#DARKRULES

SHIFT BY WIRE TECHNOLOGY

The Altroz DCA is equipped with Shift by Wire Technology, which eliminates the use of shifter cables. The electronic shifting expedites the time taken between gear shifts to ~ 250 milliseconds per shift. This ensures your driving experience is dynamic and responsive.

SELF-HEALING MECHANISM

Dusty roads put an additional risk on a conventional automatic transmission that hinders performance should dust invade the mechanics. The Altroz DCA takes it a step further than the standard dust filtration with a Self-Healing Mechanism that evacuates dust and debris, preventing it from affecting your driving experience.

ALTROZ | DCA
THE GOLD STANDARD OF AUTOMATICS

AUTO PARK LOCK

The Auto Park Lock adds to the list of reasons why the Altroz is India's Safest Hatchback. The feature automatically activates should the driver exit the vehicle without shifting to Park mode, effectively eliminating the risk of unwanted movement.

Transmission Alert

Shift to Park(P)
to Exit

OK

ODO 6849 km

DRIVER ASSIST FEATURES

The TFT instrument cluster displays the position of the gear lever (P, R, N, D) so that your eyes never leave the road. As an additional layer of safety for the passengers and driver in the car, the instrument cluster also prompts the driver to 'Shift to Park (P)' mode before exiting the vehicle.

DCA

#THEGOLDSTANDARD OF AUTOMATICS

The Altroz DCA (Dual Clutch Automatic) is a Dual Clutch Transmission purpose-built and perfected on a test track called India. At the heart of the Altroz beats an innovative technology, engineered on the foundation of 45 patents. The Altroz DCA can take on every Indian road and extreme weather, while also delivering your driving style the ultimate driving experience. The Altroz DCA is truly the #TheGoldStandard of Automatics, continuing the legacy of pursuing the greatest driving experience.

MADE FOR INDIA

WET CLUTCH WITH ACTIVE COOLING TECHNOLOGY

India is a unique place which poses unique problems for a conventional automatic transmission. The extreme weather conditions and brutal stop-and-go traffic are synonymous with India. The Altroz DCA is equipped with the Wet Clutch with Active Cooling Technology, monitors oil temperatures at 100 times per second and adapts to always give you ultimate performance.

INNOVATIVE DESIGN

The planetary gear system is built on the credibility of 45 patents that form the core mechanics of an innovative technology. The cutting edge technology results in 35% reduction in moving parts, giving you a better shifting experience in a compact package.

PERFECTED FOR THE SCORCHING HEAT OF THAR

MACHINE LEARNING

India is home to a diverse population with different driving styles, and a place with extreme environmental conditions. The Altroz DCA learns your driving style, by utilising a clever algorithm that continuously prioritises performance by adapting the transmission to suit the scenario.

OMG! it's CNG!

iCNG

A CNG car that does not compromise on performance, safety, features or even boot space. The ALTROZ iCNG is so unbelievably advanced and innovative that it'll make you wonder OMG! it's CNG!

OMG! it's **POWERFUL!**

The ALTROZ iCNG powered by a 1.2L Revotron Engine offers incredible performance. The advanced iCNG technology delivers a perfect combination of power and pickup that is bound to make you go OMG! it's CNG!

KEY HIGHLIGHTS OF ALTROZ iCNG PERFORMANCE ARE:

- Superior Power of 73.5 PS in CNG mode
- Torque of 103 Nm in CNG mode
- Easy City Maneuverability
- Effortless Drive in all Terrain

OMG!^{it's} IMPRESSIVE!

The ALTROZ iCNG boasts top-of-the-line features that will make your ride comfortable and luxurious. The features in the ALTROZ iCNG are so impressive that it will make you go OMG! it's CNG!

SOME OF THE PREMIUM FEATURES OFFERED ARE :

LEATHERETTE SEATS

Upgrade your driving experience with premium leatherette seats. Drive in style and luxurious comfort.

AIR PURIFIER

The air you breathe is kept pure and free from pollutants. Thus, keeping you and your loved ones refreshed on every drive.

