

THE ALL NEW
GRAND CHEROKEE
THE LEGACY LIVES ON

Jeep

THE ORIGINAL
— SINCE —
1941

A STORY THAT HAS STOOD THE TEST OF TIME.

From a brand that became a globally recognised name during WWII, to now becoming synonymous with adventure for explorers the world over, Jeep has created an inimitable legacy for itself over the last eighty years. Its core values of freedom, adventure, passion, and authenticity are imbibed in every Jeep SUV since 1941. These values have defined the lifestyle of every Jeep owner, enriching their lives with extraordinary journeys.

WHAT MAKES A LEGACY TIMELESS?

Five generations crafted over thirty years. Seven million owners around the world. It is the ultimate luxury off-roading SUV and remains the most awarded one ever. That's what creates a legacy, and makes it timeless.

The all-new Grand Cherokee is testament that an SUV's story is made ever-lasting only when it never stops competing with itself, reinventing and recreating, to set new standards of luxury and capability.

When driving the all-new Grand Cherokee, know that it carries along with it, magnificence and off-roading prowess that's made history before and will shape the future of every adventure life brings.

A LEGACY OF GRANDEUR.

A look of pure luxury, inside and out. Its bold stance and premium LED headlights add to its elegance. On the inside, it is craftsmanship at its best. The all-new Grand Cherokee exudes luxury and uniqueness from every angle and yet, stays true to its legendary predecessors.

THE LOOK OF LUXURY

The all-new Grand Cherokee features a unique front and rear fascia with a new grille design and badging along with the signature Jeep seven-slot grille that remains an iconic symbol recognised by adventurers all over the world. The SUV sports an aggressive front approach angle, and 50.8 cms (20) Alloy wheels with trapezoidal wheel arches.

DUAL-PANE PANORAMIC SUNROOF

Its dual-pane panoramic sunroof provides additional light and fresh air for first-row passengers and a great view for passengers in the next row.

PREMIUM HEADLAMPS AND DRLS

The all-new Grand Cherokee's DRLs turn on whenever the engine is running and the low beams are not on.

A LEGACY OF OPULENT COMFORT.

Treat yourself to the many comforts this elegant SUV has to offer. Because it's a 4x4 that's designed to help you feel at home, even on the wildest adventures.

26 CM (10.25) PASSENGER ENTERTAINMENT SCREEN

With full connectivity, front row passengers can now enjoy a seamless experience between their smartphones and the frameless digital touchscreen situated on the dash before them.

SURROUND VIEW CAMERA

Navigate confidently around nearby objects or narrow turns with the help of the 360° surround view camera that gives you an aerial view of the vehicle.

HEADS UP DISPLAY

This feature helps drivers keep their focus on the road ahead. Driving cluster data is projected in full colour across a 25.4 cm (10) transparent section on a safe viewing area of the windshield in front of the driver.

APPLE CAR PLAY & ANDROID AUTO

Both, front row and second row passengers can access the smart utilities that come with wireless Apple CarPlay and Android Auto.

VENTILATED AND HEATED SEATS

Experience optimal comfort with ventilated seats that keep you cool and comfortable on even the longest of journeys.

AUTO FOLDING MIRRORS

The auto folding mirrors intuitively fold inwards when the vehicle is parked and fold out as soon as the door is opened, preventing accidental damage.

26 CM INSTRUMENT CLUSTER

The 26 cm driver's instrument cluster is equipped with a (10.25) TFT colour display.

AUTO HIGH BEAM HEADLAMP

When driving at night, the camera detects whether a vehicle is approaching and then automatically switches to low beam. The high beams turn on when no vehicle is detected ahead.

GRAND CHEROKEE

— SIGNATURE EDITION —

The all-new Grand Cherokee is the epitome of strength and grace. No matter the terrain, this legacy SUV can take it on effortlessly, while still ensuring a luxurious experience. Equipped with the QUADRA-TRAC I[®] 4x4 system and SELEC-TERRAIN[™] system, it's all set to push the boundaries of every adventure. Experience the Jeep off-roading DNA at its ultimate best.

