

THE ALL-NEW 2024
WRANGLER
THE ONE
AND ONLY

Jeep[®]

JEEP WRANGLER

— A PIONEER'S STORY —

> 1941 - Willys MB

First Jeep vehicle to be mass-produced and to wear the stamped grille. It has influenced every 4x4 SUV that came after it.

> 1955 - CJ - 5

The CJ-5 was stronger, more comfortable, versatile and capable- capability that still defines Jeep 4x4s today. More than 600,000 vehicles were sold in more than 150 countries.

> 1987 - Wrangler

A legend was born. The Wrangler was a compact SUV with a lower centre of gravity, improved handling, and more comfortable interiors, setting a precedent for the most loved Jeep 4x4s of all time.

> 2016 - 75th Anniversary Wrangler

Unique bronze-finish exterior accents, special interiors and added capability highlight Wrangler's legendary history. It celebrated the 'Go anywhere, Do anything' lifestyle of all Jeepers.

< 1945 - CJ - 2A

An evolution of the MB, it included a tailgate, a side-mounted spare tyre, and an improved gearbox. Advertised as CJ, it was the first Civilian Jeep model, ideal for deliveries and farm & construction work.

< 1976 - CJ - 7

The CJ-7 replaced CJ-5 after its 30 year production run. It was the first major Jeep vehicle design change in 20 years and the 7th generation of the original vehicle.

< 2007 - Wrangler Unlimited

A successor of the 1941 Willys MB, it brought together the 4-door open-air design and classic Jeep brand cues like trapezoidal wheel arches and the iconic 7-slot grille.

THE ONE AND ONLY

In a world of clones, stands the Original.
The One.

Incomparable. Inimitable. Ineffable.
None can create a legacy quite like it.
And none dare to challenge its capability.

Redefining adventure,
treading where no other can,
raising the bar for SUVs everywhere.

It has been, and always will be
The One and Only.

Introducing,
The All-New Jeep Wrangler.

ULTIMATE CAPABILITY

THE ALL-NEW JEEP WRANGLER IS TESTAMENT TO JEEP'S PROMISE 'GO ANYWHERE, DO ANYTHING'. WITH INCOMPARABLE CAPABILITY FEATURES, IT REMAINS UNDEFEATED WHEN IT COMES TO MASTERING ALL TERRAIN.

TRAIL RATED[®]

Every Wrangler is engineered for exceptional off-road performance. The iconic Trail Rated[®] badge is an assurance that this adventure machine can truly let you 'Go anywhere, Do anything', and master the toughest terrain and weather conditions. With a Trail Rated[®] SUV, you're in command of exclusive, authentic 4x4 capability. Go on, conquer any adventure with confidence with The One and Only- Jeep Wrangler 2024.

INTEGRATED OFF-ROAD CAMERA

Increases visibility for navigation through rough terrain and tight spaces with ease.

TRULOC® LOCKING WITH FRONT AND REAR DIFFERENTIALS

Helps avoid misapplication of power to wheels when rock-crawling. Locks power and distributes it evenly between the wheels for great traction.

ELECTRONIC SWAY BAR DISCONNECT

Remotely disconnects the sway bar so that front wheels can drop and compress further, improving suspension articulation on tough terrain.

POWERFUL AND EFFICIENT ENGINE

Equipped with a powerful 2.0 L GME T4 DI TC petrol engine, boasting 270 HP and 400 Nm torque, it delivers outstanding off-road performance.

ROCK-TRAC® FULL-TIME 4WD SYSTEM

Provides optimal traction and stability in challenging terrain such as rocks, steep inclines, and uneven surfaces without the need for driver intervention.

SELEC-TRAC® FULL-TIME 4WD SYSTEM

Automatically switches to two-wheel drive on clear roads for maximum efficiency or to four-wheel drive for continuous traction on snow, ice, rain or mud.

OFF-ROAD PLUS MODE

Adjusts throttle, transmission shift points, and traction control for improved off-road capability.

240 AMP ALTERNATOR

The perfect electrical system that can operate at optimal levels even when multiple accessories are in use.

HEAVY-DUTY DANA 44HD FULL-FLOAT REAR AXLE

Offers increased strength, durability and performance, compared to semi-float rear axles, by transferring the weight of the vehicle from the axle shaft to a spindle mounted to a wheel hub and riding on tapered roller bearings.

