOF

The panoramic sliding sunroof fills the cabin with light and creates an open, airy atmosphere. A large tinted glass panel with heat-insulating safety glass, electric sun blind with one-touch operation and automatic rain-closing function combine comfort with everyday convenience.

EASY-PACK TAILGATE

The EASY-PACK tailgate opens and closes electrically at the touch of a button, making loading and unloading effortless. You can start or stop the movement at any time for added everyday convenience.

INTERIOR

SPACE FOR EVERY STORY.

AMG Line (Available with GLA 220d 4MATIC)

The AMG Line gives the GLA a distinctly sporty presence with AMG-specific front and rear aprons, chrome detailing and a diamond grille with central Mercedes star. High-gloss black and chrome exterior accents sharpen the look, while the sporty interior features AMG sports seats, a multifunction Nappa leather steering wheel and a larger braking system to support dynamic driving.

CENTRAL MEDIA DISPLAY

The 10.25-inch high-resolution central media display presents information clearly and intuitively. Touch operation with easy-to-read symbols and seamless integration with the MBUX infotainment system create a connected, user-friendly digital experience.

FULLY DIGITAL INSTRUMENT DISPLAY

The 10.25-inch digital instrument cluster puts key driving information directly in your line of sight. Individually configurable layouts and three selectable display styles allow you to tailor the view to your preferences.

AMBIENT LIGHTING

Ambient lighting allows you to personalise the interior to match your mood with a choice of 64 colours and a wide range of lighting schemes. Additional white light elements enhance orientation, creating a cabin that feels both atmospheric and intuitive.

COMFORT SEATS

Comfort seats offer everyday relaxation with thoughtful flexibility. Fully adjustable front seats, an extendable driver seat and 40/20/40 split-folding rear seatbacks adapt easily to passengers and luggage, while seat-back nets provide convenient storage.

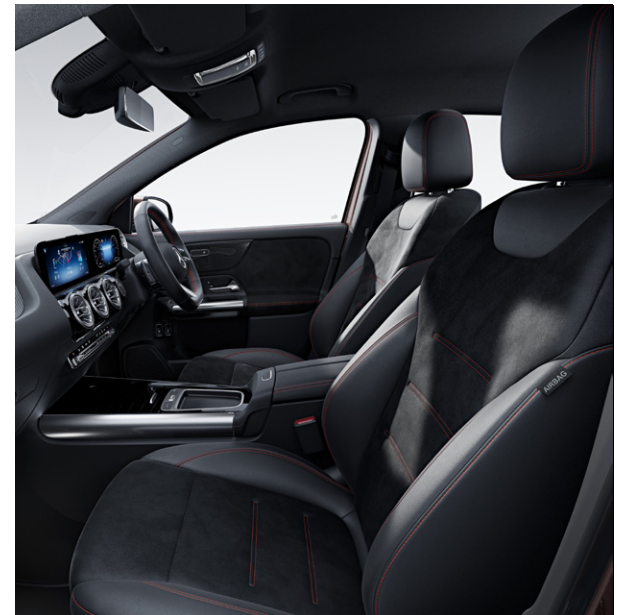

SPORTS SEATS

Sports seats deliver enhanced lateral support for dynamic driving while remaining comfortable for everyday use. Integrated seat-back storage nets add practical convenience.

(Available with GLA 200 and
GLA 220d 4MATIC Progressive Line)

(Available with GLA 220d 4MATIC AMG Line)

MULTIFUNCTION SPORTS STEERING WHEEL IN LEATHER

(AVAILABLE WITH PROGRESSIVE LINE)

The multifunction sports steering wheel in leather delivers a sporty feel with intuitive control. Its 3-spoke design, elegant leather finish, touch control panels and steering wheel shift paddles allow you to operate key vehicle functions and enjoy greater driving engagement without taking your hands off the wheel.

MULTIFUNCTION SPORTS STEERING WHEEL IN NAPPA LEATHER

(AVAILABLE WITH AMG LINE)

This AMG-inspired steering wheel combines a flat-bottom 3-double-spoke design with premium Nappa leather and silver chrome shift paddles for precise control. Touch control panels place essential functions at your fingertips, enhancing both comfort and sporty driving involvement.

ELECTRICALLY ADJUSTABLE FRONT SEATS WITH MEMORY FUNCTION

Electrically adjustable front seats offer personalised comfort with a three-position memory function and ENERGIZING seat kinetics for added well-being on long journeys. The passenger-side mirror automatically dips in reverse to assist with easier parking.

