CONVENIENCE

Auto-dimming interior rear view mirror	Front storage compartment	Keyless Entry
Electric cabin pre-conditioning	Lockable glovebox	Luggage tie-downs in loadspace
Luggage hooks in loadspace	Powered tailgate	Intrusion sensor

TECHNICAL SPECIFICATIONS

PERFORMANCE	
Maximum speed (km/h)	200
Acceleration (s) 0-100 (km/h)	4.8
POWERTRAIN	
Maximum power (kW)	294
Maximum torque (Nm)	696
Transmission	Single Speed Automatic
WEIGHTS	
Unladen weight (EU) (kg)	2 226‡
Unladen weight (DIN) (kg)	2 151‡‡
Gross Vehicle Weight (GVW) (kg)	2 670
TOWING	
Unbraked trailer (kg)	750
Maximum towing (kg)	750
Maximum coupling point (nose weight) (kg)	45
Maximum vehicle and trailer combination (GTW) (kg)	3 420

ROOF CARRYING	
Maximum roof load (including cross bars) (kg)	75
DIMENSIONS & CAPABILITIES	
Height (mm)	1 566
Length (mm)	4 682
Width with mirrors folded (mm)	2 011
Width with mirrors out (mm)	2 139
Front wheel track (mm)	1 641
Rear wheel track (mm)	1 660
Wheelbase (mm)	2 990
HEADROOM	
Maximum front/rear headroom with standard roof (mm)	994 / 961
Maximum front/rear headroom with panoramic roof (mm)	1 013 /968
LEGROOM	
Maximum front/rear legroom (mm)	1 040 / 890

LOADSPACE CAPACITY	
Height (mm)	732
Width (mm)	1 244
Width between arches (mm)	1 060
Length behind first row (mm)	1 797
Maximum loadspace volume behind first row - Dry (l)	1 163✧
Maximum loadspace volume behind first row - Wet (l)	1 453◆
Length behind second row (mm)	967
Maximum loadspace volume behind second row - Dry (l)	505✧
Maximum loadspace volume behind second row - Wet (l)	656◆

GROUND CLEARANCE	
Standard ride height (mm)	174

TURNING CIRCLE	
Kerb-to-kerb (m)	12.35
Wall-to-wall (m)	12.75
Turns lock-to-lock (no. of turns)	2.52

Metro Estate, 178, CST Road, Kalina,
Santacruz East, Mumbai, Maharashtra,
400098

Timed Charging available from mid-2021.

Vehicles shown are from the Jaguar Global range. Specifications, options and availability will vary between markets and should be verified with your local Jaguar Retailer. The figures provided are official EU Test Figures. For comparison purposes only. Real world figures may differ.

I-PACE's 90 kWh battery warranty is limited to 8 years or 160 000 km (whichever comes first). It is redeemable in the case of any manufacturing defect or should a certified Jaguar Retailer measure that the battery has dropped below a 70 percent State of Health.

‡Includes a 75 kg driver and full fluids.

‡‡Includes full fluids.

◇Dry: Volume as measured with VDA-compliant solid blocks (200 mm x 50 mm x 100 mm).

◆Wet: Volume as measured by simulating the loadspace filled with liquid.

The range depicted is as per Worldwide harmonized Light vehicle Test Procedure (WLTP) and must not be considered as a representation of the actual range which the vehicle may be able to achieve in Indian conditions. Jaguar Land Rover India Limited shall not be held liable for any such express or implied representation. The actual range varies from region to region and is based on a variety of parameters including but not limited to configuration of the vehicle, number of passengers in the vehicle, weather conditions such as but not limited to ambient temperature, humidity, etc., style of driving, traffic, road conditions (including but not limited to changes and fluctuations in inclination, altitude etc.), usage of the features in the vehicle such as but not limited to air conditioning, etc. WLTP (Worldwide harmonised Light vehicle Test Procedure) is the new process that has been phased in from 2017, which measures fuel, energy consumption, range and emissions in passenger vehicles in Europe. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile.

Important note on imagery & specification. We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro-chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that **many images cannot be updated to 23 / 24 model year specifications**. Features, options, trim and colour schemes may differ from many images. Customers are urged to consult their local Retailer for detailed 23 / 24 model year specifications and to not base an order on marketing imagery and specification alone.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer-fit accessories that may not be available in all markets. Please contact your local Retailer for local availability and prices.