VOICE-ASSISTED SUNROOF

Experience a world of openness, light, and style when you step into the world of the new ALTROZ iCNG with a voice-assisted sunroof. With just a simple voice command, take control of the sunroof to enjoy the fresh air and sunshine without taking your eyes off the road.

17.78 CM TOUCHSCREEN INFOTAINMENT BY HARMAN™

Enjoy the pleasure of seamless entertainment on the go.

WIRELESS CHARGER

Charge your batteries on the go with a slot that's made to untangle your life.

AUTO HEADLAMPS

Enhance your vision on the road with smart auto headlamps that light up automatically in the dark.

ADDITIONAL FEATURES :

- iRA Connected Car Technology
- R16 Dual Tone Alloy Wheels
- Rear AC Vents
- Rear Seat Armrest
- Height Adjustable Driver Seat

OMG!^{it's} INTELLIGENT!

Intelligent technology that makes driving so seamless that it'll make you say OMG! it's CNG!

SINGLE ADVANCED ECU

For effortless shifting between CNG and petrol mode while maintaining higher fuel efficiency.

AUTO-SWITCH BETWEEN FUELS

Switch to petrol mode automatically, in case of low CNG or vice versa.

MODULAR FUEL FILTER

It requires cartridge changes instead of entire filter replacements, which makes your ALTROZ environment - friendly.

FASTER REFUELING

A special nozzle makes sure that refueling is done quickly and safely.

INNOVATIVE TWIN CYLINDER TECHNOLOGY

What makes the ALTROZ iCNG truly stand apart is the intelligent placement of the twin CNG cylinders below the luggage area that allows for a big boot space unlike any other CNG car.

DIRECT START IN CNG

Quit switching modes manually. Start your vehicle directly in the CNG mode.

OMG!^{it's} SAFE!

The safety features like micro switch, advanced materials, thermal incident protection, and leak detection along with the iconic ALFA Architecture platform that it's built on, make it ultra-safe. Thus, making you go OMG! it's CNG!

IN ADDITION, THE ALTROZ iCNG OFFERS :

- 2 Airbags
- ABS with EBD
- Brake Sway Control
- Corner Stability Control

THE KEY SAFETY FEATURES OF iCNG ARE :

LEAK DETECTION

The iCNG technology immediately detects a gas leak and switches from CNG to petrol mode.

ADVANCED MATERIALS IN iCNG KIT TO PREVENT LEAKAGE

The iCNG kit has been tested across temperatures and pressures to prevent any gas leaks.

FIRE PROTECTION DEVICE

Smartly positioned fire extinguisher placed under the driver's seat makes sure your safety is accessible and easy to reach.

THERMAL INCIDENT PROTECTION

The iCNG technology immediately cuts off CNG supply to the engine in case of a thermal incident and releases gas from the cylinder directly into the atmosphere through a special nozzle as a measure of safety.

MICRO SWITCH TO KEEP THE CAR SWITCHED OFF AT TIME OF REFUELING

The micro switch turns off the ignition as soon as the fuel lid is opened and keeps it off until the lid is securely closed.

GOLD STANDARD OF DESIGN

Laser-cut sharpness | Athletic stance | Sleek profile | Energetic presence | Refined appearance

Inspired by the world of laser carving, the exteriors of the Tata ALTRÖZ exemplify athletic sharpness. Design so sharp, it cuts through the air like a hot knife through butter. Smooth, stylish and sharp.

Black Contrast Roof

Spend twice the time admiring the car while looking at its black contrast roof, and while you do so, don't forget to take a look at every passerby doing the same! Not once, but again and again.

DLO + Comet Shoot Line

The unique diamond-shaped Daylight Opening (DLO) for windows adds brightness to the interior and offers a better view of the surroundings. The Shooting Comet belt won't let the onlookers' gaze fade away.

90°
Opening Doors

Projector Headlamps with Front Fog Lamps and DRLs

Get better visibility at night time with Projector Headlamps. While the Front Fog Lamps illuminate foggy roads, Daytime Running Lights (DRLs) give a signature appearance to the Tata ALTRÖZ.

