

THE MERCEDES-BENZ C-CLASS

C-Class

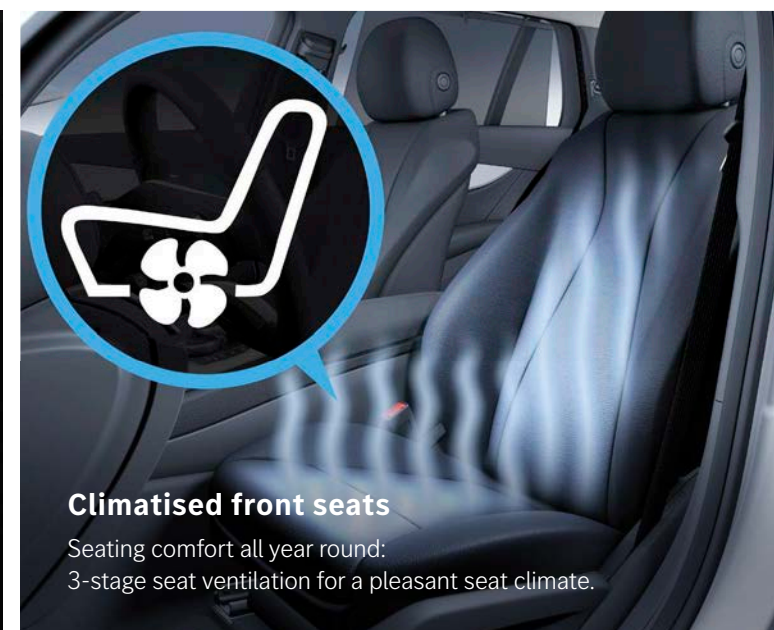

WELCOME TO THE COMFORT ZONE.

HIGHLIGHTS

Burmester® 3D surround sound system

Exquisite 3D sound with 15 speakers, 710 watts system output and Dolby Atmos®

Climatised front seats

Seating comfort all year round: 3-stage seat ventilation for a pleasant seat climate.

Mild hybrid with integrated starter-alternator

The 2nd-generation mild hybrid with integrated starter-alternator (ISG) can support the internal combustion engine with up to 17 kW of additional output and up to 205 Nm of extra torque.

MBUX routines

Automate convenience functions with Routines. Customers can use templates for standard routines or create personalised ones. For example - create a routine to switch on seat ventilation if the exterior temperature exceeds forty degrees Celsius.

EXTERIOR DESIGN

SPORTINESS MEETS MODERN LUXURY.

VARIANTS

AVANTGARDE Exterior

(Available with C 200 and C 220d)

Style all along the line. The AVANTGARDE exterior shines with numerous chrome accents at the front, rear and on the radiator grille. Together with the 17-inch light-alloy wheels and elements in polished aluminium, the result is a harmonious overall appearance that radiates elegance and value.

AMG Line Exterior

(Exclusive to the C 300)

Experience visible athleticism with striking air intakes at the front and a notched diffuser look at the rear. The 18 AMG light-alloy wheels round off the design harmoniously and give your vehicle an appearance that combines dynamism and style in a captivating way.

Night Package

(Exclusive to the C 300)

Give your vehicle an extraordinary appeal. Black design elements, such as the exterior mirror housings and trim strips on the front and rear aprons, create expressive contrasts.

CELEBRATING THE 140 YEARS OF REDEFINING YOUR COMFORT ZONE.

MERCEDES-BENZ

The Mercedes-Benz C-Class 140 Years Celebration Edition

The C-Class Celebration Edition bridges fourteen decades of engineering excellence with the spirit of modern luxury. This limited release enhances your drive with a curated suite of exclusive features designed for the path ahead.

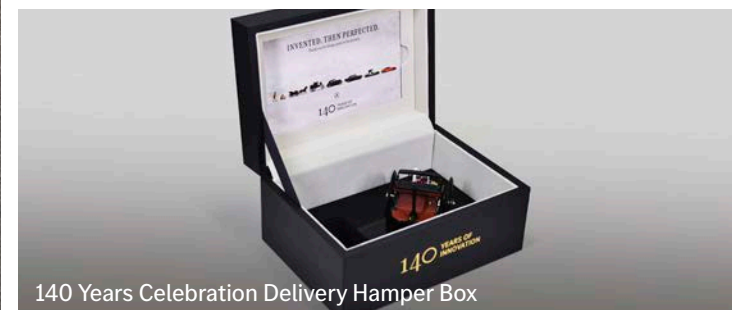

Mercedes-Benz Dashcam

Rear Seat Entertainment System

Rear Seat Cushions

140 Years Celebration Delivery Hamper Box

THE C-CLASS

DIGITAL LIGHT

(Exclusive to the C 300)

Experience intelligent light in a new dimension. With DIGITAL LIGHT that has over 1.3 million pixels per headlamp, the HD system acts like a precision projector, continuously adjusting road illumination to light, traffic, and weather conditions. And the ULTRA RANGE main beam enhances your driving safety.

LED High performance headlamps

(Available with C 200 and C 220d)

The LED High Performance headlamps illuminate the road with a wide beam and pleasant light colour much more precisely and generously than conventional headlights. For you, this means: better visibility and, consequently, greater safety.

Mirror package

Protect your vehicle from damage with electric fold-in exterior mirrors. In the dark, the surround lighting shows you the way with the projection of the Mercedes-Benz logo and orchestrates every entry as an experience.

Panoramic sliding sunroof

The electric glass sunroof gives your interior an incomparably bright ambience and creates a fascinating feeling of freedom. With the roof open, the fresh air circulates pleasantly and without disturbing draughts, while a sliding roof liner element serves as an additional protection against the sun.

ALLOY WHEELS

MERCEDES-BENZ

Available with C 200 and C 220d

43.2 cm (17 inch) 5-spoke light-alloy wheels painted black with high-shine finish.

THE C-CLASS

Available with C 300

45.7 cm (18 inch) AMG light alloy wheels in 5-spoke design, aerodynamically optimized, painted black and high-shine finish.

INTERIOR DESIGN

CLIMB IN. BREATHE OUT.

AVANTGARDE interior

(Available with C 200 and C 220d)

The AVANTGARDE interior exudes a sense of stylish sportiness. The seat covers, crafted from ARTICO man-made leather and fabric, showcase the exceptional quality of the interior. Silver chrome elements, strategically placed on the doors and air vents, add a touch of elegance and sophistication. Finally, the ambient lighting enhances the avant-garde ambience, creating a captivating and immersive atmosphere.

AMG Line interior

(Exclusive to the C 300)

The AMG Line interior gives your vehicle visibly and tangibly more sportiness. The multifunction sports steering wheel in nappa leather, which is flattened at the bottom and perforated in the grip area, enhances driving pleasure, as does the AMG sports pedal system in brushed stainless steel.

Ambient lighting

(Available with C 200 and C 220d)

Ambient lighting with indirect lighting offers a unique atmosphere with 64 colors and 10 alternating color themes. Adjust the brightness of the LEDs in 5 levels and 3 dimming zones.

