TOYOTA

MY NEW HY

INNOVA HyCross

Self-Charging Hybrid Electric Vehicle

The Toyota Innova needs no introduction. It's the most-loved family car of India for over 17 years. Conquering the hearts, minds and roads across the nation, the Innova is today not just India's No.1 family car, but a national pride. It's an icon and a living legend that has spearheaded innovation, won numerous accolades, but isn't satisfied with resting on its laurels. Always delighting people with its comfort, spaciousness and reliability since its introduction in 2005, the Innova is now levelling-up from legendary to an all-new HY.

The beginning of a new HY

17 years ago, we started a journey.

We built a legacy on the joy of families.

Became a household name by conquering hearts.

Proving everyday, there's only one.

But there comes a time when change is inevitable.

Rewriting the rule books of convention,

we set the order higher than ever before.

The most-loved family car of India is all geared-up

to unleash an abundance of HY experiences for you.

THE INNOVA HYCROSS

MY NEW HY OF STYLE

The Innova HyCross has elevated its design to a new HY. Developed on the concept of Innovative Multipurpose Crossover (IMX) the Innova HyCross offers the presence and poise of a SUV along with the spaciousness of a MPV.

The muscular SUV stance and stature of the Innova HyCross is accentuated by its glamorous yet tough Front Grille and a raised Bonnet Line heralding a new era. The remarkable Tri-eye LED Headlamps with Dual Function DRLs and Super Chrome Metallic Alloy Wheels underline its sophisticated look.

Not only the frontage, the Innova HyCross is crafted with strong character lines and fender flares to amplify the SUV presence from any angle. The surface emitting LED Tail Lamps, the Rear Roof Spoiler and the Chrome Belt Line provide a distinctive signature to the Innova HyCross.

Curved Tailgate with Strong Shoulder Lines

MY NEW HY OF COMFORT

The Innova HyCross attains a new HY when it comes to comfort. The first-in-segment Quilted Leather Powered Ottoman Seats and Panoramic Sunroof with Mood Lighting take comfort notches higher. Add to that Ventilated Front Row Seats and the Multi-Zone AC with which you get to set two different temperatures for the front and rear passengers. It lets you indulge in coziness and comfort that is out of this world. Moreover, the 9 Speaker JBL System (Including Subwoofer) will immerse you in an ambience of sonic sensory bliss like no other.

Advanced connected features like Remote Vehicle Ignition, Smartwatch Connectivity, Stolen Vehicle Tracker, Find My Car, Remote Windows, Trunk Close and the like takes convenience to a new HY while empowering you to take control of almost every aspect of the car remotely.

MY NEW HY OF PERFORMANCE

The Innova HyCross is a powerhouse of performance. Not surprising, as it's propelled by the latest 2.0 Litre Toyota New Global Architecture (TNGA) Petrol Engine and a Hybrid Electric Motor based on the most advanced 5th Generation Self-charging Hybrid Electric Technology.

Moreover, the evolution to a Monocoque Frame has further enhanced driving perfomance and comfort along with achieving best-in-class efficiency of 22.16 km/l for the new Innova HyCross Hybrid.*

The sophisticated Paddle Shifters and Drive Modes let you enjoy the pure, refined performance at a whole new HY. The Innova HyCross also comes with an option of a Gasoline Powertrain coupled with Direct Shift CVT on select variants. This makes for an exhilarating and economical drive showcasing class-leading fuel economy of 16.13 kmpl.*

* Fuel Efficiency as Certified by Test Agency under Rule 115 of CMVR, 1989 under standard test conditions, Actual Mileage on Road may vary.

The Innova HyCross is a beacon of sustainability and eco-consciousness thanks to its Self-charging Hybrid Electric Technology and refined 2.0L TNGA engine. Reducing emissions and carbon footprint as well as the use of fossil fuels, it protects the environment, creating a cleaner, greener and healthier future for generations to come.

MY NEW HY OF SAFETY

With the Innova HyCross, we have taken safety to a new HY using TOYOTA SAFETY SENSE™ (TSS). Because, at Toyota, nothing is above your safety and well-being. Dynamic Radar Cruise Control, Lane Trace Assist, Blind Spot Monitor, Rear Cross Traffic Alert, Pre-Collision System (Warning) and the like ensure an exceptional first line of safety.*

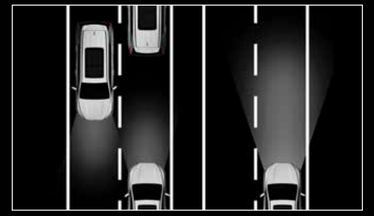

Armoured with 6 SRS Airbags, they provide the second line of safety offering the ultimate level of security for you and your loved ones. What's more? Even parking and braking have achieved a new HY of safety with Front and Rear Parking Sensors as well as Rear Disc Brakes and Electronic Parking Brakes.

*The driver is always responsible for paying attention to the vehicle surroundings & driving safely as there are limitations to degree of recognition & controlling performance that this system can provide.