Piano Black ORVM with Chrome Accent

Electrically adjustable stylish Outside Rear View Mirrors not only offer a very premium and elegant look but makes you want to look back often.

R16 Dual-Tone Alloy Wheels

Onlookers will be left dazzled when your car has laser-cut R16 Dual-Tone Alloy Wheels that add to the athletic side profile and also enhance handling.

Ambient Lighting

A serene blue Ambient Light surrounds the dashboard, front footwell and console to set the mood for a long and peaceful drive.

GOLD STANDARD OF CUSTOMER DELIGHT

Premium | Intelligent | Comfortable | Advanced | Spacious

Step inside and be amazed by the modern, intelligent and tastefully crafted interiors that will make you wish your drive lasts longer.

Front Sliding Arm Rest

Sliding Arm Rest enables the driver to adjust the position and rest their arm on the move. Find additional storage space below the armrest to keep your essentials handy.

Rear Arm Rest

Perceptively placed Rear Arm Rest for the luxury and comfort of the people seated in the backseat.

Rear Flat Floor

Keep your legs at utmost comfort with flat floor in the rear seats and say goodbye to uncomfortable sitting stances.

Voice-activated Electric Sunroof

Experience a world of openness, light and style with the Voice-activated Electric Sunroof. Use voice commands like "Show me the sky" or "Mujhe aasman dikhao" and enjoy the weather in all its glory.

15 Litres Cooled Glove Box

Carry your world wherever you go, with 24 intelligent storage spaces and "largest in the segment" 15 litres cooled glove box.

Height Adjustable Seat

Relax with adjustable driver seat to match the comfort and convenience of every individual. Rest your body as per what it demands without having to compromise in any way.

Rear AC Vents with Rear Power Outlet

Backseat passengers will remain cool and composed at all times courtesy of Rear AC Vents that come with Rear Power Outlet.

GOLD STANDARD OF SAFETY

Assured | Reliable | Dependable

Shift your complete focus on the road and ride carefree without worrying. With 6 Airbags, Electronic Stability Program (ESP) and more, you will be surrounded by a safe guard from all sides.

6 Airbags

6 Airbags help ensure complete and thorough safety for the passengers in case of a collision. The Tata ALTRÖZ has your back with all the safety you need.

E-Call and B-Call

In case of an emergency or breakdown, the Tata ALTRÖZ's advanced E-Call and B-Call systems ensure swift assistance, keeping you safe and secure on the road.

Electronic Stability Program (ESP)

Hill Hold Control | After Impact Braking | Roll Over Mitigation | Corner Stability Control | Panic Brake Alert
The cutting-edge technology of Electronic Stability Program (ESP) constantly monitors the stability and intervenes when necessary to help you maintain control and makes you feel confident when you drive the Tata ALTRÖZ.

Height Adjustable Seatbelts

The road and the wheel deserve your complete attention. Concentrate on what is more important with adjustable seatbelts as per individual requirements for enhanced safety.

ALFA ARC

ALFA ARC

Agile Light Flexible Advanced (ALFA) Architecture, along with energy-absorbing body structure, accounts for the absolute safety of the passengers. The Tata ALTRÖZ has zero tolerance for unwanted surprises and shocks.

Ultrahigh Strength Steel Point

- 3X strength in comparison to regular steel
- Energy absorbing body structure to prevent the passenger cabin from deformation

360° Surround View System (SVS) with Blind View Monitor

Designed to provide a comprehensive view of your surroundings, this cutting-edge feature utilizes multiple cameras positioned around the car to offer a bird's-eye view of the Tata ALTR0Z making it easy for you to park in tight spots.

Charger

Charge your batteries on the go with a slot made to untangle your life.

8 Speakers

Your tunes will never go unheard with strategically placed world-class surround sound speakers for the best acoustic experience, coupled with the infotainment system by Harman™.

Stay connected to your Tata ALTROZ, wherever you are. iRA is a cool new connected tech platform that is in sync with India. It offers a range of innovative features developed in India for India.