Ambient lighting PLUS

(Exclusive to the C 300)

The ambient lighting with precise, direct lines of light provides the right lighting scene for you in almost any situation with a total of 64 colours. In the 10 colour themes, the colours can also alternate spectacularly. You can adjust the brightness in 5 levels and 4 dimming zones. The ambient lighting plus gives you an almost unlimited scope for lighting schemes and has the right colour in its range for any situation.

Electric and roller sunblinds for the rear seat cabin

The electric sunblind for the rear window and manual roller sunblinds for the rear doors protect against harsh direct sunlight and heat buildup. They ensure that both the driver and rear passengers are not dazzled by the sun while maintaining visibility to the outside. By reducing interior temperatures and glare, they provide a more comfortable environment for a pleasant and eventful journey.

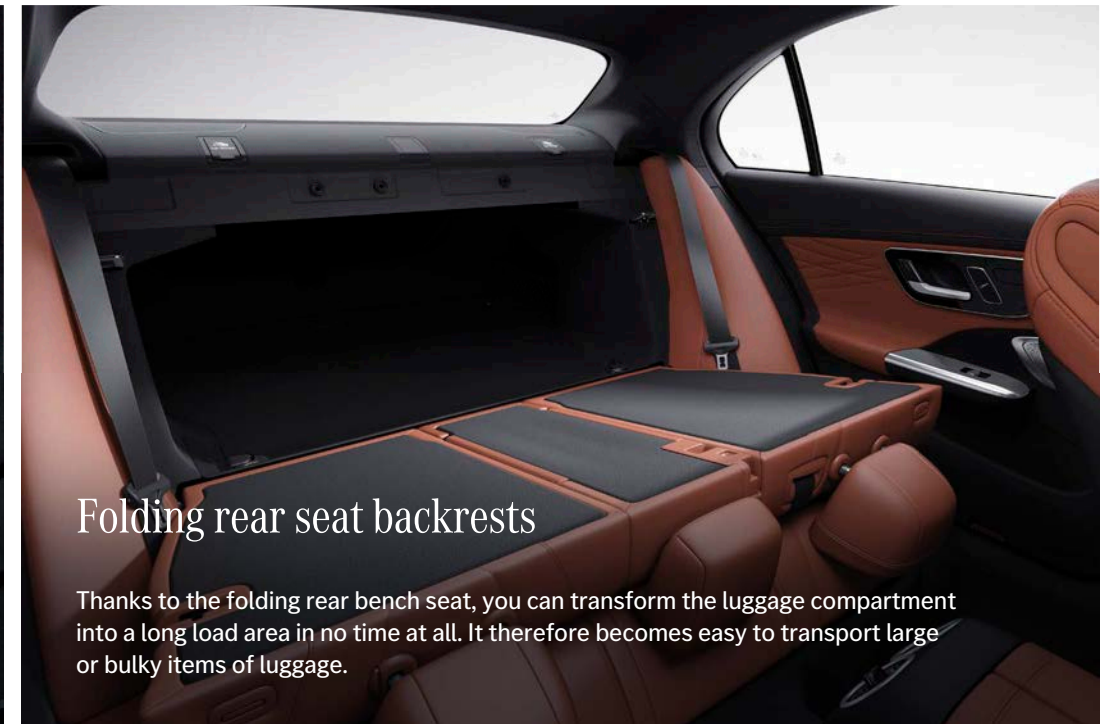

Memory package

Store up to 3 seat positions and call them up conveniently. The system also memorises the position of the steering column, exterior mirrors and head-up display. Simply activate your user profile on the central display and your vehicle will adapt to you.

Wireless charging system

With just a simple hand movement your smartphone is fixed in place in the oddments tray where it is charged wirelessly. Regardless of model and brand, Qi-compatible mobile devices charge wirelessly.

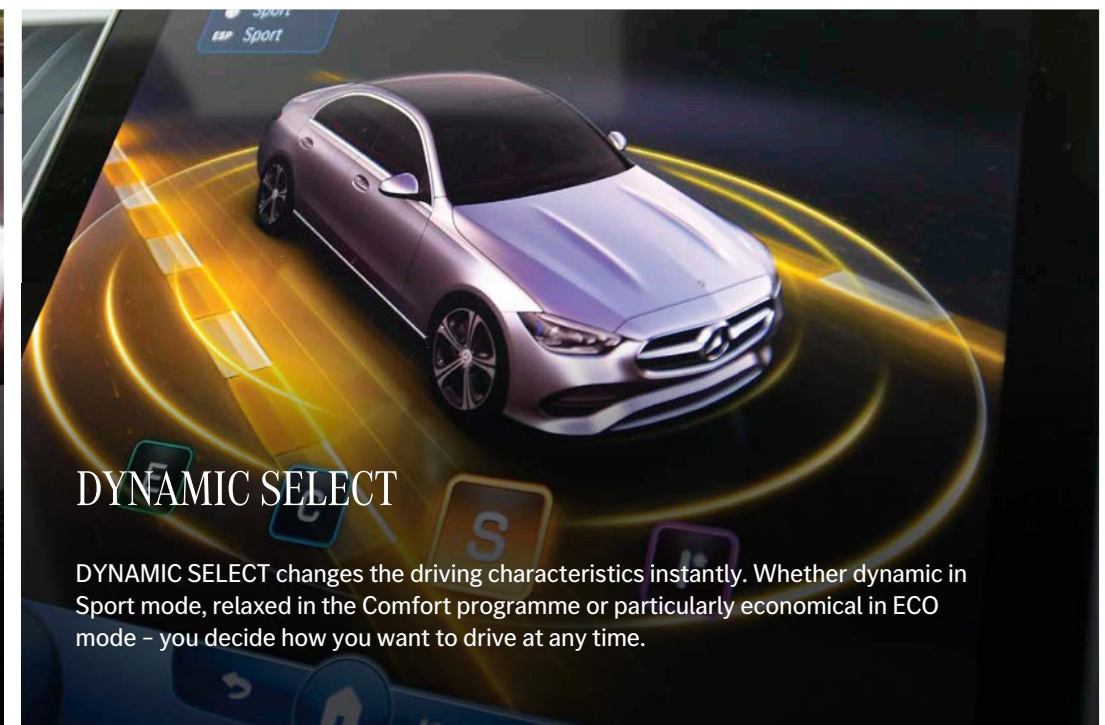

Folding rear seat backrests

Thanks to the folding rear bench seat, you can transform the luggage compartment into a long load area in no time at all. It therefore becomes easy to transport large or bulky items of luggage.

THERMATIC automatic climate control

THERMATIC offers individual climate comfort in 2 zones in the front seats. The driver and front passenger select their temperature separately, while the automatic system and sensitive sensors keep the climate constant – you can always enjoy your personal feel-good temperature without any manual readjustment.