THERMOTRONIC AUTOMATIC CLIMATE CONTROL

THERMOTRONIC Automatic Climate Control delivers personalised comfort for both driver and passenger with two-zone temperature regulation. Intelligent sensors continuously adapt to changing conditions, while fine dust and activated carbon filtration cleans the cabin air and automatic air recirculation activates when pollutant levels rise—ensuring a consistently fresh and comfortable environment.

TRIM OPTIONS

MERCEDES-BENZ

Illuminated star pattern trim
(Available with GLA 200 and GLA 220d 4MATIC Progressive Line)

Carbon-structure trim

PETROL ENGINE - GLA 200

The GLA 200 petrol engine delivers responsive performance with engineered efficiency. An electronically controlled turbocharger and air-cooled charge air cooler ensure fast, precise power delivery, while NANOSLIDE® cylinder coating, low-friction pistons and DLC-coated rings reduce wear and enhance long-term durability.

DIESEL ENGINE - GLA 220D 4MATIC

The GLA 220d 4MATIC diesel engine combines strong torque with remarkable efficiency. A lightweight all-aluminium design, NANOSLIDE® cylinder coating and high-pressure common-rail direct injection ensure smooth, efficient combustion, while a variable-geometry turbocharger delivers confident power and optimised mounts and airflow reduce noise and vibrations.

