SAFARI

#ReclaimYourLife

You've become so good at going on
that you've forgotten how to go off.

You've become so good at running
that you've forgotten how to stop.

You've become so good at following the calendar,
you've forgotten there's no such thing as a calendar.

There's no such thing as a week.

It's all made up.

Because the roads don't know what day it is.

The hills don't know that it's the middle of the week.

The sunrise doesn't care that it's not the weekend.

Today doesn't care it's a Monday.

Today wants you to start living.