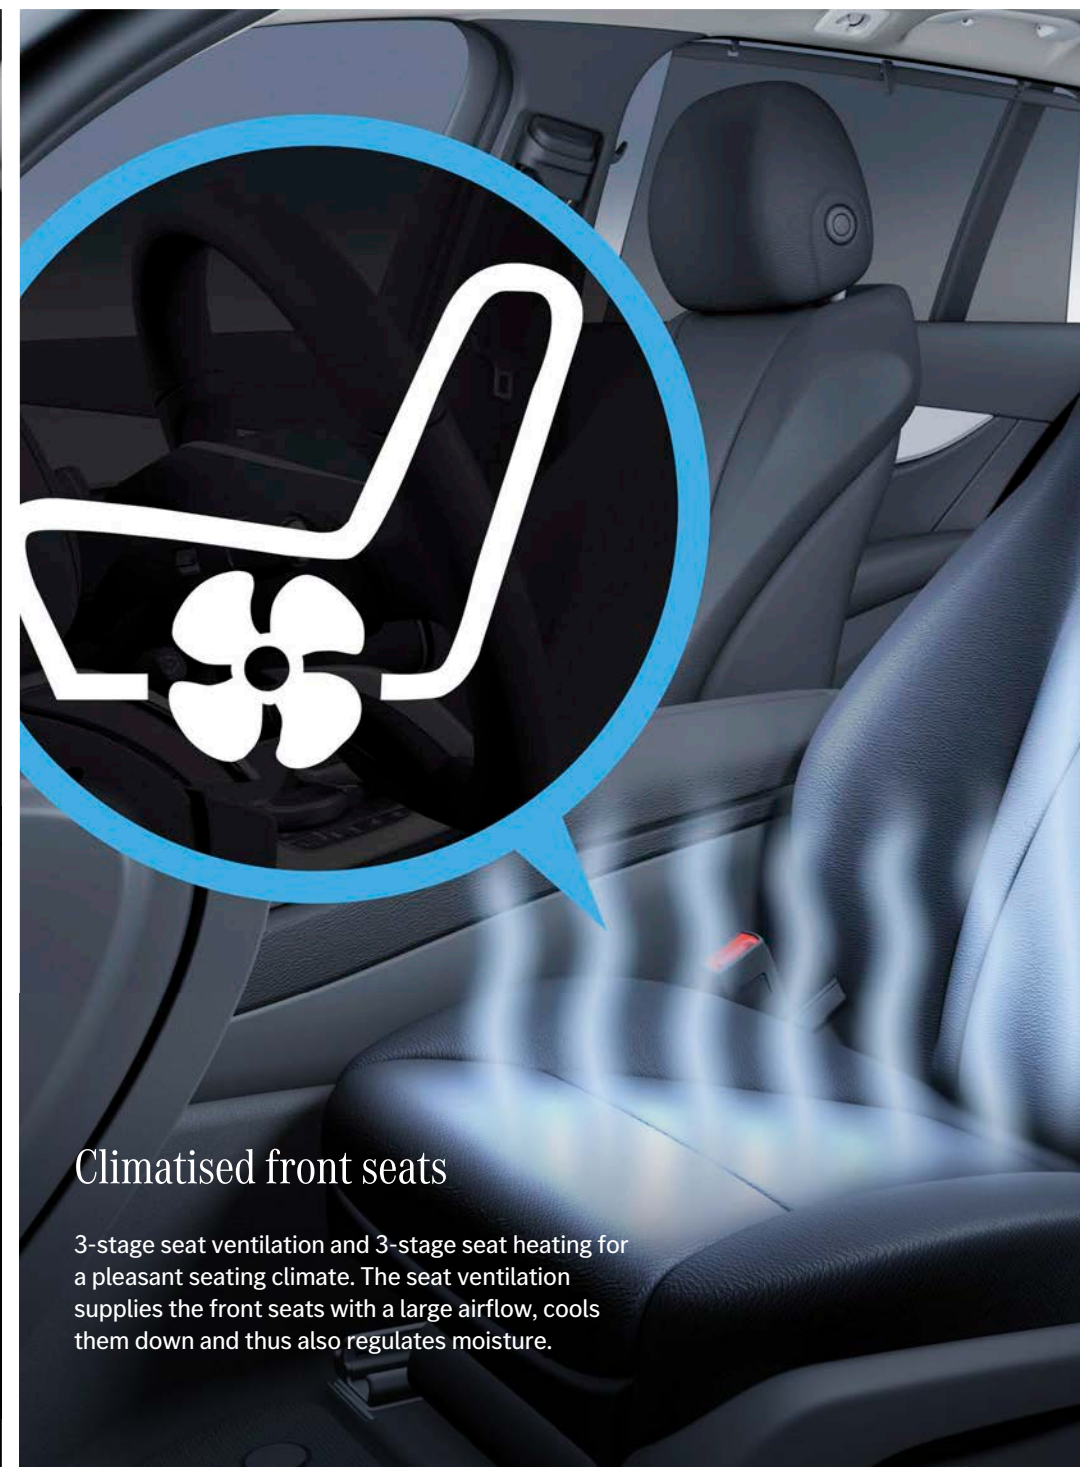

DYNAMIC SELECT

DYNAMIC SELECT changes the driving characteristics instantly. Whether dynamic in Sport mode, relaxed in the Comfort programme or particularly economical in ECO mode – you decide how you want to drive at any time.

Burmester® 3D surround sound system

Experience the legendary Burmester® sound system, a 710-watt masterpiece featuring 15 high-performance loudspeakers, including a subwoofer and specialized speakers for the 3D soundstage. This system utilizes a DSP amplifier with vehicle noise compensation and Dolby Atmos® technology to ensure spatial depth and acoustic clarity. Whether set to Pure or 3D Sound, the customizable soundstage transforms the cabin into a high-fidelity concert hall.

Climatised front seats

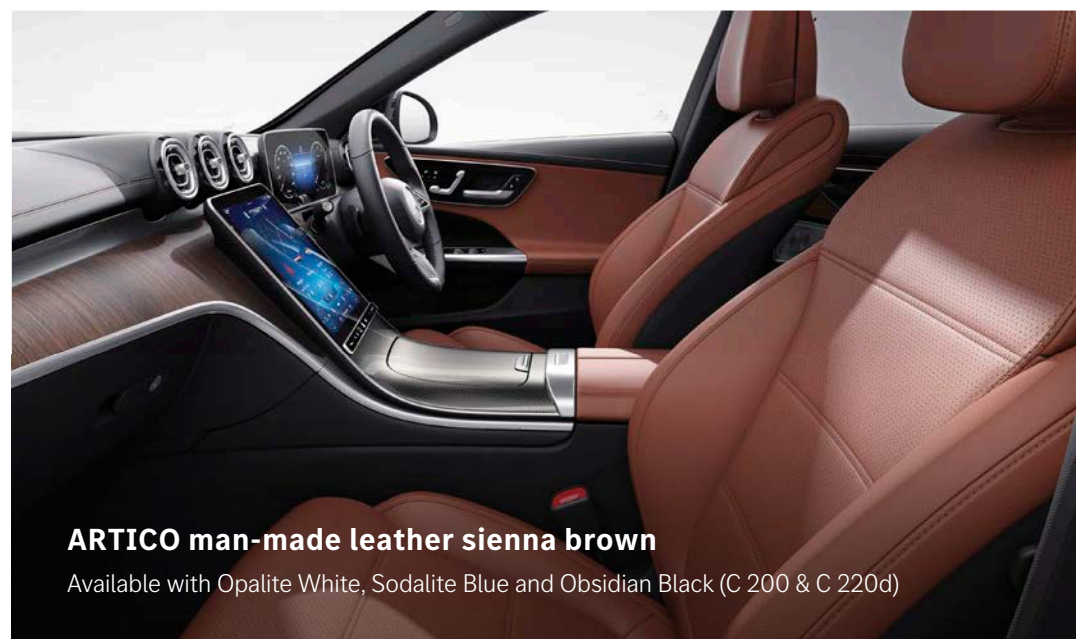

3-stage seat ventilation and 3-stage seat heating for a pleasant seating climate. The seat ventilation supplies the front seats with a large airflow, cools them down and thus also regulates moisture.