VOICE ALERTS

Elevate your driving experience with automated voice alerts. They notify you when the doors are open or the parking brake is engaged among many other alerts, offering a seamless and secure journey.

Wet Clutch with Active Cooling Technology

Tata ALTROZ DCA's Wet Clutch with Active Cooling Technology monitors oil temperature at 100 times per second and adapts to always give you ultimate performance.

Shift by Wire Technology

The Tata ALTROZ DCA is equipped with Shift by Wire Technology, which eliminates the use of shifter cables. The time taken between gear shifts is expedited to 250 milliseconds per shift for a dynamic and responsive experience.

Auto Park Lock

Auto Park Lock automatically activates should the driver exits the vehicle without shifting to Park mode, effectively eliminating the risk of unwanted movement.

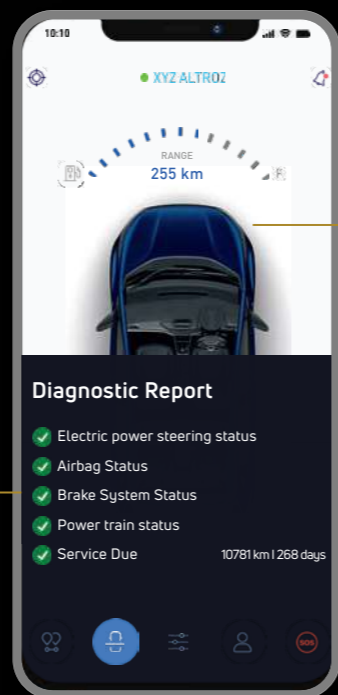

REMOTE COMMANDS

Your ALTROZ controls, now at your fingertips.

- Remote Lock/Unlock
- Remote Horn
- DTE Check
- Remote Lights On/Off

LIVE VEHICLE DIAGNOSIS

With our live vehicle diagnosis, you can plan those long drives better. The features are designed to help you know the condition of your car better. You will also receive a diagnostic report through the app.

LOCATION BASED SERVICES

Stay close to your ALTROZ, even when you're not.

- Geo Fencing
- Valet Mode
- Share Location
- Nearest Service Station
- Roadside Assistance

Machine Learning

The Tata ALTROZ DCA learns your driving style, by utilising Machine Learning algorithm that continuously prioritises performance by adapting the transmission to suit the scenario.

Self-Healing Mechanism

The Tata ALTROZ DCA takes it a step further than the standard dust filtration with a Self-Healing Mechanism that evacuates dust and debris, preventing it from affecting your driving experience.

OMG!^{it's} CNG!

A CNG car that does not compromise on performance, safety, features or even boot space. The Tata ALTROZ iCNG is so unbelievably advanced and innovative that it'll make you wonder OMG! it's CNG!

Innovative Twin Cylinder Technology

The twin CNG cylinders of 60 litres capacity are placed hidden beneath the luggage area for a high on aesthetics and unbelievably huge boot space. The advanced iCNG technology offers incredible petrol car like performance with an unmatched power of 73.5 PS and torque of 103 NM.

1ST IN THE INDUSTRY #

Single Advanced ECU

The iCNG technology uses a single ECU to ensure seamless shifting between CNG and Petrol. Advanced ECU maintains optimum air-fuel ratio to give an incredible performance and high fuel efficiency.

Direct Start in CNG

The iCNG technology allows you to start the vehicle directly in CNG Mode. Now enjoy every drive stress-free, without worrying about switching to CNG mode.

Leak Detection Feature

The iCNG technology automatically switches from CNG to Petrol mode in case of a gas leak and protects the car and passengers from any harm.

Thermal Incident Protection

The iCNG technology immediately cuts off CNG supply to the engine in case of a thermal incident and releases gas from the cylinder directly into the atmosphere through a special nozzle as a measure of safety.

ALTROZ RACER

FASTEST* INDIAN HATCHBACK

Get the unique Racer's thrill as you steer through open roads in this spacious cockpit.
Exquisitely crafted, every inch of the interior is sure to leave you wanting for more.

VARIANT WALK