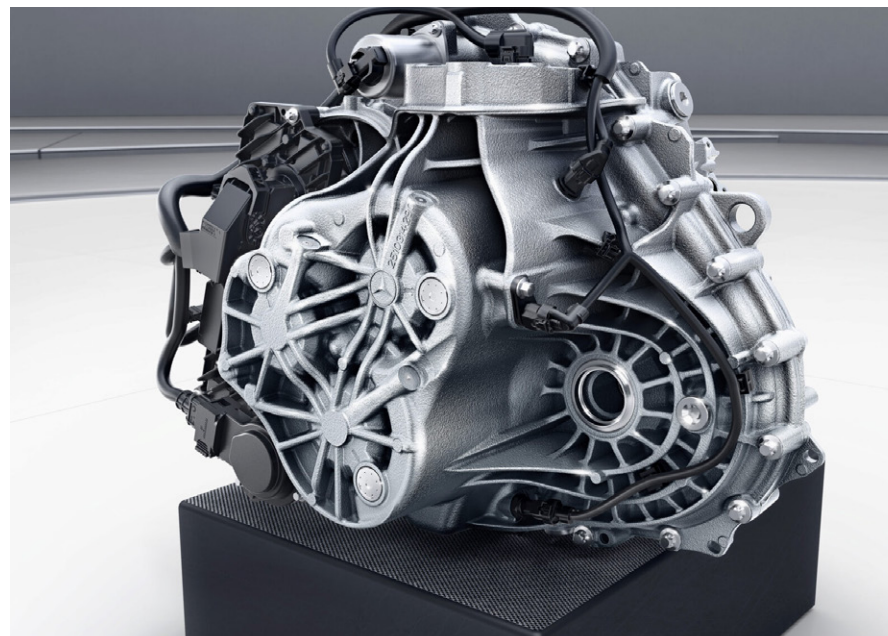

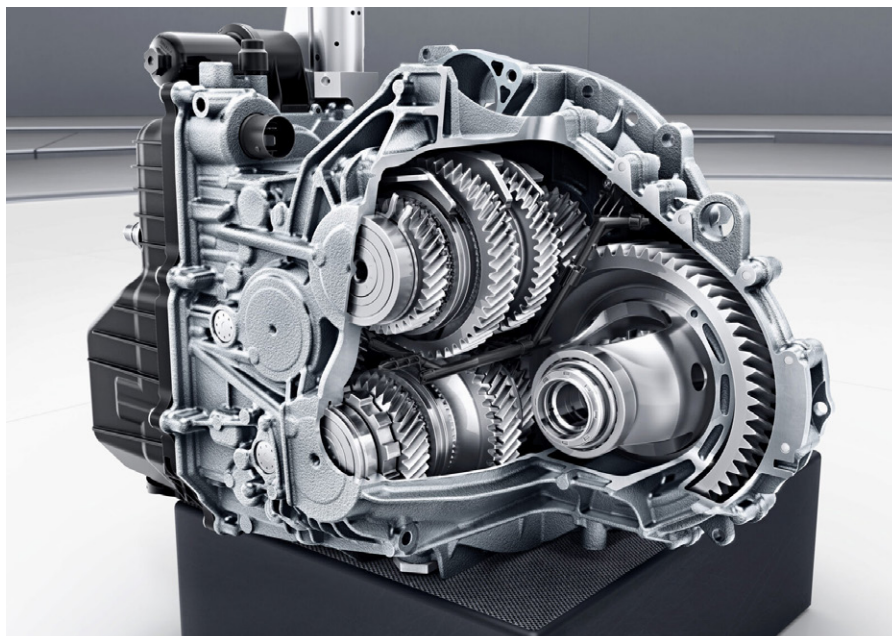

8G-DCT AUTOMATIC TRANSMISSION (GLA 220D 4MATIC)

The 8G-DCT dual-clutch transmission delivers seamless shifts and effortless performance. Drive programs adapt shift behaviour for comfort, efficiency or sport, while pre-selected gears enable uninterrupted acceleration.

