Terms and Conditions apply. Above mentioned features are key differentiating features. For the detailed list of features/specifications, please visit or contact your nearest dealer. Colour applicability will vary for variants/personas and editions. Images and illustrations are indicative and for information purposes only. Not all features/specifications are available in all personas, and they may vary. Specifications/features are subject to change without prior information. The product image may carry some accessories that are not part of standard equipment. All values pertaining to boot space are measured as per the VDA method in Litres. Please consult an authorised Tata.Cars dealer for the latest information on features/specifications. Colours may not match the actual colours due to printing/digital limitations. JBL™ , Android Auto™, Apple CarPlay™, Alexa™, Harman™, are trademarks of their respective owners. SOS (E-Call/B-Call) emergency call and breakdown call services are available in select cities; please connect with your nearest dealer for more details. Voice commands are a mix of multiple languages. Advanced Driver Assistance System (ADAS) is not a substitute for the human eye and driver vigilance; it is a driver assist system that enhances driving experience and safety. Adaptive Cruise Control, Intelligent Speed Assist and Advance Steering Assist with lane centring are available in 6AT and 7DCA only. Intelligent Speed Assist is available in "Accomplished+" only. Tinted glass and number plates shown are for creative visualisation. For airbags to function as intended, do not use non-genuine seat covers. Smartphone, smartwatch and charging cable are not part of vehicle accessories. 1 year of iRA 2.0 connected car services from the date of activation. § Front row only. $ SmartPause – Intelligent Smart Stop (ISS) available in 1.5L NA Revotron Petrol engine only. * 6AT and 7DCA only. ** 1.5L NA Revotron MT and DCA carry 17" alloy wheels on Adventure+ L and Accomplished. 18" and 19" alloy wheels are available on 1.5L TGDi Hyperion and 1.5L Kryojet only. Please refer to the Wheel Type Applicability table. ^ HypAR HUD with multicolour guides available in "Accomplished" only. [2] Warranty cover for 3 years/1,00,000 km, whichever ends earlier. [3] Drive modes available on 1.5L TGDi Hyperion Petrol engine and 1.5L Kryojet Diesel engine only. [4] Boot space measured as per the VDA method. [5] The 360° HD SVS function is designed to enhance driver awareness and provide a better view of the vehicle's surroundings. However, it is not a substitute for careful driving and should be used in conjunction with other safety features and driver judgment. Drivers should be aware of the technology's limitations and remain responsible for the safe operation of the vehicle. [6] The navigation system is powered by Mappls Auto. Users are responsible for making their own decisions about safe driving and navigation based on their own judgment, awareness of their surroundings and choice of navigation method. Services are subject to interruption or limitation due to various factors. Tata.Cars disclaims any warranties, express or implied, relating to the accuracy, completeness or reliability of products or services offered by Mappls Auto.

Address: Tata Motors Passenger Vehicles Limited, 4th Floor, Ahura Centre, Mahakali Caves Road, MIDC, Andheri (East), Mumbai – 400093.

TATA SIERRA

escape mediocre

It opened minds to the art of dreaming.

It redefined what owning a car could mean -

bold, aspirational, unforgettable.

Sierra was not just driven.

It was admired. Desired. It was extraordinary.

Now, the legend returns.

Reimagined for a new era.

Sharper in design.

Richer in detail.

More iconic than ever.

For those who've arrived.

And now seek to arrive differently.