THE C-CLASS

ENGINE

HEART OF THE MATTER.

ENGINE

MERCEDES-BENZ

Petrol Engine with ISG Technology

C 200 and C 300 - M254

Tremendous pulling power even at low engine speeds - this is what distinguishes this advanced 4-cylinder petrol engine with mild hybrid and 48-volt on-board electrical system. Among other things, this supplies the integrated starter-alternator which is able to deliver additional torque of up to 205 Nm. Despite its temperament, the engine is fuel-efficient, low in emissions and has pleasantly smooth running characteristics. The C 300's overboost function provides 20 kW (27 hp) of additional output for about 30 seconds in the 190 kW power stage. It can be activated multiple times until the temperature limits are reached.

Diesel Engine with ISG Technology

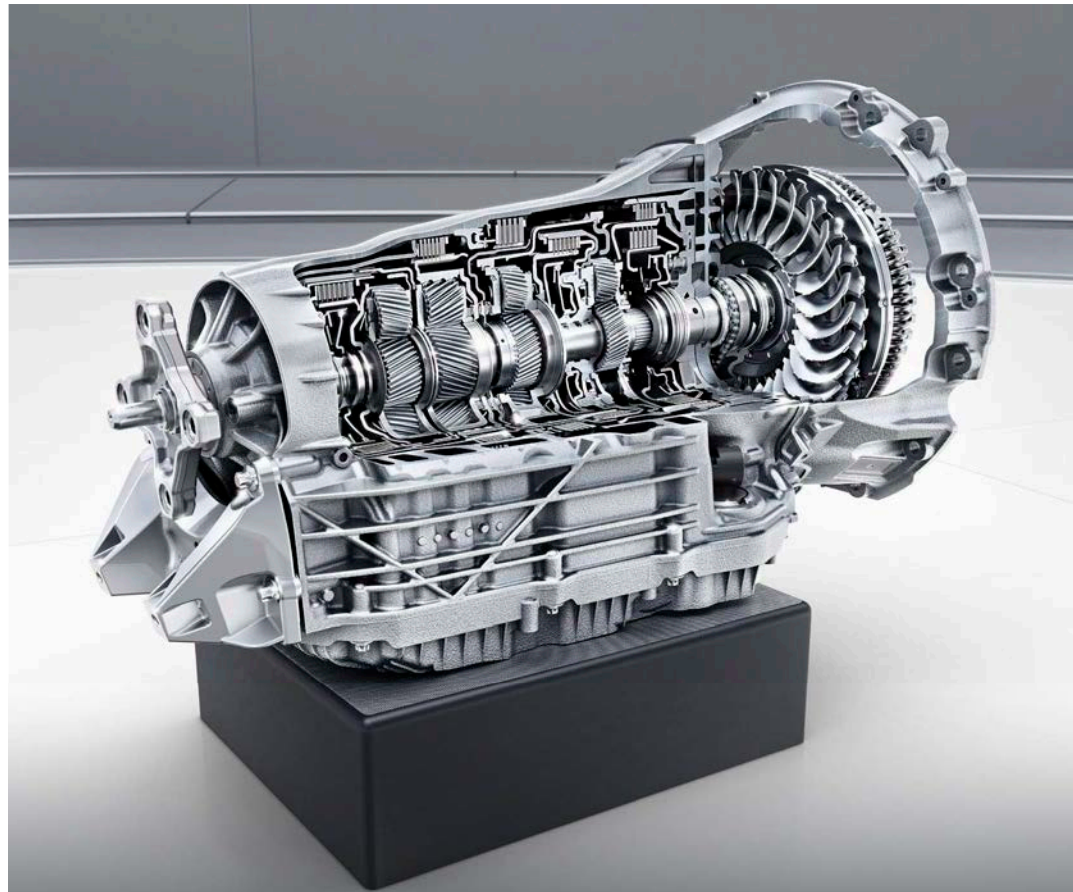

C 220d - OM654M

The 4-cylinder diesel engine with 48 V on-board electrical system gives a lot and needs little. Thanks to the mild hybrid concept with integrated starter-alternator (ISG), boost function and improved injection and turbocharging, power and torque have been further increased. Significantly reduced noise and vibrations bring the level of refinement to that of petrol engines. NANOSLIDE® offers optimal lubrication, reducing friction and enhancing wear resistance. Its hard cylinder contact faces have tiny pores for oil absorption. The rated output of C 220d is 147 kW.

THE C-CLASS

TRANSMISSION

MERCEDES-BENZ

9G-TRONIC

Enjoy pure superiority with every gear change. The 9G-TRONIC automatic transmission takes over the gear changes for you in barely noticeable fashion. Nine gears make low engine speeds possible. This reduces your fuel consumption and ensures a more pleasant noise level.

Comfort suspension

The comfort suspension with selective damping system combines well-balanced ride comfort with excellent handling stability. Thanks to the passive damping system you can enjoy a superior driving experience on any road surface: ride characteristics, damping effect and stabilisation are continually and automatically adjusted to the current road conditions.