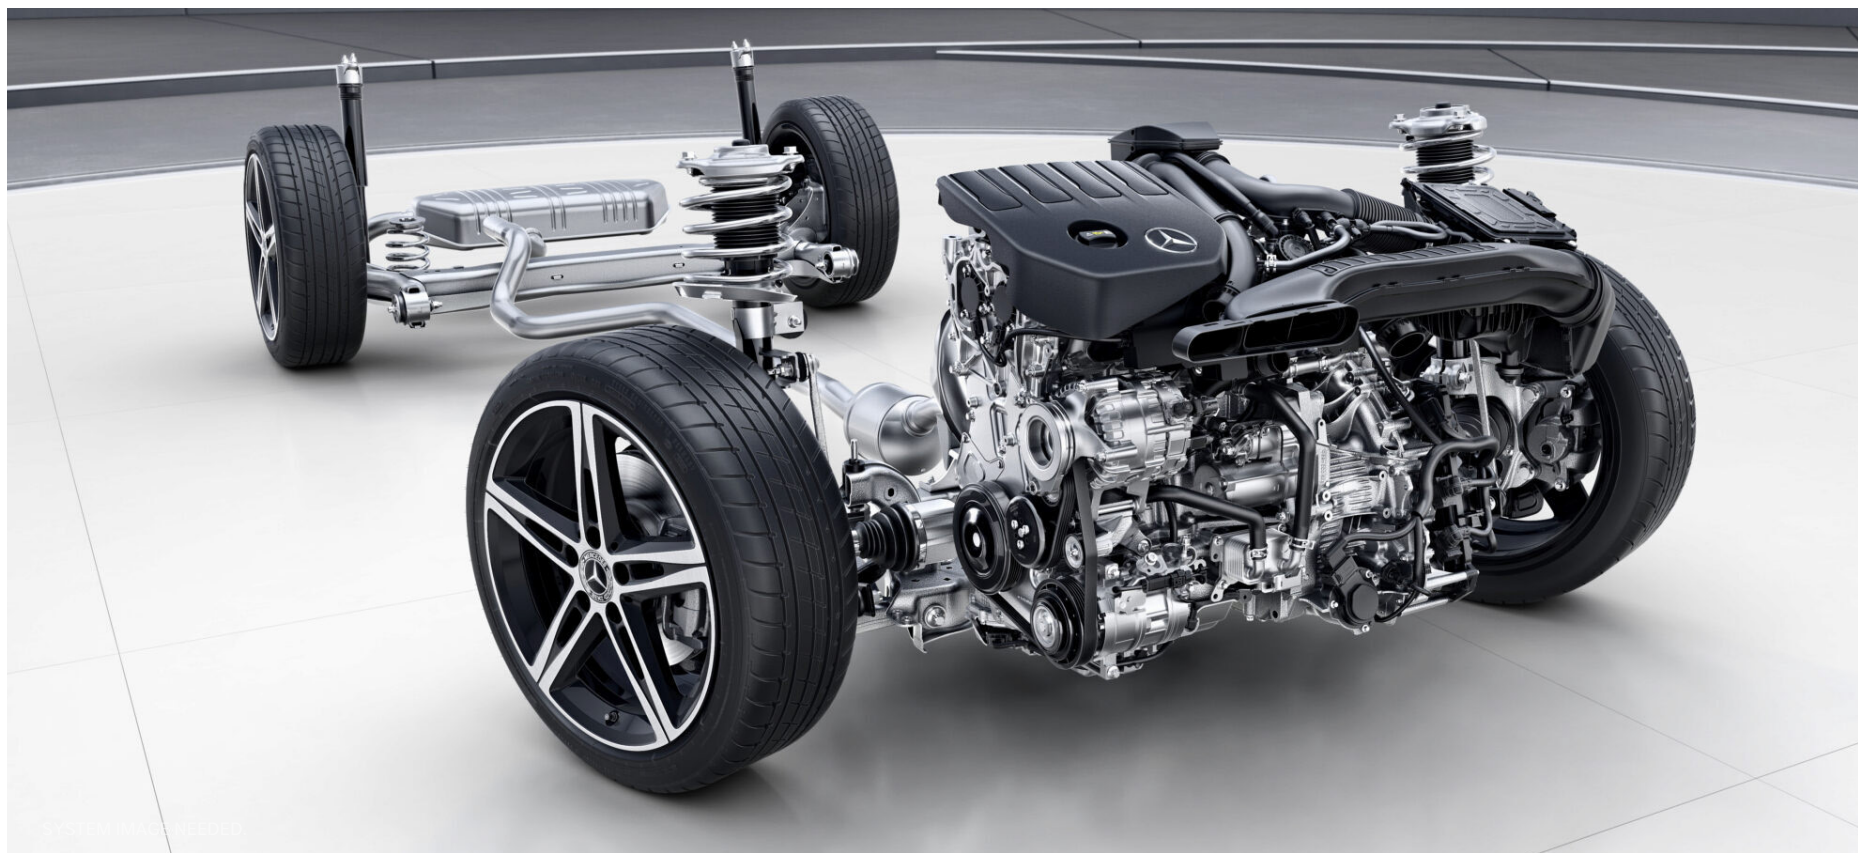

7G-DCT AUTOMATIC TRANSMISSION (GLA 200)

The 7G-DCT dual-clutch transmission offers quick, smooth gear changes for both efficient cruising and sporty driving. Drive programs tailor the transmission to your style, while pre-selected gears ensure continuous power delivery.

COMFORT SUSPENSION

The Comfort Suspension balances everyday comfort with confident control. It delivers a comfortable ride on long journeys, stable handling through corners and a composed, safe driving experience.

TECHNOLOGY & CONNECTIVITY

INTUITIVE BY DESIGN.

CRUISE CONTROL

Cruise Control enhances driving comfort by maintaining your selected speed effortlessly. You can set a desired cruising speed or activate the speed limiter to ensure the vehicle does not exceed a chosen limit. Intuitive steering wheel controls allow easy adjustments in small or larger increments, enabling relaxed, controlled driving on every journey.

MBUX NAVIGATION PREMIUM

MBUX Navigation Premium guides you faster and more intelligently to your destination. With online route guidance, precise real-time traffic information and car-to-X communication, the system keeps you continuously informed and one step ahead. Current map data with satellite views and intelligent networking enhance both convenience and safety, making every journey smoother and more confident.

ADVANCED FUNCTIONS MBUX

Advanced MBUX functions put you in command of a fully personalised digital experience. Activate the adaptive voice assistant with “Hey Mercedes” and speak naturally as MBUX listens, learns, and responds in real time. Personal profiles and prediction functions anticipate your preferences, while integrated WiFi hotspot capability keeps you seamlessly connected—turning every drive into an intelligent, responsive experience.

DYNAMIC SELECT

DYNAMIC SELECT allows you to tailor your driving experience at the touch of a button. Multiple driving modes such as ECO, Comfort and Sport adjust the engine, transmission, steering and chassis characteristics to match your mood, delivering efficiency when you want it and dynamic performance when you demand it.

OFF-ROAD TECHNOLOGY PACKAGE (GLA 220d 4MATIC)

The Off-Road Technology Package, available with GLA 220d 4MATIC, equips your vehicle for confident driving beyond paved roads. An additional off-road driving mode optimises traction on low-grip surfaces by adapting engine output and ABS behaviour, while Hill Descent Control maintains a controlled speed on steep slopes, helping you stay composed and in command.

(Available with GLA 220d 4MATIC)

LIVE TRAFFIC INFORMATION

Live Traffic Information keeps you ahead of congestion with precise, real-time traffic updates. Data refreshed every two minutes enables dynamic route optimisation, while location-based information ensures the system delivers the most relevant traffic conditions for accurate routing and arrival-time calculation.