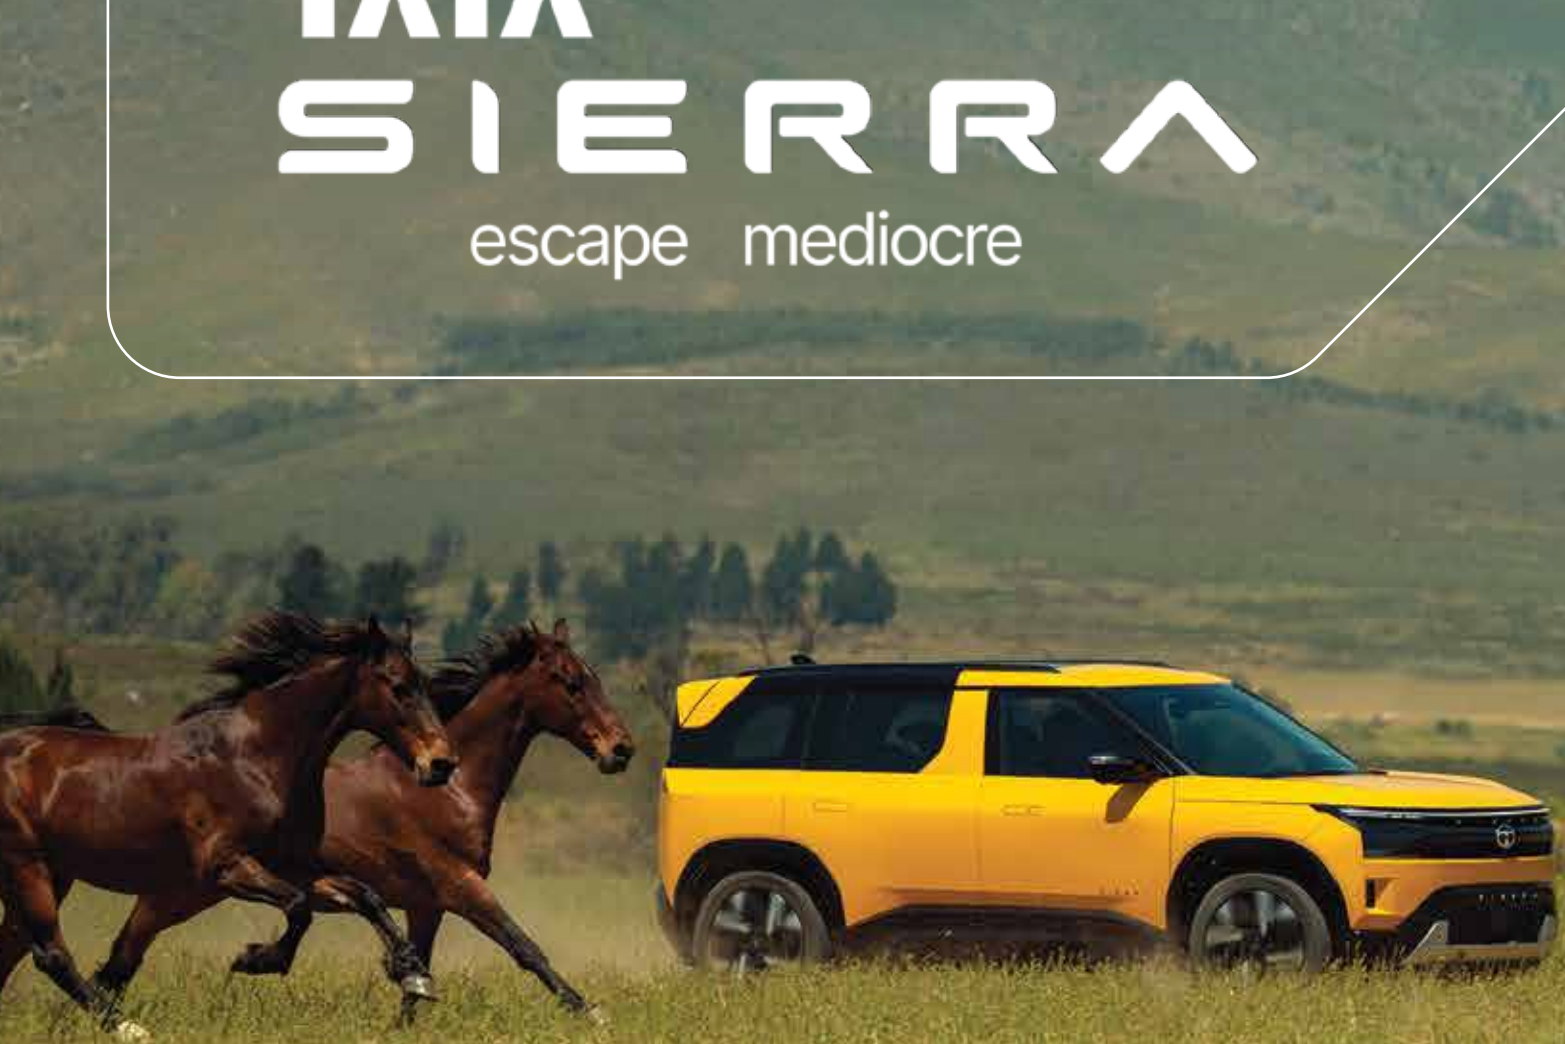

For those who refuse to blend in -

because they've earned the freedom not to.