MIGHTY PRESENCE

RECOGNISED GLOBALLY AS THE SUV THAT INSPIRED ALL OTHERS, THE ALL-NEW JEEP WRANGLER STANDS BOLD AND PROUD, MAKING IT IMPOSSIBLE TO MISS, NO MATTER WHERE IT TRENDS.

AUTOMATIC HEADLAMPS

Premium automatic LED headlamps that sense when they're needed. Features LED DRLs and fog lamps too.

FULL-FRAME REMOVABLE DOORS

Provides a combination of versatility, customization, and open-air freedom.

NEW STYLISED GRILL

Features a restyled signature 7-slot grill with painted rims, that provides more airflow to the powertrain.

NEW ALUMINIUM WHEELS

New 17" black-painted & 18" grey-painted machined aluminium wheels provide utmost control on rough terrain.

BLACK HARDTOP

Boasts a high contrast, Black Freedom Top® 3-piece modular hardtop, so you can display your might on all trails.

SIGNATURE SQUARED WHEEL ARCHES

Allows for greater suspension articulation with larger tires for improved traction and ground clearance.

POWER DOME VENTED HOOD

Enables better airflow to and from the engine, reducing under-hood temperatures.

MATCHLESS COMFORT

'COMFORT' IS REDEFINED IN THE ALL-NEW JEEP WRANGLER, WITH FEATURES THAT ELEVATE YOUR OFF-ROADING EXPERIENCE, AND PUT 'CONVENIENCE' AT THE HEART OF YOUR DRIVE.

DUAL-ZONE AUTOMATIC CLIMATE CONTROL

Allows both driver and front passenger to set individual temperature preferences so as to help both feel comfortable.

DYNAMIC POWERED SEATS

Experience one-of-a-kind comfort with 12-way powered driver and front passenger seats.

PREMIUM CABIN PACKAGE

The acoustic laminated front door glass and front seat area carpet reduce wind and road noise significantly.

AUTO-DIMMING IRVM

Ensures driver visibility by automatically darkening the mirror, to avoid the glare from trailing vehicles.

PREMIUM LEATHER INTERIORS

The Nappa leather seats make for a premium, durable, and easy-to-clean interior.

HEATED SEATS AND STEERING WHEEL

Provides a more comfortable driving experience.

31.2 CMS (12.3) TOUCHSCREEN INFOTAINMENT

The Uconnect® 5 Touchscreen Infotainment system offers an All-New wide touchscreen with integrated navigation, voice command, and wireless connectivity.