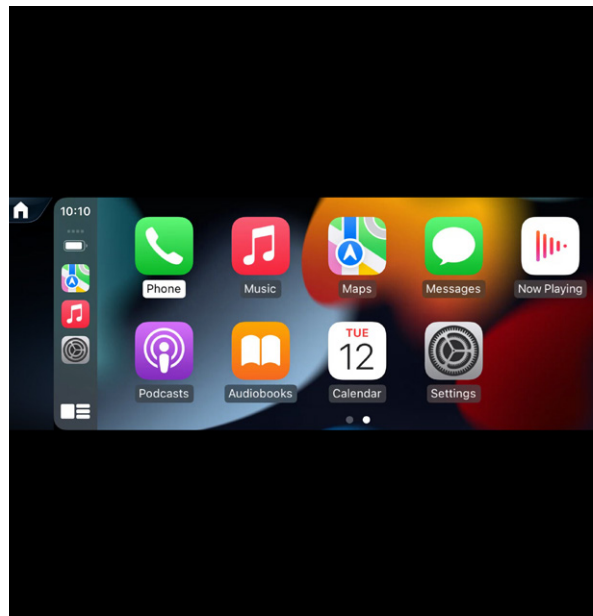

ADAPTIVE HIGH BEAM

Adaptive High Beam Assist automatically adjusts between high beam and dipped beam to provide optimal illumination at all times. When no vehicles are detected ahead or in oncoming traffic, the system activates high beam to extend visibility, then dims automatically when other road users appear. This ensures excellent night-time visibility while reducing glare for others.

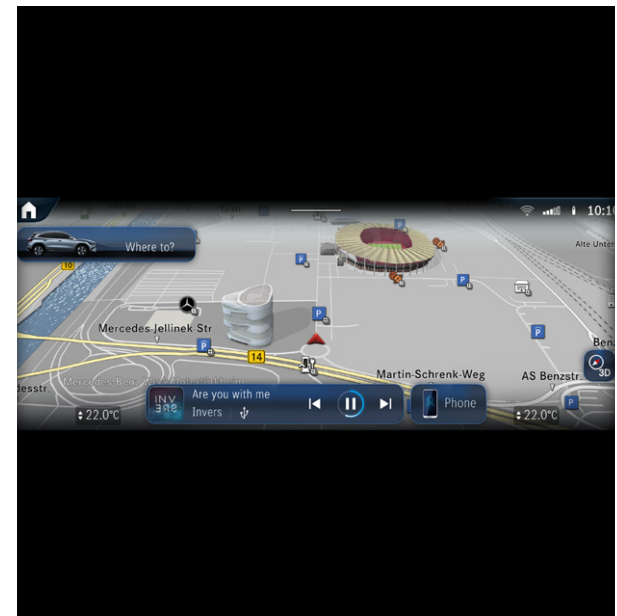

SMARTPHONE INTEGRATION

Connect your mobile phone wirelessly to the MBUX multimedia system via Android Auto™ or Apple CarPlay™. This gives you convenient access to the most important applications on your smartphone. You can also use third-party apps such as Spotify quickly and easily.

HARD-DISC NAVIGATION

Hard-disc navigation guides you quickly and precisely to your destination with 2D and 3D map displays and intelligent route options such as Eco and Trailer. Fast processing enables seamless touch or voice input, while local and online data work together to ensure reliable, well-informed guidance throughout your journey.

