OPTIONS

ROOF TYPE

Sliding panoramic roof	A full-size sliding panoramic tinted glass roof, designed to provide abundant light and space, plus high solar protection. An electric sunblind extends for extra shade or privacy.
------------------------	---

ROOF RAILS

Black roof rails	<p>Roof rails facilitate easy fitment of cross bars for roof carrying. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics.</p> <p>Maximum payload is 100kg. Maximum payload equals the load capacity of the roof mounted accessory.</p> <p>Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.</p>
------------------	--

EXTERIOR LIGHTING

Matrix LED headlights with signature DRL	The Matrix LED headlights with Signature DRL enable an Adaptive Driving Beam. By splitting the main beam into vertical strips, the adaptive beam maximises the number of high beam sections for ultimate visibility, while casting a shadow over oncoming traffic to help to prevent dazzling. The adaptive beam is also able to optimise the light distribution to suit the driving conditions of town, country, motorway or bad weather.
--	--

SIGNATURE GRAPHIC

Signature graphic (with interior storage)	Defender's signature graphic demonstrating its strength and proportions. Also includes interior storage.
---	--

FOG LIGHTS

Front fog lights	Full LED front fog lights seamlessly integrate with your vehicle, combining style and functionality.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 22/23 model year specifications**. Features, options, trim and colour schemes may differ from many images. Customers are urged to consult their local Retailer for detailed 22/23 model year specifications and to not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local Retailer for local availability and prices.