THE C-CLASS

TECHNOLOGY

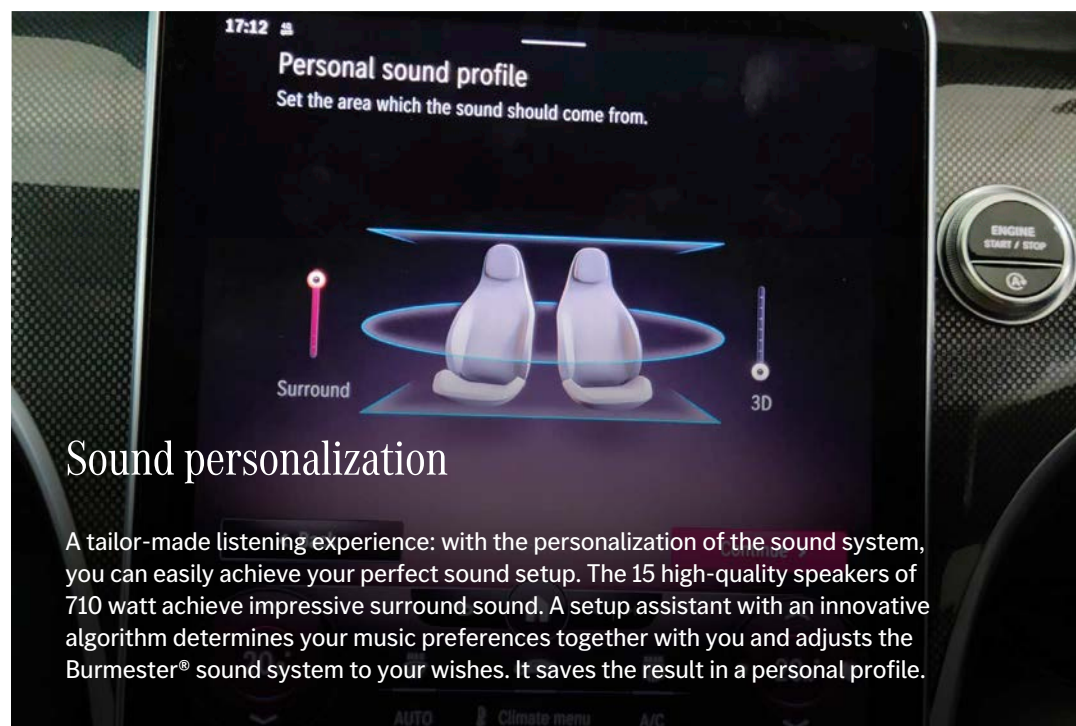

INNOVATIVE AND EFFICIENT.

Latest Generation of MBUX

Experience a new standard of driving with the latest generation of MBUX. Powered by artificial intelligence, the system offers Personalised Routines such as automatically activating seat ventilation when temperatures exceed 40°C. This high-performance suite combines fast hard-disc navigation with MBUX Navigation Premium real-time traffic data, 3D satellite views, and dynamic route guidance. Whether using voice or touch, you stay fully informed and safely connected through an intelligently networked interface that transforms every journey into a visual and functional delight.

Car-to-X Communication

Car-to-X Communication is a cutting-edge vehicle networking system that allows Mercedes-Benz vehicles to communicate with one another and with intelligent infrastructure. Unlike traditional in-car systems that react to immediate surroundings, Car-to-X enables proactive driving by using shared data to alert drivers to upcoming road conditions. This feature acts like an extended set of eyes and ears for your vehicle, helping to create a more informed and responsive driving experience.

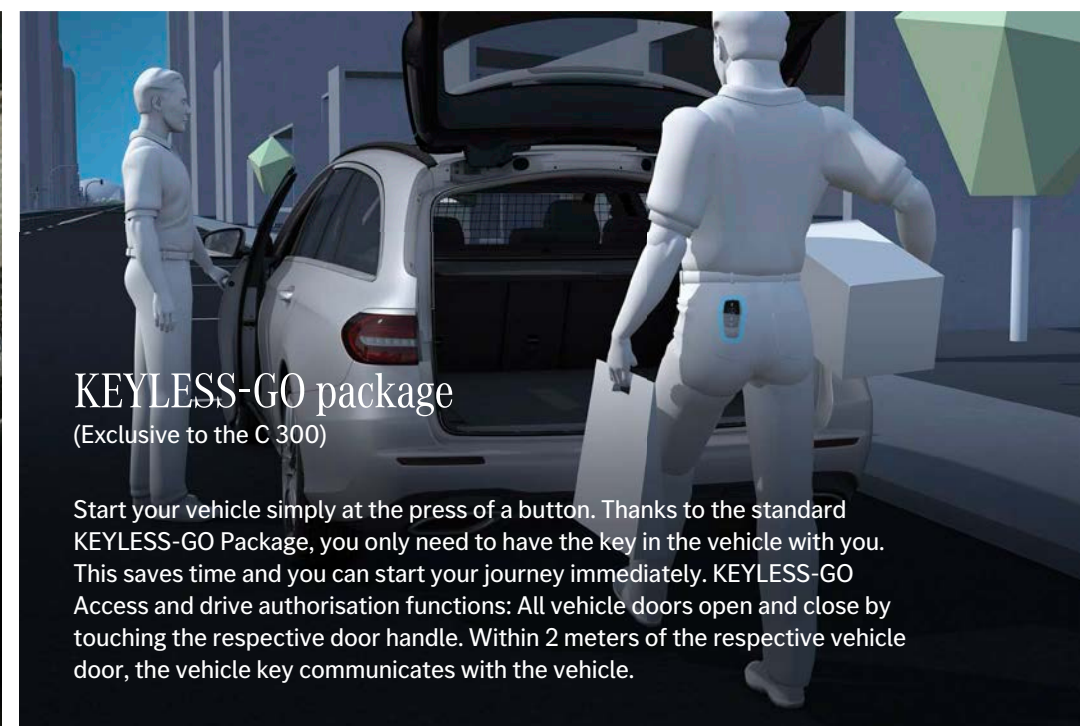

Sound personalization

A tailor-made listening experience: with the personalization of the sound system, you can easily achieve your perfect sound setup. The 15 high-quality speakers of 710 watt achieve impressive surround sound. A setup assistant with an innovative algorithm determines your music preferences together with you and adjusts the Burmester® sound system to your wishes. It saves the result in a personal profile.

Central display

The high-resolution central display captivates with its brilliant picture quality. It's 30.2 cm (11.9 inch) diagonal screen is operated by touch entry with LCD technology. The screen in portrait orientation has a full-area glass cover and is slightly tilted towards the driver, making it easier to operate and read. This format is more clear in particular for navigation maps with a resolution of 1624 x 1728 pixels (width x height).