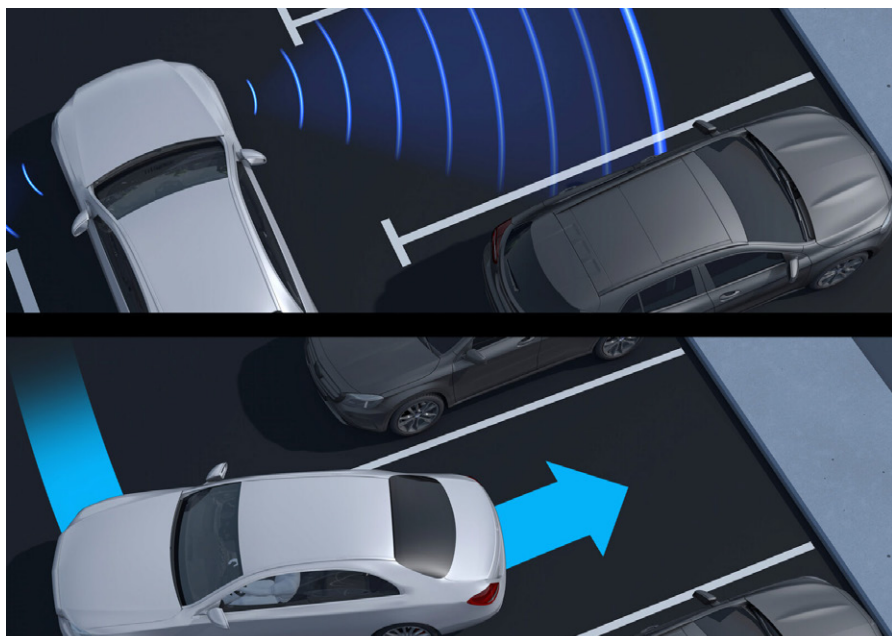

ACTIVE PARKING ASSIST

Active Parking Assist takes the stress out of parking. With support from the 360° camera and Parking Assistant PARKTRONIC, the system helps you find suitable spaces and assists with parking and unparking. Choose to park confidently yourself with all-round visibility, or let the vehicle handle the manoeuvre for you.

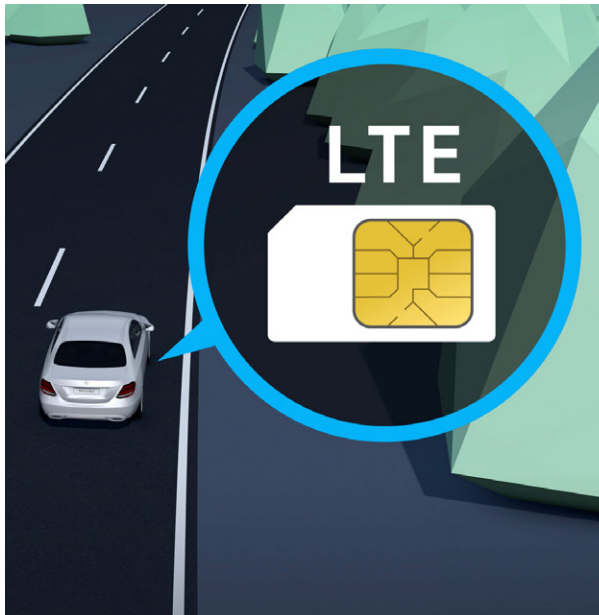

USB PACKAGE

USB Package Plus keeps every device powered and ready. Five fast-charging, backlit USB-C ports and a 12V socket ensure convenient charging for all passengers, while the front USB ports also support data transfer to the MBUX system—so your music and media are always within reach.

COMMUNICATION MODULE (LTE) FOR THE USE OF MERCEDES ME CONNECT SERVICES

The Communication Module (LTE) connects your vehicle seamlessly to the digital world. With an integrated LTE-capable SIM card, your Mercedes-Benz is continuously networked with Mercedes me connect services and online infrastructure, enabling features such as Live Traffic Information. This ensures you stay informed, connected, and one step ahead on every journey.

KEYLESS GO COMFORT PACKAGE

The KEYLESS-GO Comfort Package elevates everyday convenience with effortless access and loading. Simply touch the door handle to lock or unlock, while HANDSFREE ACCESS opens the tailgate with a simple kicking motion. Intelligent remote functions also allow you to open or close the windows and panoramic sliding sunroof from outside, making every interaction seamless and intuitive.

HANDS-FREE ACCESS

HANDS-FREE ACCESS lets you open and close the tailgate without touching a thing. A simple kicking motion beneath the rear bumper activates the sensor, making loading and unloading effortless—especially when your hands are full.