MULTI-SCREEN CABIN WITH OVER 130 CM. SCREEN SPACE

Never experience backseat boredom again. Now enjoy immersive entertainment at your fingertips.

ADVANCED DASHCAM

Your SUV's always-on witness, capturing every moment on the road, for complete safety and peace of mind.

SLEEK MOTORISED SIDE STEP

Ease meets opulence. These side steps glide out when you need them, and tuck away when you don't.

A white Jeep Grand Cherokee is shown from a front-three-quarter perspective, driving on a dirt road. The car is moving towards the right, with motion blur on the wheels and the background. The background consists of a vast, open field with dry, golden-brown grass under a warm, hazy sky at sunset or sunrise. In the distance, there are low mountains. The car's front grille features the iconic seven-slot Jeep design, and a badge on the front bumper reads "GRAND CHEROKEE".

A LEGACY OF UNRIVALLED CAPABILITY.

The all-new Grand Cherokee is the epitome of strength and grace. No matter the terrain, this legacy SUV can take it on effortlessly, while still ensuring a luxurious experience. Equipped with the QUADRA-TRAC I® 4x4 system and SELEC-TERRAIN® system, it's all set to push the boundaries of every adventure. Experience the Jeep off-roading DNA at its ultimate best.

**A LEGACY OF
UNDISPUTED PERFORMANCE.**

Engineered for an awe-inspiring experience, the all-new Grand Cherokee is built to deliver performance and stability. It's designed to offer a smooth and quiet ride while on roads, yet stay tough and agile off the road.

POWERTRAIN

| | |
|-------------------------|-------------------------|
| Engine (BSVI-Compliant) | 2.0 L GME T4 |
| Fuel Type | Petrol |
| Max. Power | 272 ps @ 5200 ± 100 rpm |
| Max. Torque | 400 Nm @ 3000 rpm |
| Displacement (cc) | 1995 |
| Drive Type | 4x4 |
| Transmission | 8AT |

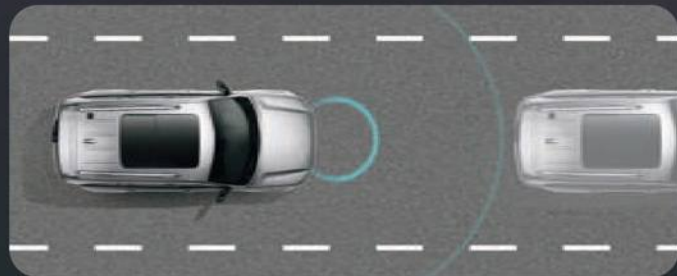

A LEGACY OF UNCOMPROMISING SAFETY.

When it comes to safety, the all-new Grand Cherokee makes no compromises. Its systems are powered by next-gen technology and engineering. Equipped with a state-of-the-art Advanced Driver Assistance System (ADAS), it promises a confident drive, every time. Now experience safety like never before.

ADVANCED DRIVER ASSISTANCE SYSTEM (ADAS)

Equipped with an advanced driver assistance system that offers peace of mind and confidence to anyone behind the wheel, it is actively on guard to keep passengers safe too.

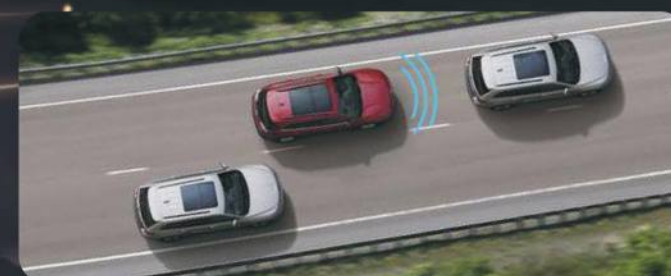

ADAPTIVE CRUISE CONTROL WITH STOP AND GO

This feature automatically adjusts your driving speed to maintain a pre-selected distance from the vehicle ahead so that you can cruise with confidence.

INTERSECTION COLLISION ASSIST

At crossroads, this helps detect other vehicles. In the case of a possible collision, the system can provide audible and visual alerts.

BLIND SPOT MONITORING

This feature uses radar-based sensors to detect obstacles in your blind spot zones or vehicles that are crossing behind you.