KEYLESS-GO package

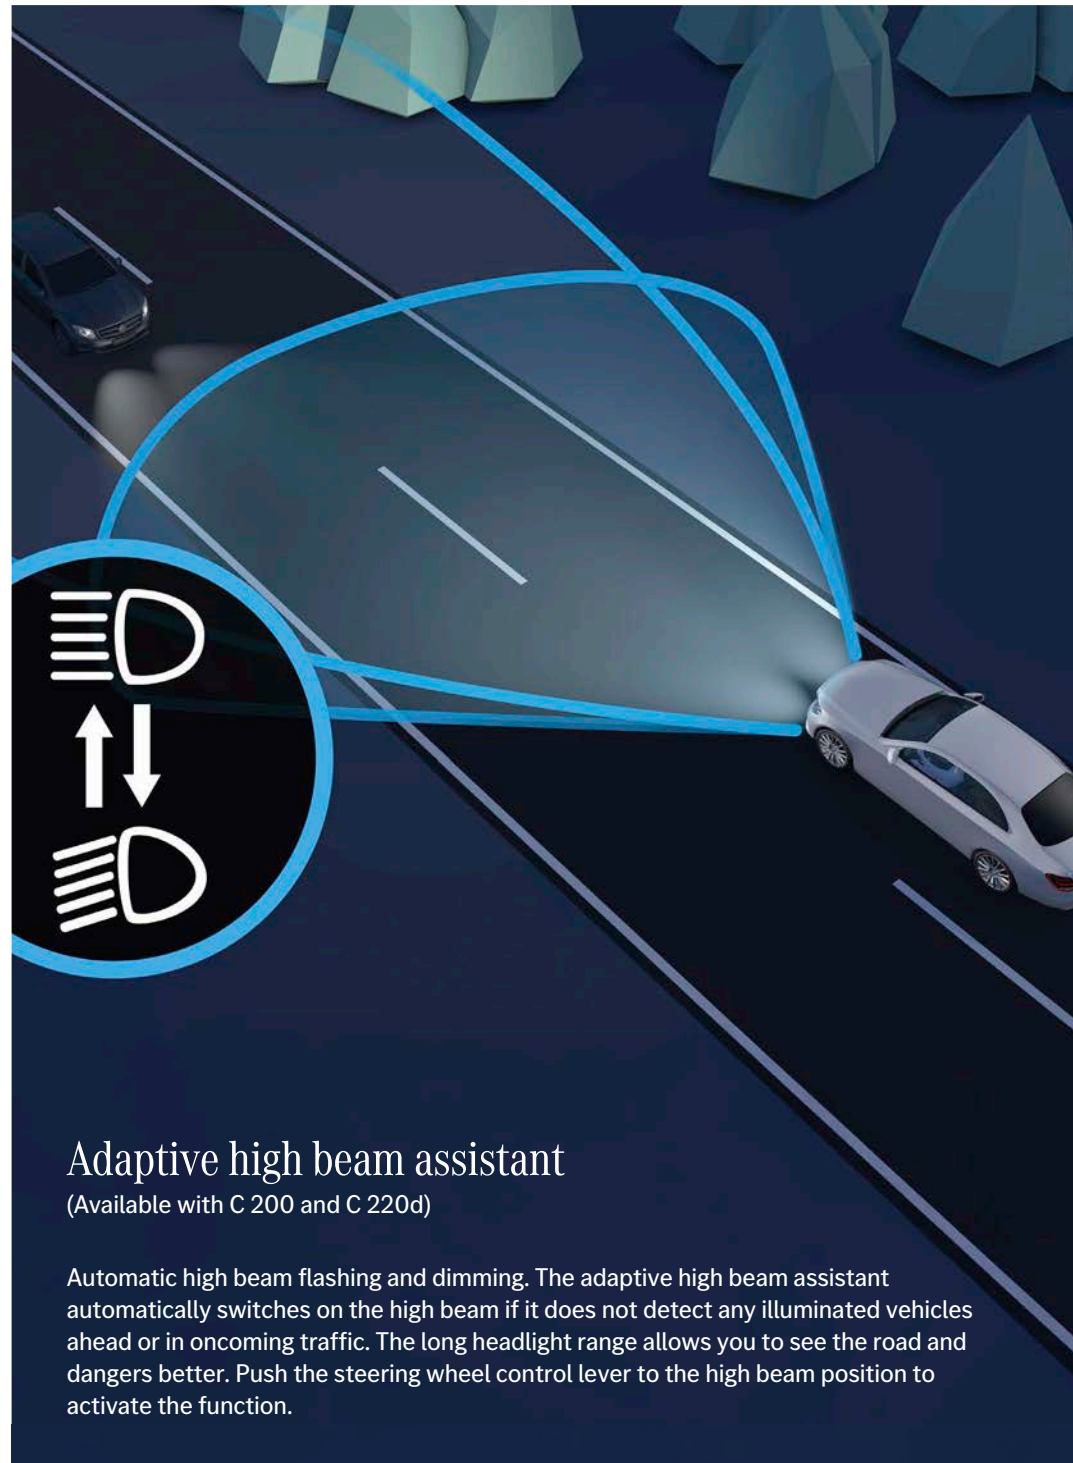

(Exclusive to the C 300)

Start your vehicle simply at the press of a button. Thanks to the standard KEYLESS-GO Package, you only need to have the key in the vehicle with you. This saves time and you can start your journey immediately. KEYLESS-GO Access and drive authorisation functions: All vehicle doors open and close by touching the respective door handle. Within 2 meters of the respective vehicle door, the vehicle key communicates with the vehicle.