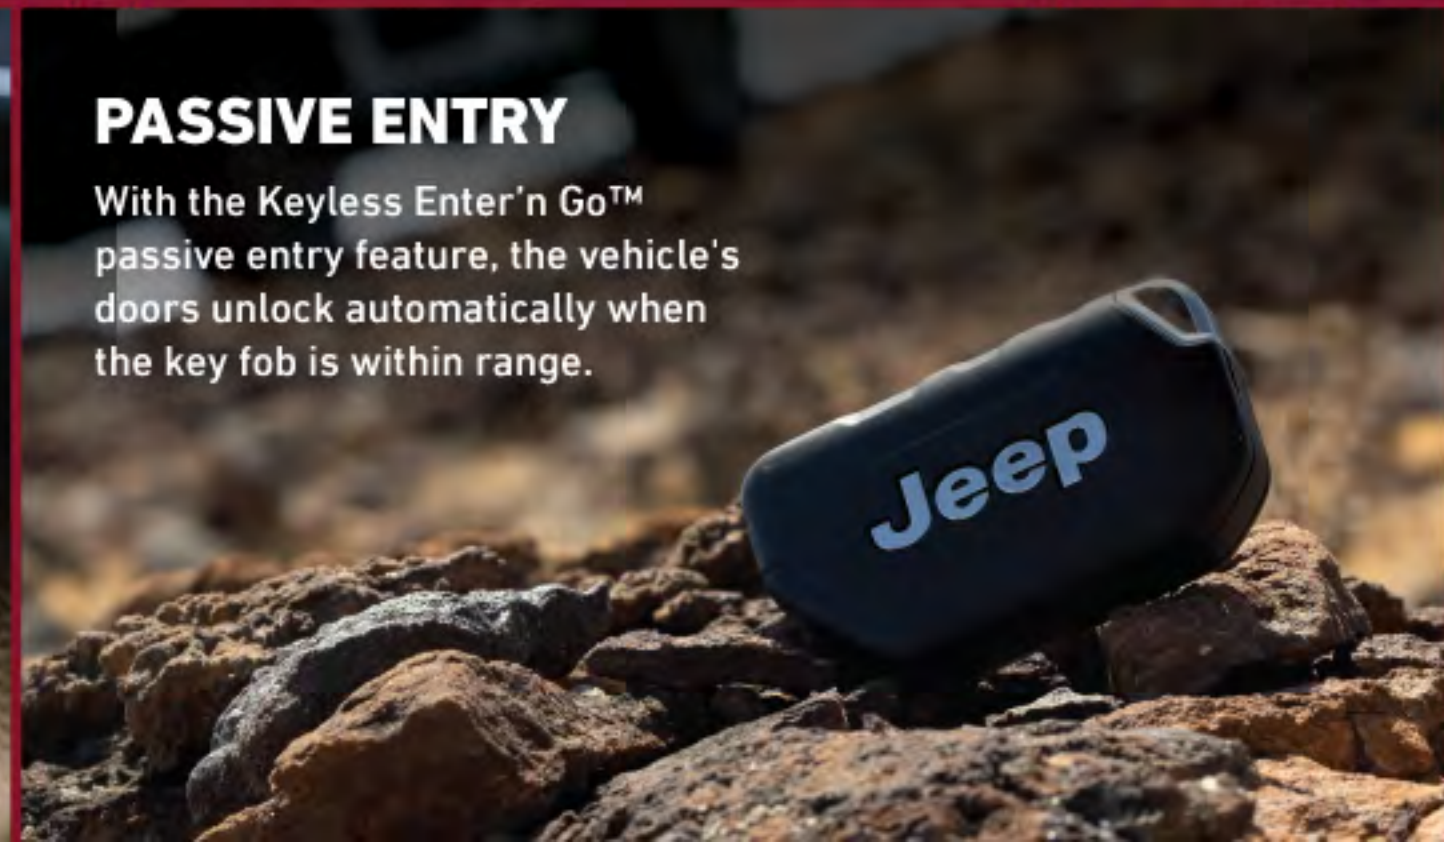

PREMIUM SURROUND SOUND

Features the 9-speaker premium Alpine Audio and Subwoofer* so that your off-road entertainment is always high quality.

REMOTE START/STOP

Allows the driver to remotely start the engine so as to ready the vehicle before the driver enters, or to stop the vehicle's engine to conserve fuel or for emergencies.

PASSIVE ENTRY

With the Keyless Enter'n Go™ passive entry feature, the vehicle's doors unlock automatically when the key fob is within range.

17.5 CMS (7) DRIVER INFORMATION DISPLAY

Can be customised to help keep track of key stats like speed, compass, speed control and security features.

UNWAVERING SAFETY

TAKE ON THE MOST CHALLENGING TERRAIN WITH UTMOST SAFETY. THE ALL-NEW JEEP WRANGLER ENSURES ALL PASSENGERS ARE PROTECTED, WITH ADVANCED, INTUITIVE FEATURES AND TECHNOLOGY.

6-AIRBAGS

Newly standard first row and second row side-curtain airbags protect you wherever you tread.

TRAILER SWAY CONTROL (TSC)

Aids vehicle stability while towing, by applying the brakes to individual wheels and reducing engine torque.

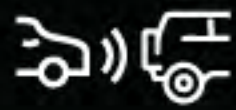

ELECTRONIC STABILITY CONTROL (ESC)

Helps prevent the vehicle from spinning out due to loss of road traction using computer-controlled braking of individual wheels to help maintain control in critical driving situations.

ELECTRONIC ROLL MITIGATION (ERM)

Helps to prevent the SUV from turning over, by applying the brakes to individual wheels when the sensors are alerted of danger.

PARKVIEW® REAR BACK-UP CAMERA

Displays the area behind the vehicle. Dynamic gridlines are displayed on the Uconnect® touchscreen to aid parking.

PARKSENSE® REAR PARK ASSIST SYSTEM

Makes use of sensors to alert the driver if they're too close to an obstacle while reversing the vehicle.

HILL START ASSIST (HSA)

Helps to prevent the SUV from rolling back when starting the SUV up again after stopping on a hill.