DROWSY DRIVER DETECTION

Vehicle movement and driver interaction is tracked to spot patterns of drowsiness. If detected, the system can send the driver an audio and visual signal to take precautions.

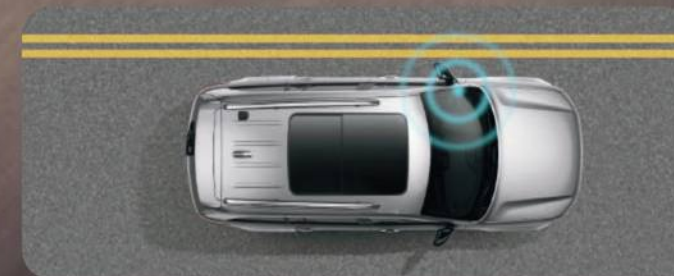

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING

Sensors at the front of the vehicle alert you of a potential frontal impact due to unseen obstacles. The vehicle automatically engages the brakes in the absence of a response.

PARKVIEW® REAR BACK UP CAMERA WITH PARKSENSE® FRONT AND REAR PARK ASSIST

Parkview® Rear Back up Camera gives you a clear view of what's behind your vehicle. This makes parking or backing up so much simpler. Parksense® Front and Rear Park Assist provides advanced assistance to put your Grand Cherokee in precisely the right spot.

ACTIVE LANE MANAGEMENT

Active lane management system measures your position within lane boundaries and corrects the vehicle, if it detects an unintentional lane drift, providing steering correction to help avoid collision with vehicles in your blind spots.

AIRBAGS

The Grand Cherokee is equipped with eight airbags to ensure your safety including advanced multistage front air bags, driver inflatable knee-bolster air bag, pass inflatable knee-bolster air bag, supplemental front seat side air bags, and supplemental side curtain front/rear air bags.

HOLD 'N GO

A LEGACY OF CONNECTED EXPERIENCES.

Assistance, alerts, navigation, entertainment and more. The expanded, award-winning Uconnect® 5 is content rich, and offers more personalisation features than ever before, when paired with the app on your smartphone. Remotely manage your SUV and access a host of features in your own time at your own convenience right from your phone.

MY ASSISTANT

My Assistant is a helpful connectivity tool that offers assistance 24x7. Passengers can make an SOS call, request roadside assistance, and even contact customer service. For specific emergencies, the call is automated and intuitively sends the vehicle location and identification too. The in-vehicle notification feature sends timely service-related information to the infotainment screen. You can also send a Vehicle health report to your smartphone, which includes updates on the status of the vehicles' key systems and components, such as powertrain, brakes, and tyres.

MY ALERT

With this feature, your SUV is under 24-hour surveillance with added security. The stolen vehicle assistance system allows law enforcement to locate the vehicle. When the vehicle's factory-installed theft alarm system has been triggered, the owner is notified via email or text message.

MY REMOTE

The My Remote feature allows you to manage your vehicle remotely. With remote control options like door lock and unlock, remote horn and light etc., it's designed to make your life simple. The vehicle finder option also helps you locate your SUV through GPS. Jeep off-road pages let you view a graphical display of wheel direction, vehicle pitch and roll angles, and suspension travel. Family drive alert lets vehicle owners set limits on parameters like boundary alert, curfew alert, speed alert, arrival time and valet alert.

NAVIGATION

Explore a host of navigation features like One box navigation search, last mile navigation, connected traffic and travel services. There's also the option to send a destination to the vehicle system from the mobile app. Privacy mode is a feature that ensures the owner is aware their location is being tracked, giving them the ability to disable remote tracking so the vehicle will not transmit location for a third party user.

MY CAR

With this feature, you can closely monitor parameters like tyre pressure, battery charge, and remaining range. Remotely view information from when the vehicle was last used and receive real-time alerts while on board. You can also access select features of the mobile app on your supported smart watch.

ASSISTANCE YOU CAN COUNT ON.

World-class pan-India aftersales service, provided through the legendary Mopar® brand, ensures your new Jeep Grand Cherokee will always be in good hands. Be it a change of parts, a performance upgrade, or a complete makeover, our experts are always available for you.