Driver display

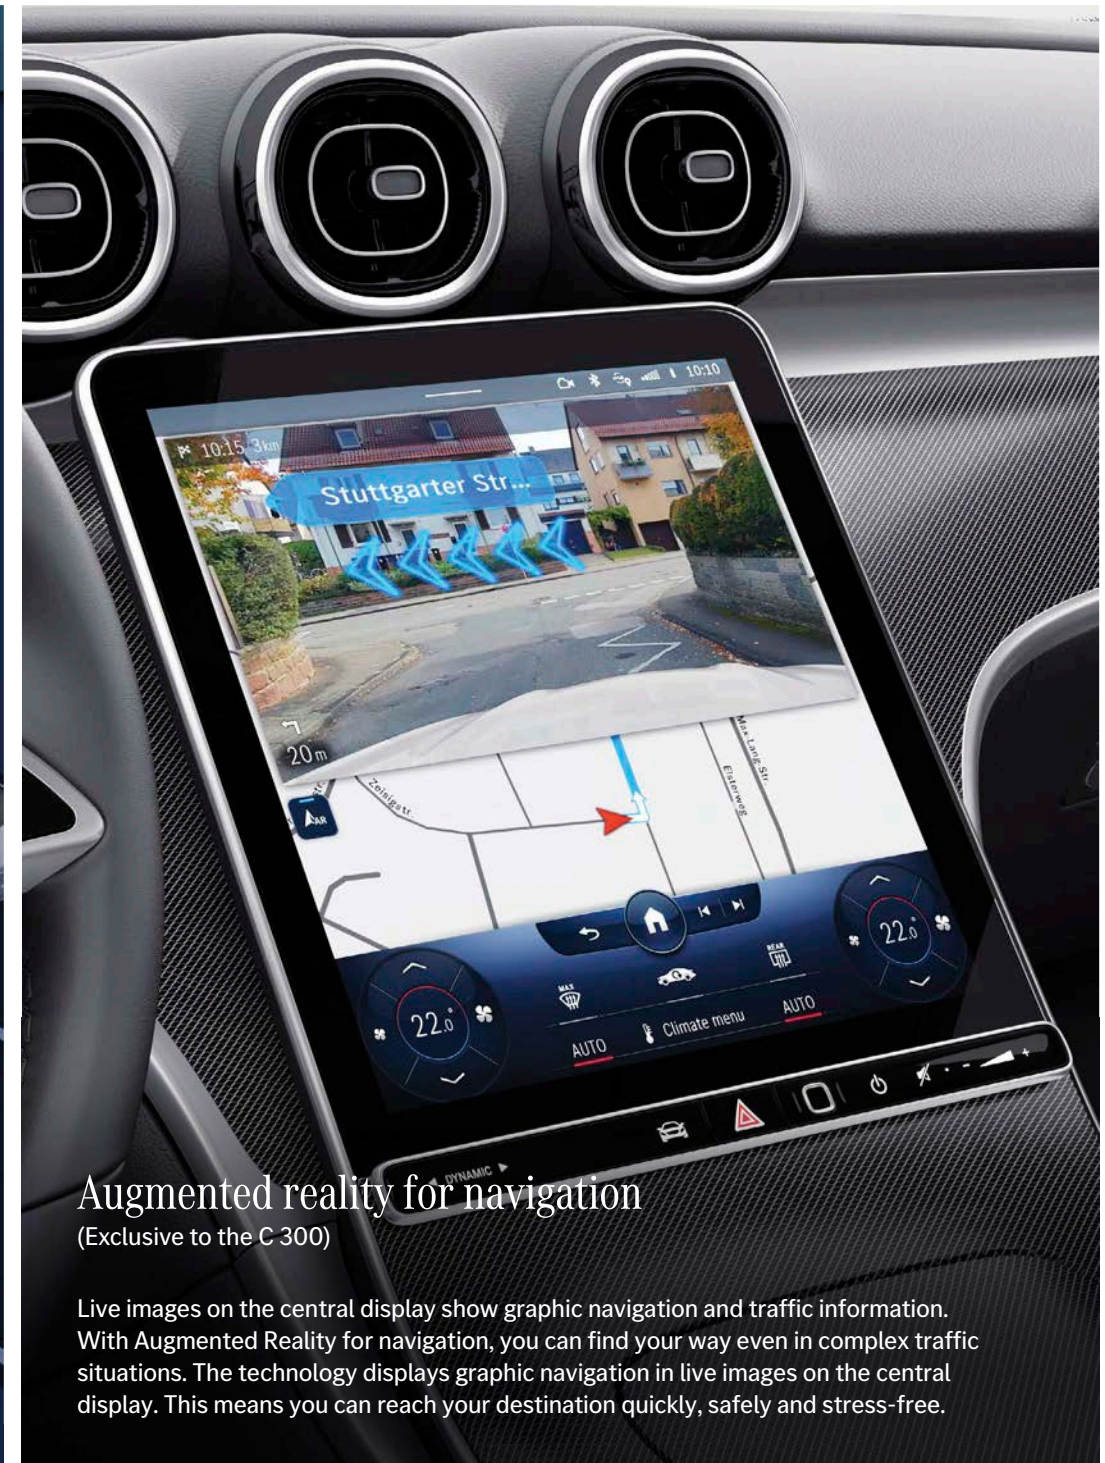

The high-resolution driver display allows you to have an eye on all the desired information in an easy to read format. It's 31.2 cm (12.3 inch) LCD colour display with a resolution of 2,400 x 900 pixels makes you more relaxed while on the road. The high-quality, free-standing display is an important element of the digitised, finely designed interior, which is exemplary for the modern luxury of your Mercedes. It has 7 different settings with specific content and 3 different display styles.

Adaptive high beam assistant

(Available with C 200 and C 220d)

Automatic high beam flashing and dimming. The adaptive high beam assistant automatically switches on the high beam if it does not detect any illuminated vehicles ahead or in oncoming traffic. The long headlight range allows you to see the road and dangers better. Push the steering wheel control lever to the high beam position to activate the function.

Augmented reality for navigation

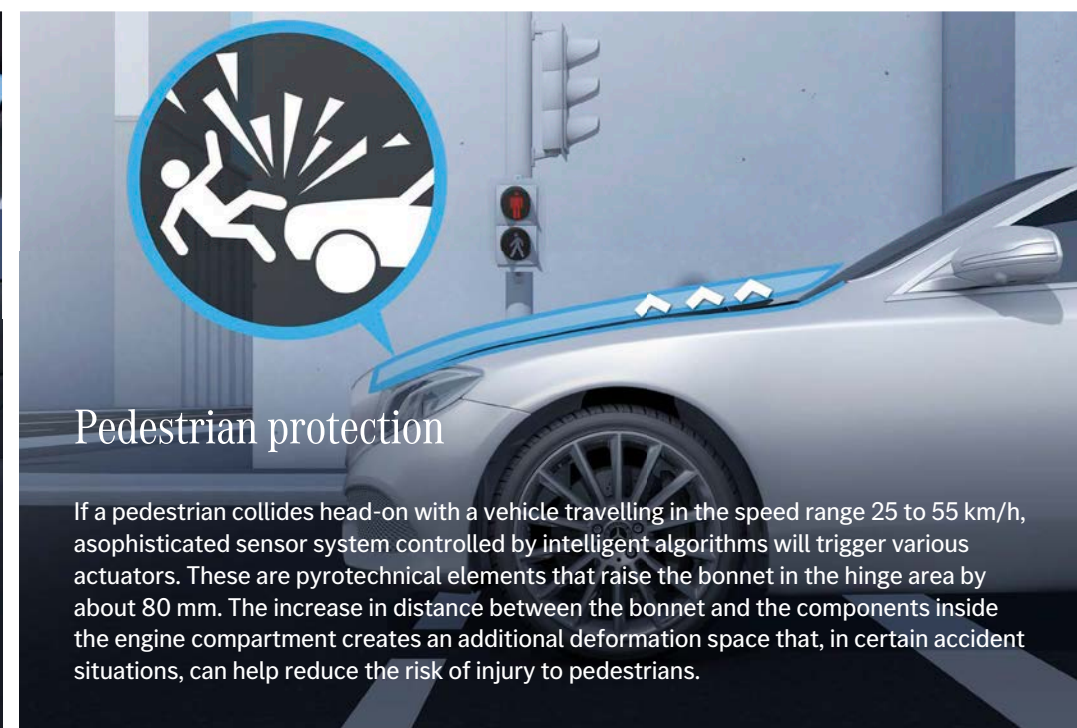

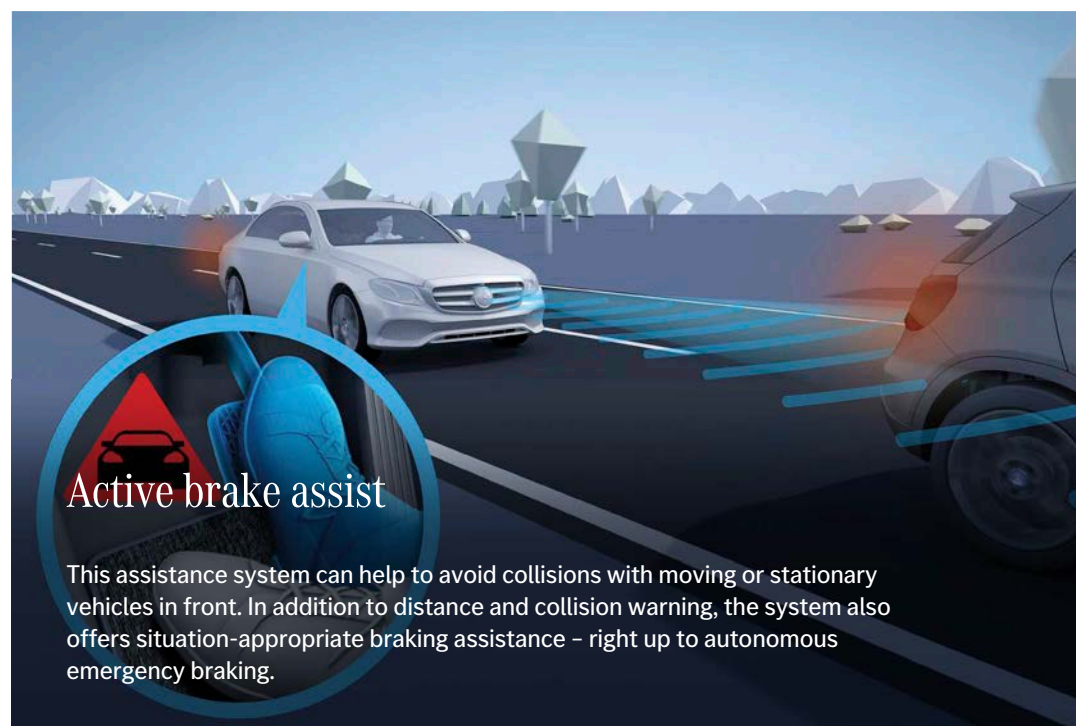

(Exclusive to the C 300)