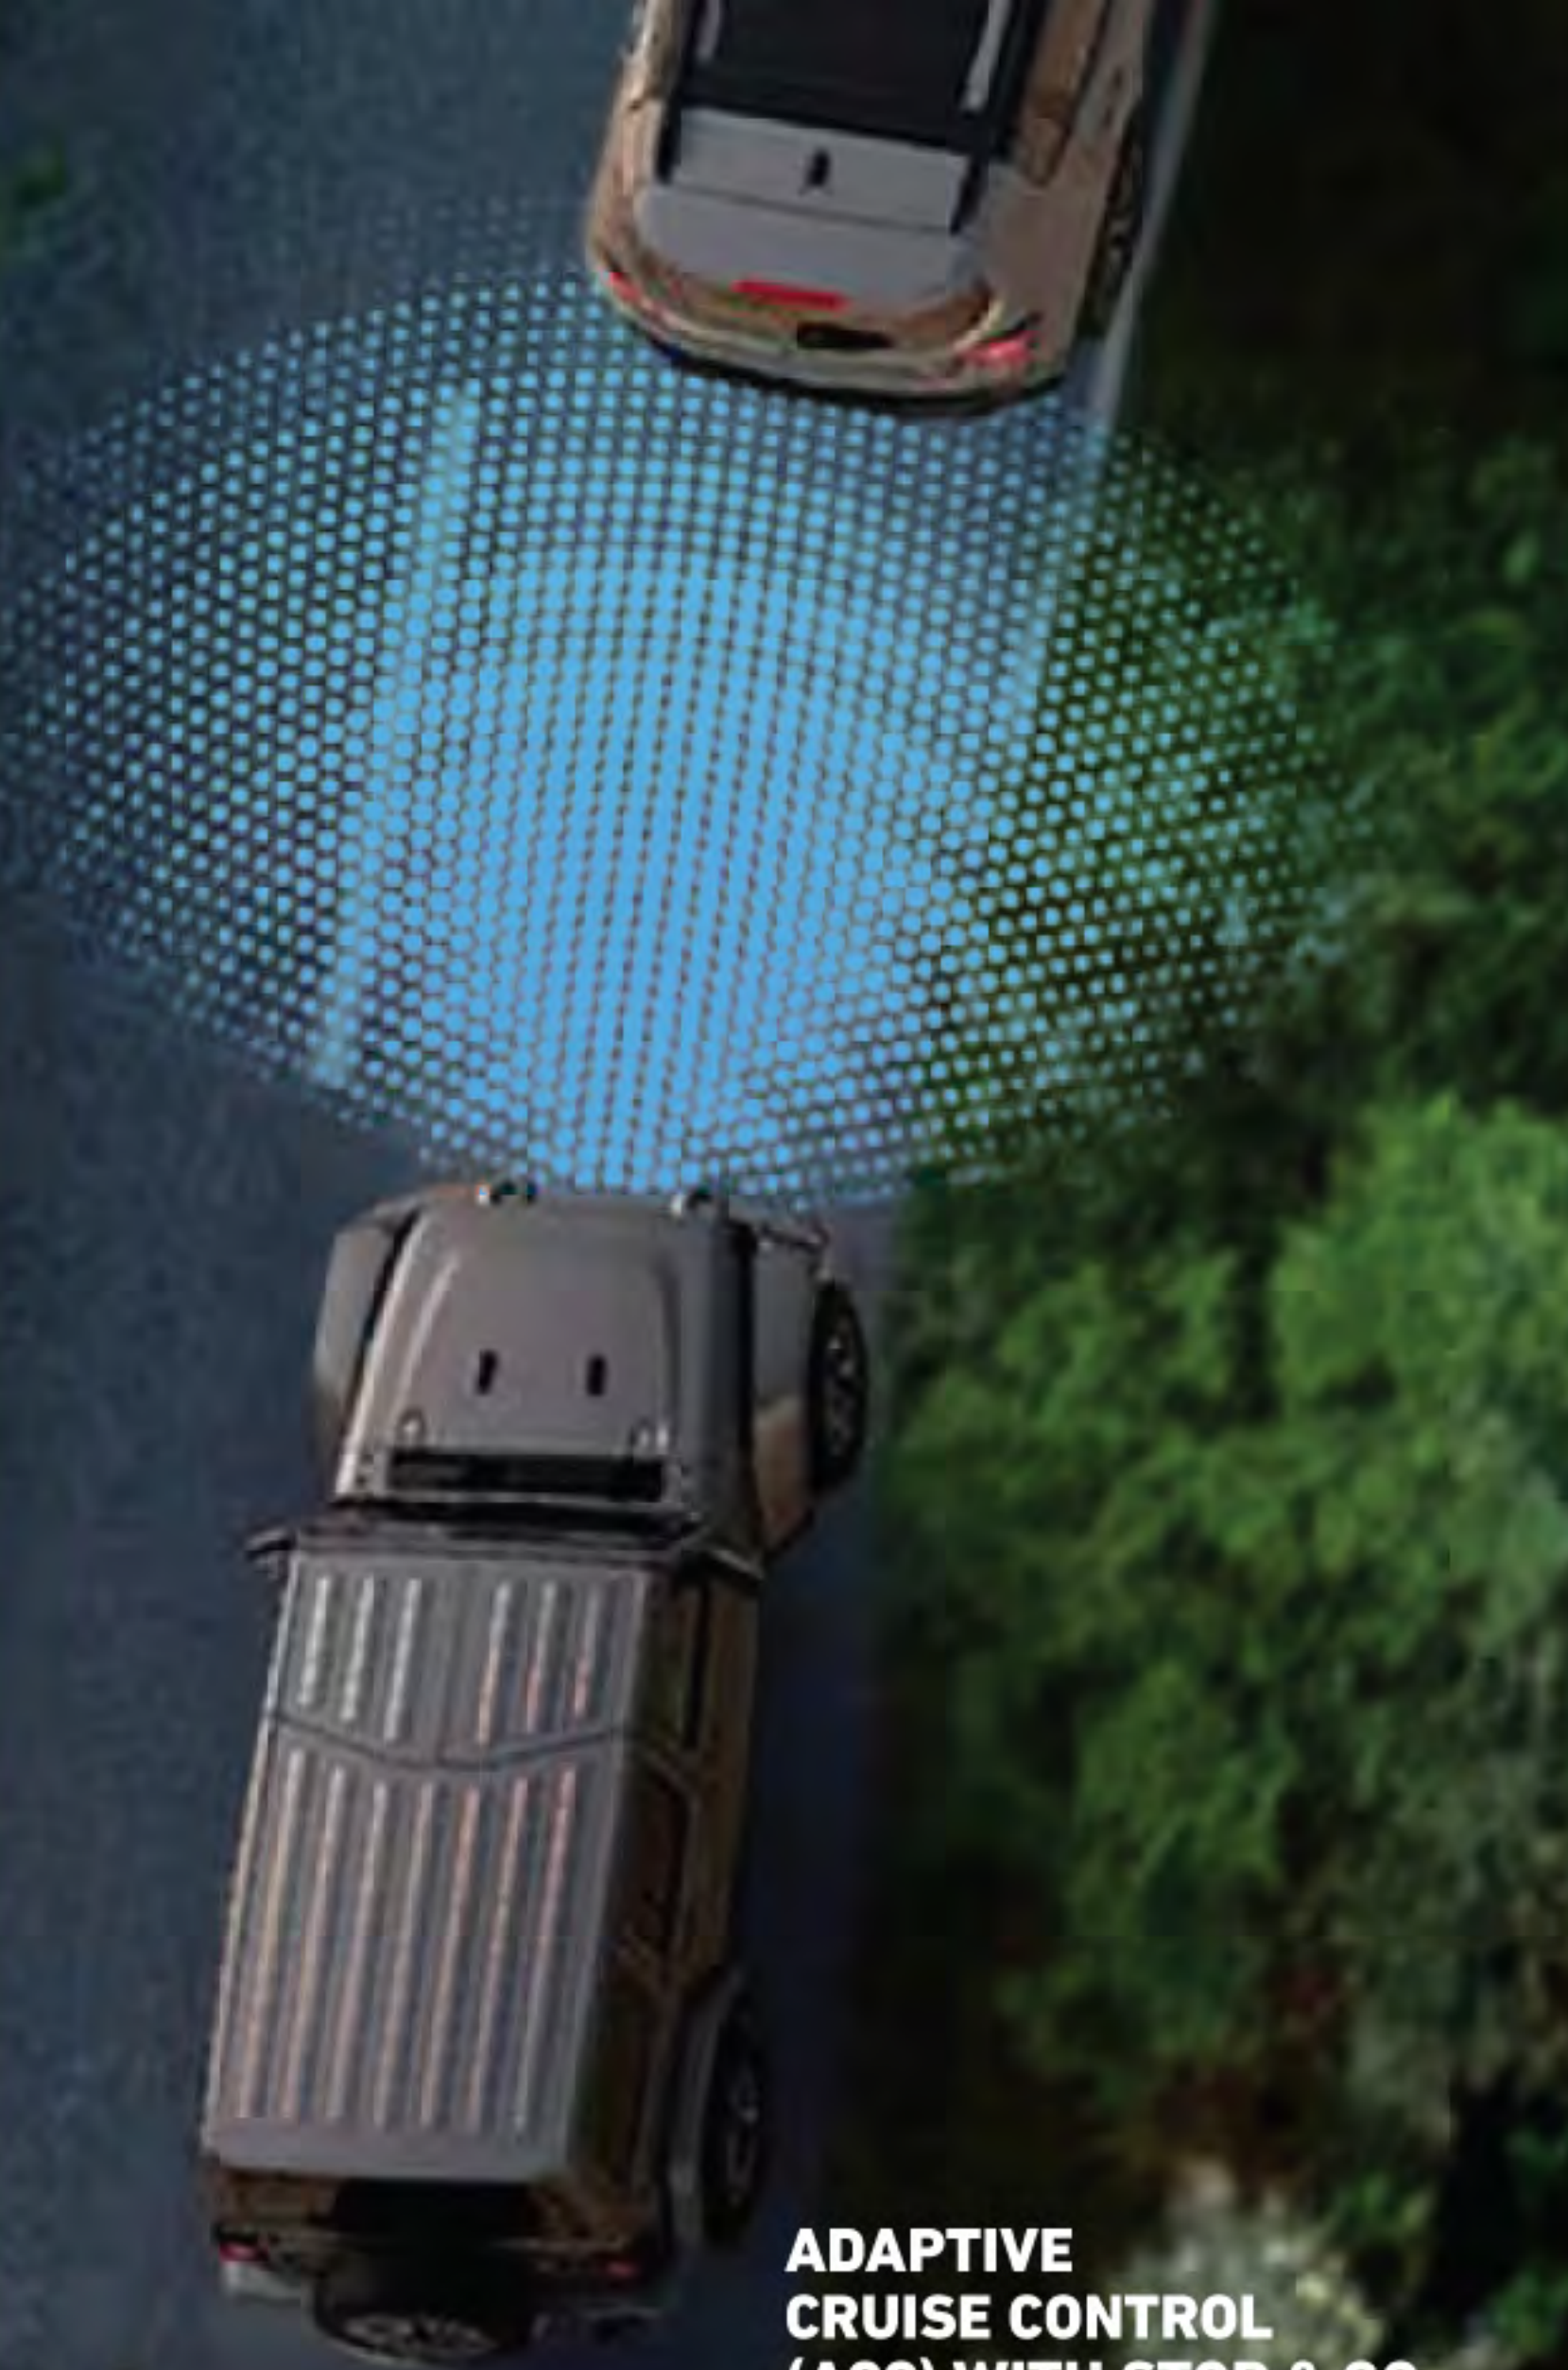

**ADVANCED DRIVER-ASSISTANCE
SYSTEMS (ADAS)**

**FULL-SPEED
FORWARD COLLISION
WARNING PLUS**

Alerts the driver of potential frontal impacts, and automatically engages the brakes if the driver is unresponsive.

**ADAPTIVE
CRUISE CONTROL
(ACC) WITH STOP & GO**

Automatically adjusts the driving speed to maintain a preselected distance from the vehicle ahead.

**ADVANCED
BRAKE ASSIST**

Automatically applies the brakes based on vehicle speed and distance to an obstruction, without requiring the driver's foot pedal action.

NEW 18" WHEELS

**INDIA'S FIRST CORNING
GORILLA WINDSHIELD**

**ADVANCED
DRIVER-ASSISTANCE
SYSTEMS (ADAS)**

**31.2 CMS (12.3)
TOUCHSCREEN
INFOTAINMENT**

Jeep®

(1) Be sure to follow all instructions in the Owner's Manual for removal of top and doors and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (2) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (3) This system is solely an alert system for the front of the vehicle that does not take any actions to change vehicle dynamics to avoid a collision, and is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (4) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com (5) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the U.S. and other countries. Apple terms of use and privacy statements apply. (6) To use Android Auto on your phone screen, you'll need an Android phone running 5.0 or higher and the Android Auto App. Google, Android, Android Auto, YouTube and other related marks and logos are trademarks of Google LLC. (7) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (8) Always check visually for vehicles prior to changing lanes. (9) Always check entire surroundings and look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings while driving. (10) Always sit properly in designated seating positions with seat belts securely fastened at all times. ©2019 FCA US LLC. All Rights Reserved.