TATA

SIERRA

escape mediocre

reddot winner 2025

When design dares to escape the ordinary, the world takes notice

The most prestigious design competition, Red Dot, awarded Sierra for its bold and ground-breaking design. Since 1955, Red Dot has set global benchmarks in design and innovation. This year, an international jury unanimously crowned Sierra with this distinction, outshining global rivals.

It stands as the first car in India to be recognised by Red Dot, an iconic feat by an SUV that redefines what's possible.

escape ordinary

EXTERIOR

FRONT FOG LAMP WITH CORNERING FUNCTION
Lights up every turn, giving you total clarity around every bend

NIGHT SABER BI-LED BOOSTER HEADLAMP
Bright. Focused. Ready to take on the night

LIGHT SABER LED DRLS WITH WELCOME & GOODBYE
Welcomes you in style, and signs off just as confidently

HIDDEN REAR WIPER WITH WASHER

Stays out of sight, clears your view when you need it

LIGHT SABER LED TAIL LAMP

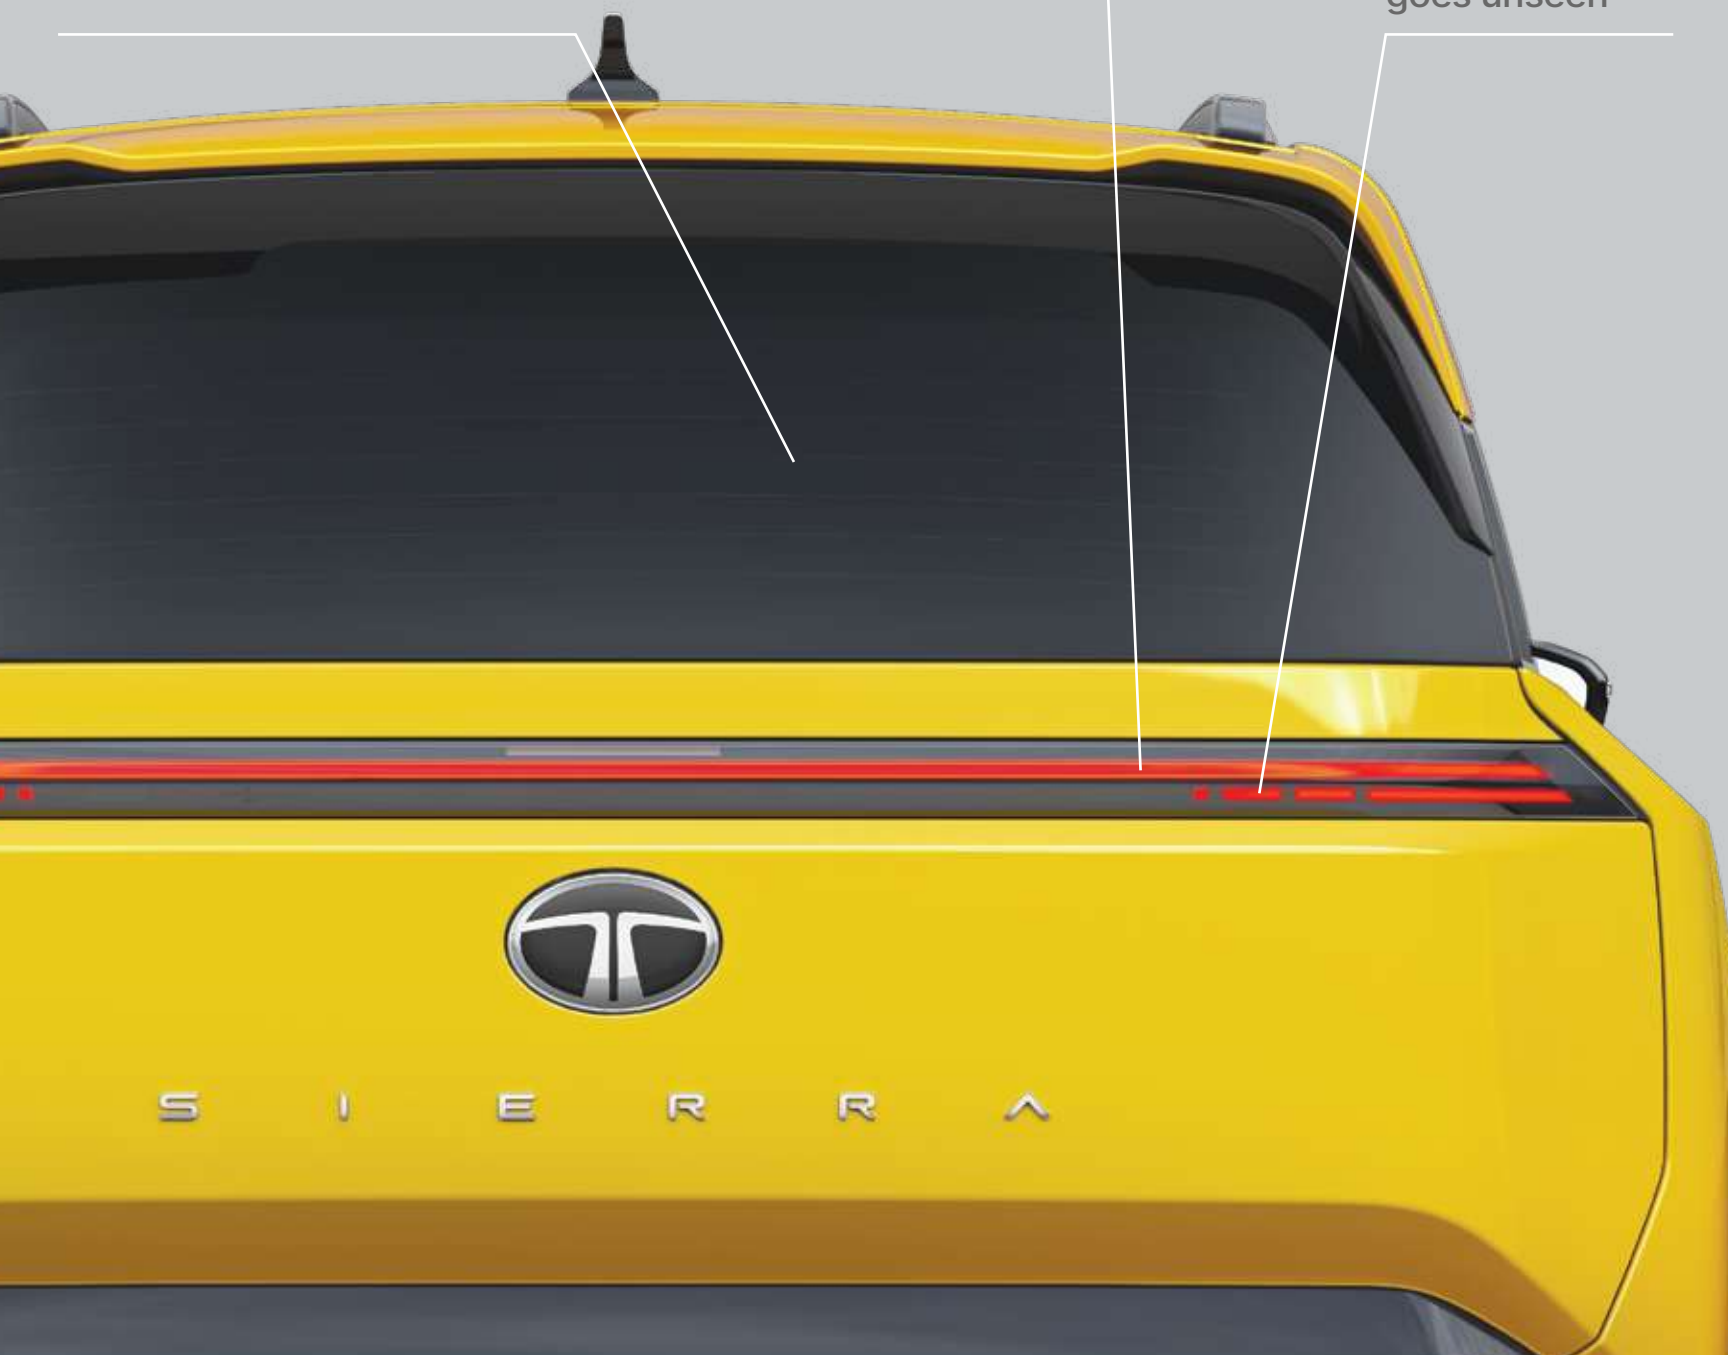

A sleek LED signature that's impossible to miss

REAR DEFOGGER

Clears mist and condensation quickly, so your rear view stays sharp and unobstructed