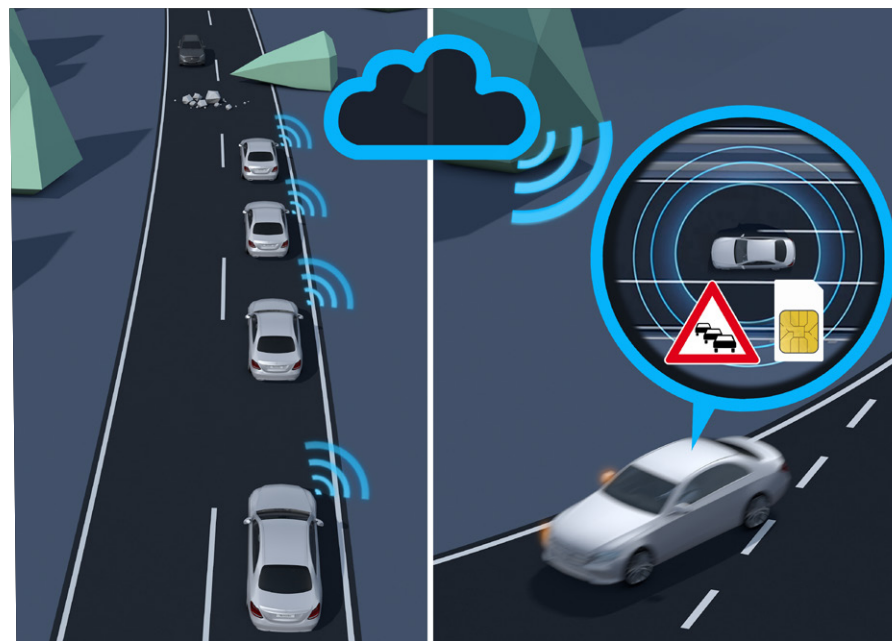

REMOTE SERVICES PLUS

Remote Services Plus puts control of your Mercedes-Benz in the palm of your hand. Lock or unlock doors, locate your vehicle, and manage selected functions remotely, including opening windows to ventilate the cabin before you step inside. Personalisation links your individual settings to your Mercedes me profile, creating a seamless, connected experience.

CAR-TO-X COMMUNICATION

Car-to-X Communication enables your vehicle to exchange information with other vehicles and infrastructure, helping you anticipate and respond to potential hazards early. Warnings appear directly in the navigation map and via announcements, enhancing safety and supporting a more confident, well-informed journey.

SAFETY

PEDESTRIAN PROTECTION - ACTIVE BONNET

Pedestrian Protection with Active Bonnet enhances safety by helping reduce injury risk in the event of a collision. At certain impact speeds, intelligent sensors trigger actuators that slightly raise the bonnet, increasing deformation space between the bonnet and engine components to better absorb energy and protect pedestrians.

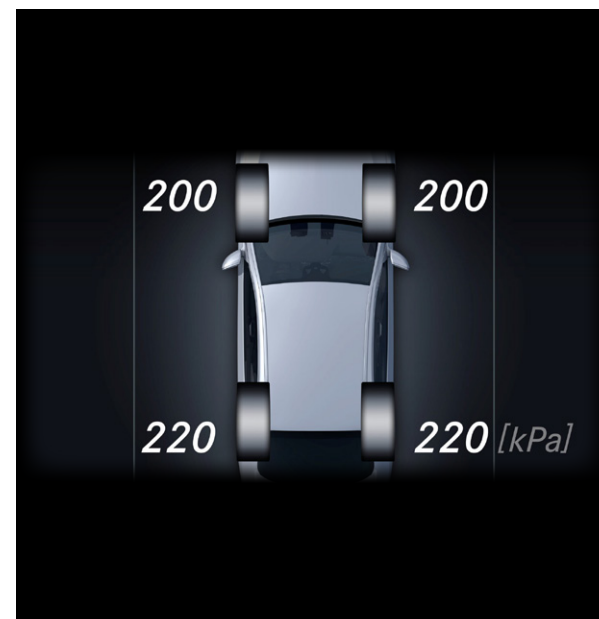

ACTIVE BRAKE ASSIST

Active Brake Assist warns of potential collisions and supports braking, including autonomous emergency braking. It detects vehicles, pedestrians and cyclists to help reduce the risk of accidents in everyday driving.

TYRE PRESSURE CONTROL

Tyre Pressure Monitoring continuously checks your tyre pressure and alerts you if a drop is detected. Early warnings help you react quickly, support safer braking performance, and maintain optimal efficiency for improved mileage.

