Hustle Mode On

Bold Dynamic German-engineered

The feature-packed new Volkswagen Taigun. Built for those with an appetite for more. Its bold design complements those who're raring to leave their mark on the world. Its dynamic performance fuels their desire to win. And the German-engineered precision lets them hustle hard, day in day out. For the resilient dreamers. The unapologetic doers. The inextinguishable livewires. Presenting an SUVW, that hustles as hard as them.

Bold Mode On

Commanding exterior

At first sight, you know the Taigun means business. Vibrant, charismatic and dressed to hustle, it turns heads at every corner, as you and the Taigun, blaze your own path. Leading with a bold 3D chrome step grille, it lets you make a power move, even as it stands still. The muscular elevated bonnet lets you tower above the naysayers. The stunning LED headlamps shine a light on the road ahead, while the Taigun's signature chrome wing marks its distinguished presence.

Muscular elevated bonnet | 3D Chrome step grille | LED headlamps with DRL | Front chrome wing | Front silver diffuser

The side profile of the Taigun is as athletic as it is elegant. The dual shoulder lines provide a sharp definition across the sides, as the sporty Manila alloy wheels leave a lasting impression as they spin by.

The Taigun lets you hold the world's attention, long after you've passed them by. The first-in-segment* Infinity LED tail lamps run seamlessly from edge to edge, creating the impression of an endless beam of light. The silver diffuser amplifies the raised stance giving it a strong SUVW character. And finally, the stylish new Volkswagen logo captures the bold attitude of the Taigun.

Premium interiors

Once inside, the Taigun sets the mood for your hustle, with its sporty ambient lighting. The dual-tone premium interiors are designed by and for those with an eye for detail. The carbon finish complements the sporty look, while the massive boot space lets you accommodate a lot more in your everyday hustle.

Dual-tone premium interiors | Sporty red ambient lighting

The Taigun is designed keeping in mind both your comfort and convenience. The ergonomically designed seats with bolsters and the efficiently designed rear floor tunnel, make for spacious and comfortable seating for passengers. While the rear armrest with cup holder, rear AC vents and charging points make every journey easy and effortless.

Available in Performance line: GT and GT Plus variants

385 litre practical boot space

Spacious and comfortable

The Taigun's massive boot space, with an impressive 385 litre capacity, helps you pack more into your daily hustle. The folding rear seat with 60:40 split creates a world of convenience by making space for both passengers and luggage. The front armrest adds comfort to every ride, while the bottle holder and storage on all doors ensure you never run out of space. The Taigun's storage design takes into account the little details like the phone holder, key holder and coin holder, so that you keep your focus on the big picture. The cooled glove box keeps your food and drinks cool and makes your hustle as comfortable as possible.

Dynamic Mode On

Powerful performance

The thrill of the hustle is in the chase of perfection. With Volkswagen's revolutionary TSI engine at its heart, the Taigun makes for a fun to drive yet highly efficient SUVW. Available in the Dynamic Line with 1.0L TSI, designed to deliver instant power with minimum consumption, and Performance Line, with the 1.5L TSI EVO with Active Cylinder Management (ACT) - providing power on demand with maximum efficiency. With three different transmission options in 6-speed manual, 6-speed automatic and 7-speed DSG, the Taigun lets you pick the best combination and set the pace for every chase.

MQB A0 IN

Making India's very own SUVW

The Taigun is Volkswagen's first ever SUVW to be entirely made in India using the MQB A0 IN platform.

The MQB A0 IN platform, which is designed to meet the new emission requirements for India, enables the production of different cars on one line which results in synergy across the Volkswagen group. It's a localised platform that ensures cost efficiencies and enhanced safety, making it possible for more people to bring home the Taigun.

With the help of the advanced MQB A0 IN platform – the Taigun is able to retain the German-engineered Volkswagen DNA while being prepared to take on the hustle of Indian roads.

Dynamic Line

TSI or Turbocharged Stratified Injection is a perfect combination of unabashed power and thoughtful efficiency - TSI has become synonymous with Volkswagen.