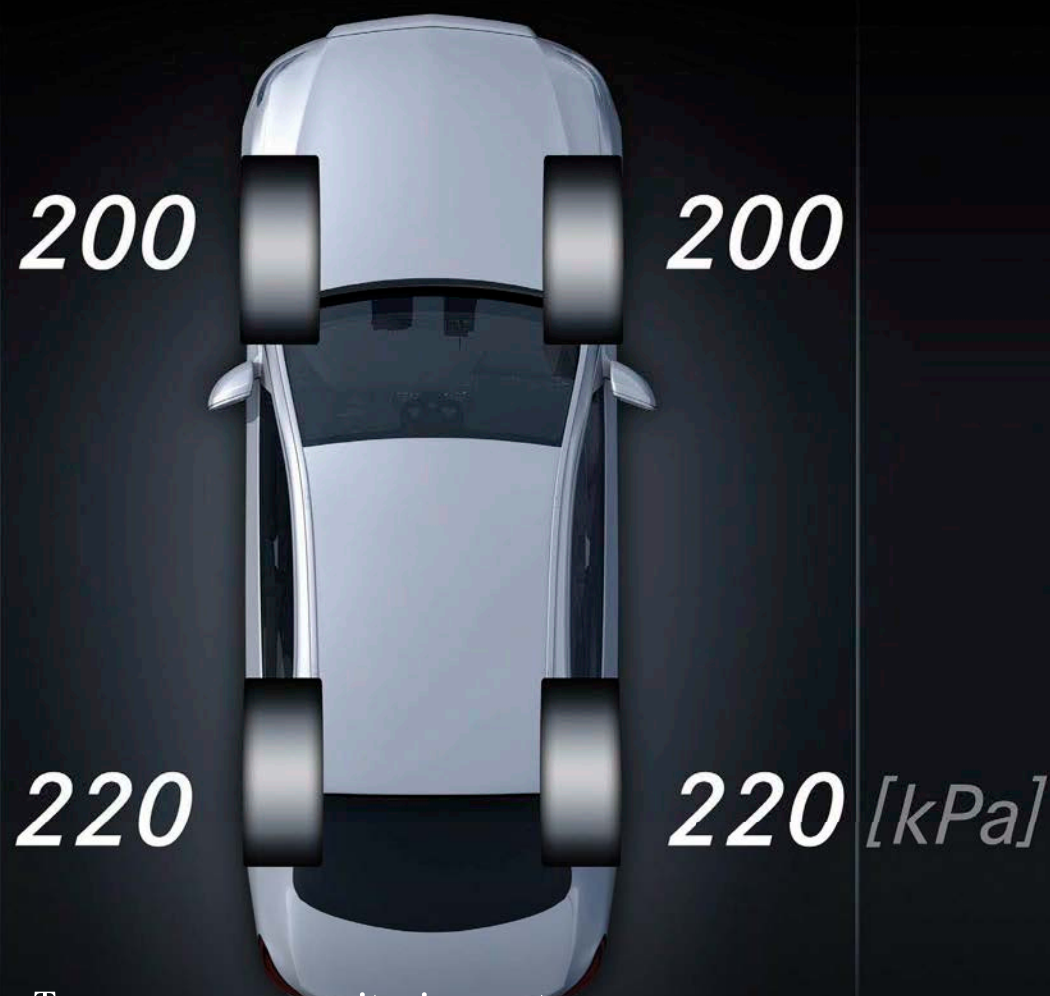

Live images on the central display show graphic navigation and traffic information. With Augmented Reality for navigation, you can find your way even in complex traffic situations. The technology displays graphic navigation in live images on the central display. This means you can reach your destination quickly, safely and stress-free.

SAFETY

REASSURINGLY MERCEDES-BENZ.

Tyre pressure monitoring system

The system monitors the tyre pressure and warns you if the pressure drops. This allows you to react immediately and add air. Underinflation can, for example increase the braking distance and the risk of an accident. A correct tyre pressure also helps in improving tyre mileage.

TIREFIT

(Available with C 200 and C 220d)

With the TIREFIT system, you can easily seal minor tyre damage caused by broken glass or nails. An air compressor blows the sealant into the defective tyre so that you can continue on to the next workshop at up to 80 km/h thanks to this temporary solution.

Parking package with 360° camera

For relaxed parking manoeuvres: Active Parking Assist with PARKTRONIC and 360° camera detects free parking spaces and marked parking spaces as you drive past. After selecting a parking space, you can park with confidence thanks to dynamic visualisation and acoustic feedback – or have the vehicle park for you.

GENUINE ACCESSORIES & COLLECTIONS

Safety & security

Stay protected with a 360° surround dashcam featuring 3-channel recording, seamless loop storage, and intelligent power management.

Exterior enhancement & wheels

Elevate your vehicle's presence with rear spoilers, trim strips, and door handle recesses, crafted to enhance both style and protection. LCD projectors add a distinctive visual signature, while hub caps, valve caps, and a range of alloy wheels complete the look with precision and sophistication.

Interior enhancement

Enhance every drive with precision-fit interior accessories, including velour, ribbed, AMG velour, and all-season floor mats, designed for lasting protection and refined aesthetics. Complementing this is the Rear Seat Entertainment System, offering a comfortable and personalized in-car experience.

Travel essentials

Be prepared for every journey with practical travel solutions including roof box systems, cool boxes, shopping crates, and boot tubs. Additional accessories such as ashtrays, drinks holders, and child seats ensure comfort, safety, and convenience for every passenger.

Collections

Explore our exclusive collections, AMG, Mercedes-Benz, and Young Stars collection, featuring premium lifestyle merchandise like T-shirts, caps, key rings, mugs, and more to showcase your passion beyond the drive.

FINANCIAL FREEDOM FOR YOUR JOURNEY.

Whether you prefer the simplicity of traditional ownership or flexibility of upgrading your car every few years, our financial solutions are designed to suit your lifestyle, to ensure that your experience is seamless just like your drive.

STAR Finance

Offers a seamless solution for straightforward Mercedes-Benz ownership, getting you behind the wheel instantly.

- Choose a repayment period ranging from 12 to 84 months.
- You own the vehicle from the very start of the contract term.
- Know exactly what your repayments are with a consistent, fixed rate.

STAR Agility+

For those who value flexibility, STAR Agility+ offers an Assured Buy-Back Value that guarantees your vehicle's future worth.

- Loan term ranging from 12 to 60 months.
- Annual mileage allowance that reflects your driving needs.
- Lower monthly repayments and the highest residual value.
- Inclusive maintenance and an extended warranty