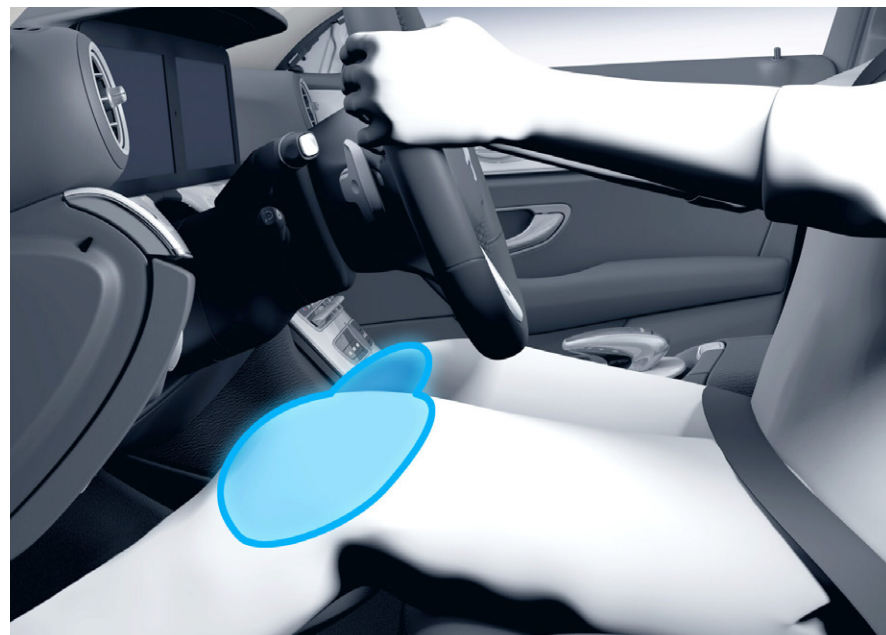

BLIND SPOT ASSIST

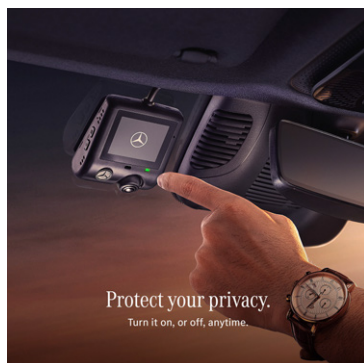

Blind Spot Assist monitors adjacent areas and warns of potential side collisions when changing lanes. The exit warning function helps detect approaching road users when opening the door, enhancing everyday safety.

KNEE AIRBAG

The Knee Airbag enhances protection in the event of a serious frontal collision by reducing the risk of leg injuries and supporting overall occupant stability. Working in harmony with the seat belts and the vehicle's total of seven airbags, it helps mitigate injury severity and improve safety for all occupants.

GENUINE ACCESSORIES & COLLECTIONS

SAFETY & SECURITY

Stay protected with a 360° surround dashcam featuring 3-channel recording, seamless loop storage, and intelligent power management.

TRAVEL ESSENTIALS

Travel smarter with essentials like a spacious roof box, secure child seats, a handy cool box, and practical add-ons for added comfort on every journey.

EXTERIOR ENHANCEMENT & WHEELS

Elevate your vehicle's presence with premium exterior styling and wheel upgrades, featuring the AMG pattern LCD projector, roof spoiler, fuel filler cap, protective door handle recesses, and stylish alloys, hub caps, and valve caps for a bold, head-turning finish.

COLLECTIONS

Explore our exclusive collections, AMG, Mercedes-Benz, and Young Stars collection, featuring premium lifestyle merchandise like T-shirts, caps, key rings, mugs, and more to showcase your passion beyond the drive.

INTERIOR ENHANCEMENT

Enhance every drive with premium interior upgrades from elegant velour, durable ribbed, and all-season floor mats to sport pedals and illuminated door sills, all designed to elevate comfort, style, and everyday functionality.

FINANCIAL FREEDOM FOR YOUR JOURNEY

Whether you prefer the simplicity of a traditional ownership or flexibility of upgrading your car every few years, our financial solutions are designed to suit your lifestyle, we ensure your experience is seamless just like your drive.

STAR Finance

Offers a seamless solution for straightforward Mercedes-Benz ownership, getting you behind the wheel instantly.

- Choose a repayment period ranging from 12 to 84 months.
- You own the vehicle from the very start of the contract term.
- Know exactly what your repayments are with a consistent, fixed rate.

STAR Agility+

For those who value flexibility, STAR Agility+ offers an Assured Buy-Back Value that guarantees your vehicle's future worth.

- Loan term ranging from 12 to 60 months.
- Annual mileage allowance that reflects your driving needs.
- Lower monthly repayments and the highest residual value.
- Inclusive maintenance and an extended warranty

The integrated starter alternator (ISG) electrically supports the combustion engine in certain operating states with up to 15 kW of additional power and up to 200 Nm more torque. You will particularly notice this benefit when you accelerate. On the other hand, electric support of the combustion engine also brings fuel consumption advantages. The ISG operates with a separate 48 V on-board electrical system.