The 1.0L TSI engine, available in 6-speed manual and automatic transmission options, generates a max power of 115 PS (85 kW) @ 5000-5500 rpm and max torque of 178 Nm @ 1750-4500 rpm.

The Taigun's TSI engine is at the heart of everything that powers your hustle, ensuring not just high torque and minimal fuel consumption but ultimate driver enjoyment.

Performance Line

1.5L TSI EVO engine with ACT
150 PS (110 kW) @5000 - 6000 rpm
250 Nm @ 1600 - 3500 rpm

7-speed DSG

The GT is more than just a badge, it's a mark of respect that has to be earned. Through its thoughtful engineering focussed on providing the most fun-to-drive experience along with its sporty design, the Taigun Performance Line takes the legacy of the GT one step forward. With its 1.5L TSI EVO, with active cylinder management technology, mated to either a 6-speed manual transmission or a 7-speed DSG transmission, driving this SUVW is a different experience altogether.

The manual transmission is an amazing combination of fun to drive and efficient, thanks to its high gear spread. While the Direct Shift Gearbox (DSG) with dual clutch system is the highest level of gearbox driving experience. Known for its quick and smooth gear shift without any loss of torque, it offers a sporty edge and a superior driving experience. This dynamic performance is complemented by design elements like the alu pedals, GT badge on the grille, rear and the front fender. The GT has many more highlights that enhance its sporty appeal such as the red ambient lighting, red brake callipers and dual tone exteriors with a carbon steel grey roof. The performance theme is carried into the interiors with the 'Soul' leatherette upholstery with Wild Cherry Red stitching that puts a plush cherry on the cake of the ultimate SUVW that is the Taigun GT.

Introducing Taigun GT Edge

Introducing Taigun GT Edge Collection

Presenting an exclusive way to hustle with the Volkswagen Taigun GT Edge. Experience the unlimited performance of the Taigun GT Plus in two exclusive new shades - Deep Black Pearl and Carbon Steel Grey Matte. Available with 6-speed manual or 7-speed DSG transmission options mated to the 1.5 TSI EVO engine, the Taigun GT Edge is the perfect combination of style and performance.

Deep Black Pearl

Carbon Steel Grey Matte

Tech Mode On

20.32 cm Digital cockpit

In sync with the hustle

When it comes to technology, the Taigun helps you stay one step ahead in the hustle. The largest-in-segment 20.32 cm digital cockpit has a slick yet user-friendly interface which shares data that gives you insights into your driving. Intuitive and advanced, you can customize your digital cockpit as you select between analog and digital formats.

25.65 cm VW Play touchscreen infotainment

The 25.65 cm VW Play touchscreen infotainment comes equipped with features including Wireless AppConnect that lets you sync your devices directly with the Taigun via Android Auto™ or Apple Carplay™, built in apps like Gaana™, Booking.com™ and Sygic™ navigation. Its ergonomic placement also ensures your eyes stay on the road and it even serves as a display for the rear camera and sensors.

While the wireless mobile charging lets you replenish your mobile's battery, free from the hassle of wires. Giving you a true wireless experience that ensures you're always charged for the hustle.

Wireless mobile charging | Type C USB socket

Offline Navi maps

The Sygic™ navigation makes sure you always find your way to your destination. And the type-C USB sockets ensure modern charging ports, so you never miss a second of the hustle. While the premium, 6-speaker sound system gives you unmatched acoustics ensuring your hustle always has a soundtrack to match.

Premium 6 speaker sound system

My Volkswagen Connect

Connect to your Taigun, from anywhere

3-year free subscription

Introducing My Volkswagen Connect. Our distinct connectivity solution that gives you unparalleled access to your Taigun, through your smartphone. Stay updated with its location at all times. Find what's nearby, starting from parking to fuel stations. Get real time reports and save your information on the cloud. Access it anytime you like. Stay on top of the hustle with My Volkswagen Connect.

My Volkswagen Connect

Get the best of safety, convenience and performance to make your time with Volkswagen that much more enjoyable.

Never get lost with it:

Get real time location of your car from wherever you are. Find out where to park it. Then find out where you parked it. And then find a way to walk to it.