REAR FOG LAMP

Cut through fog and low visibility, ensuring nothing goes unseen

FLUSH DOOR HANDLES WITH WELCOME LIGHTS

They don’t stick out. They stand out

R19 ALLOY WHEELS

Big, bold, and planted. Built to rule every road

INTERIOR

PERSONA THEMED INTERIORS

Different moods one space. Built to let you escape into comfort

TILT AND TELESCOPIC STEERING WHEEL

Tilt and Telescopic Steering Wheel Adjusts to your height and reach, so every drive feels naturally in control

PANORAMAX

Segment's largest sunroof with expansive windows to create an open, uplifting lounge feel

HORIZON VIEW TRIPLE SCREEN INFOTAINMENT EXPERIENCE

Break past the basic. Three screens, one immersive experience. Stay in command of every escape

ESCAPE CHAOS

Theater Pro

WARRANTY[2]

Terms and Conditions apply. Above mentioned features are key differentiating features. For the detailed list of features/specifications, please visit or contact your nearest dealer. Colour applicability will vary for variants/personas and editions. Images and illustrations are indicative and for information purposes only. Not all features/specifications are available in all personas, and they may vary. Specifications/features are subject to change without prior information. The product image may carry some accessories that are not part of standard equipment. All values pertaining to boot space are measured as per the VDA method in Litres. Please consult an authorised Tata.Cars dealer for the latest information on features/specifications. Colours may not match the actual colours due to printing/digital limitations. JBL™ , Android Auto™, Apple CarPlay™, Alexa™, Harman™, are trademarks of their respective owners.SOS (E-Call/B-Call) emergency call and breakdown call services are available in select cities; please connect with your nearest dealer for more details. Voice commands are a mix of multiple languages. Advanced Driver Assistance System (ADAS) is not a substitute for the human eye and driver vigilance; it is a driver assist system that enhances driving experience and safety. Adaptive Cruise Control, Intelligent Speed Assist and Advance Steering Assist with lane centring are available in 6AT and 7DCA only. Intelligent Speed Assist is available in "Accomplished+" only.Tinted glass and number plates shown are for creative visualisation. For airbags to function as intended, do not use non-genuine seat covers. Smartphone, smartwatch and charging cable are not part of vehicle accessories. 1 year of iRA 2.0 connected car services from the date of activation.◊ Spare wheel not available in "Smart+" and "Smart+ L".§ Front row only.$ SmartPause – Intelligent Smart Stop (ISS) available in 1.5L NA Revotron Petrol engine only.* 6AT and 7DCA only.** 1.5L NA Revotron MT and DCA carry 17" alloy wheels on Adventure+, Adventure+ L and Accomplished. 18" and 19" alloy wheels are available on 1.5L TGDi Hyperion and 1.5L Kryojet only. Please refer to the Wheel Type Applicability table.^ HypAR HUD with multicolour guides available in "Accomplished" only. ØApplicable only for Pure+L and Adventure+L in Legend series. [1]Puncture repair kit available only in "Smart+" and "Smart+ L".[2] Warranty cover for 3 years / 1,00,000 km, whichever ends earlier.[3] Drive modes available on 1.5L TGDi Hyperion Petrol engine and 1.5L Kryojet Diesel engine only.[4] Boot space measured as per the VDA method.[5] The 360° HD SVS function is designed to enhance driver awareness and provide a better view of the vehicle's surroundings. However, it is not a substitute for careful driving and should be used in conjunction with other safety features and driver judgment. Drivers should be aware of the technology's limitations and remain responsible for the safe operation of the vehicle.[6] The navigation system is powered by Mappls Auto. Users are responsible for making their own decisions about safe driving and navigation based on their own judgment, awareness of their surroundings and choice of navigation method. Services are subject to interruption or limitation due to various factors. Tata.Cars disclaims any warranties, express or implied, relating to the accuracy, completeness or reliability of products or services offered by Mappls Auto.