Be possessive:

Get notified every time your car goes out of an area or at a time that you haven't permitted it to. In fact, get notified even when it stays idle for longer than you want it to.

Never leave your car:

Get a detailed report of how efficiently your car was driven, kilometres travelled, halt locations and average travel speed, and get notified if someone goes over the speed limit. Then get it all logged in. From wherever you are.

Never be alarmed:

The anti-theft alarm system sends notification straight to your phone anytime someone tows it away.

Check up on your car:

Record Service history of your car, generate real-time analysis of its health, and get easy access to Volkswagen Roadside Assistance services in case of an emergency.

Fuel the journey:

Find out where the closest fuel stations are on your way. Then keep a log of where it was filled, how many times, and at what cost.

Know your car:

Get all your vehicle's real-time information, including the battery level, coolant temperature, engine RPM, ignition status, vehicle speed.

Electric sunroof

Smart Mode On

Intuitive and thoughtful

The Taigun is designed to help you play smart to stay ahead in the hustle. KESSY (Keyless Entry Start and Stop System) lets you kickstart everyday hustle, with just the push of a button. The multi-function steering wheel allows you stay on top of everything, giving you controls for the infotainment system, digital cockpit as well as cruise control and voice command. The electric sunroof opens up the Taigun to the world, letting the sun shine on you as you hustle to the top.

KESSY - Keyless Entry, Start and Stop System

Ventilated front seats-in Topline variants only

Smart response

The auto headlights respond intuitively to the light outside. The intelligent rain sensing wipers come on automatically in case of downpours. The Smart Touch Climatronic AC intuitively adjusts the car's temperature with just your touch. The ventilated seats are specially designed for the Indian climate, to keep you cool as you hustle your way through extreme conditions.

Smart touch Climatronic auto AC

Safe Mode On

India's Safest SUVW Designed to protect

As part of Volkswagen's long-standing commitment to safety, the Taigun has been awarded a prestigious 5-star Global NCAP safety rating. A reflection of the uncompromising standards that make a Volkswagen, safe like a Volkswagen.

With trustworthy and reliable German-engineering at its heart, the Taigun's strong body shell keeps you secure. Along with up to 6 airbags which ensure safety in the event of a critical crash and ESC (Electronic Stability Control), which detects critical situations and prevents skidding to bring the SUVW safely under your control.

ESC (Electronic Stability Control) - as standard

Park distance control and rear-view camera

ISOFIX child seat mount

Multi-collision brakes on the other hand prevent follow-on collisions, intuitively reducing the risk of personal injury.

Hill hold control prevents your car from rolling back on slopes. The 3-point seatbelts in the rear and ISOFIX mounts for child seat, ensure that the Taigun is always safe and secure for all occupants.

40+ safety features

- ESC (Electronic Stability Control)
- Hill hold control
- Multi-collision brakes
- Tire pressure deflation warning
- LED daytime running lights
- Driver airbag
- Passenger airbag
- Front side airbags
- Curtain airbags
- All seats with 3-point seat belts
- Seat belt reminder (driver and co-driver)
- 5 headrest (for all passengers)
- Height adjustable driver seat
- ISOFIX child seat preparation, rear 2x
- Central locking
- Speed sensing door lock
- High mounted stop lamp
- Driver side pinch guard
- Parking sensors (rear)
- Reversing camera
- Day and night inner rear view mirror
- Lane change indicator
- EDL - Electronic Differential Lock
- HBB - Hydraulic Brake Boosters
- Reflector sticker inside doors

- Front fog lamps
- Static cornering light
- Rear defogger
- Rear wiper and washer
- Immobilizer
- Emergency door locking / unlocking
- Crash warning signal
- Impact absorbing body components
- Side impact protection beam in doors
- Speed alert system
- Child lock on rear door
- Rain sensor
- Light sensor
- Reflector in rear bumper
- Manual coming / leaving home lights
- Auto coming / leaving home lights
- Headlamp flasher
- Hazard lights
- Braking light with high-mounted stop lamp
- Parking side indicator lights
- Brake disc wiping
