enter your safe space

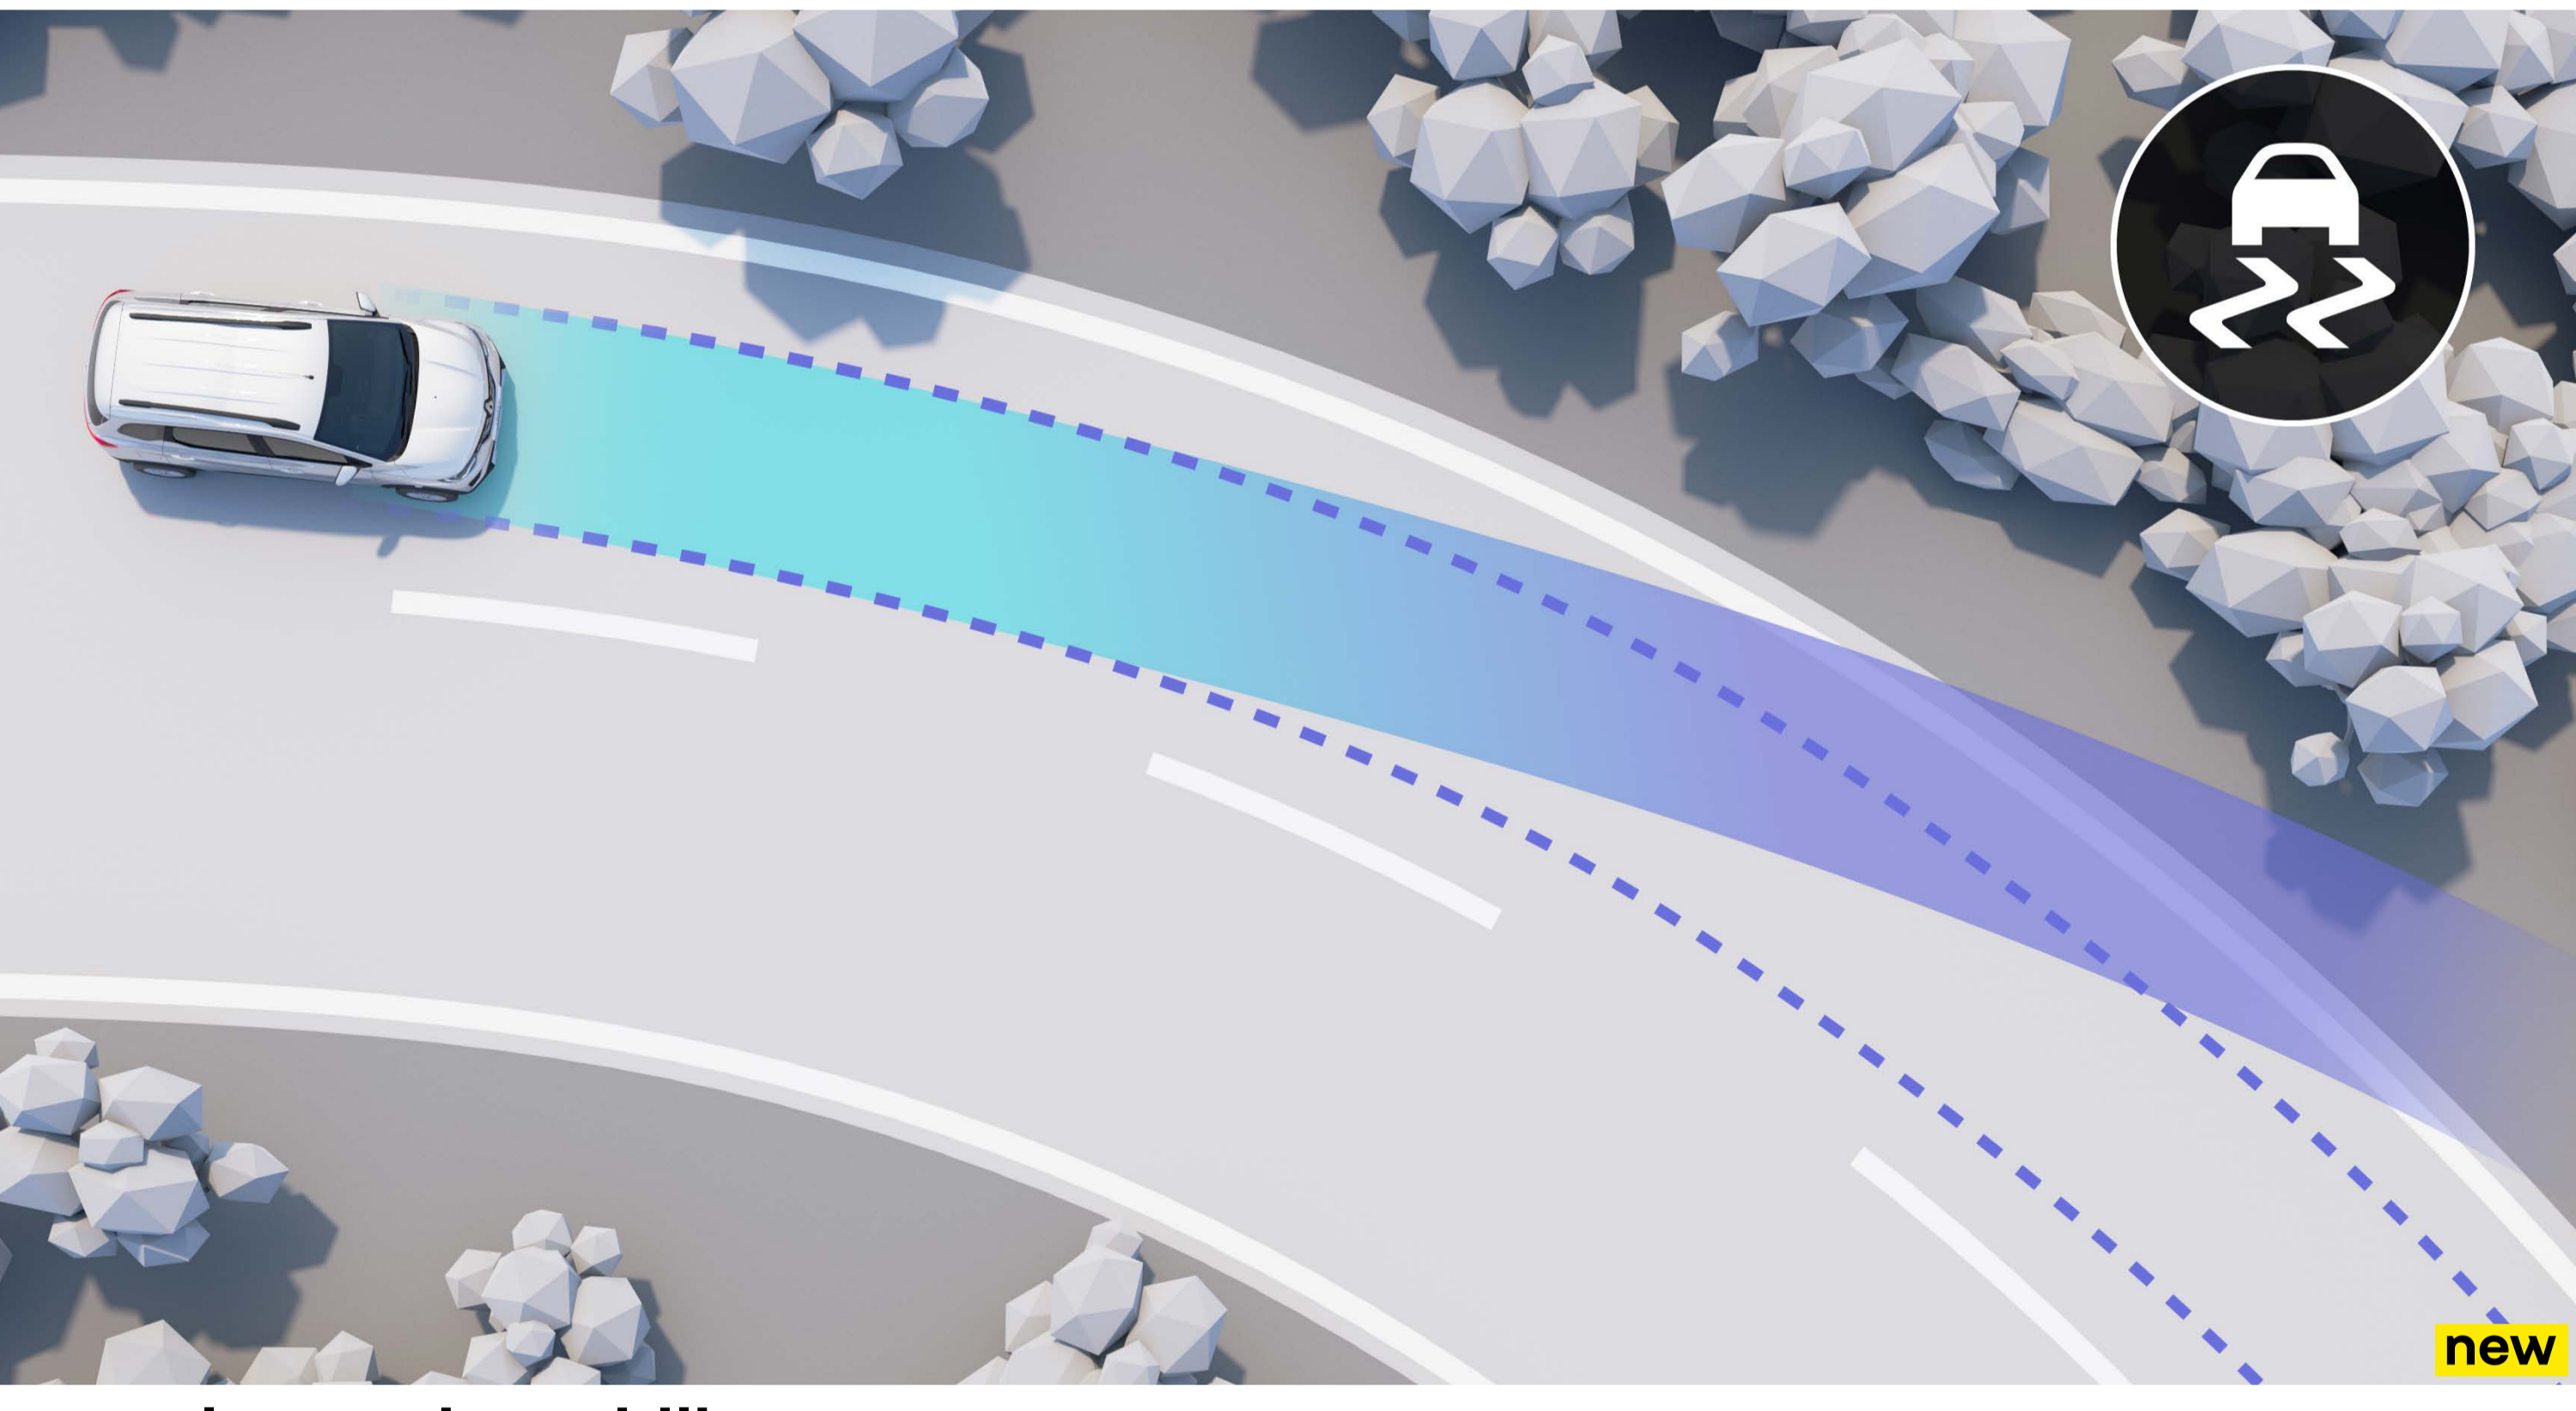

As a family car, we put great focus on your well-being. Triber houses front and side airbags for driver and passenger and the latest safety technologies like hill start assist, traction control system, electronic stability program & tyre pressure monitoring system.

new

hill start assist

Travel far and wide with your group knowing that a suite of driver-assist features have got your back. Widely recognised as one of India's safest 7-seaters, Triber actively prevents collisions and keeps you protected in case of any serious incident.

simply a class apart

Long gone are the days when family cars meant bulky giants. Triber is designed to suit the modern-day demand of being practical and good-looking at the same time.

With endless possibilities in dual tone, distinctive details and a stance like that of an SUV, it's impossible to go unnoticed as you drive around town.

keeping it flexible

The smartly optimised cabin offers 4 mode configurations and 100+ seating combinations to unfold the best of space and ergonomics.

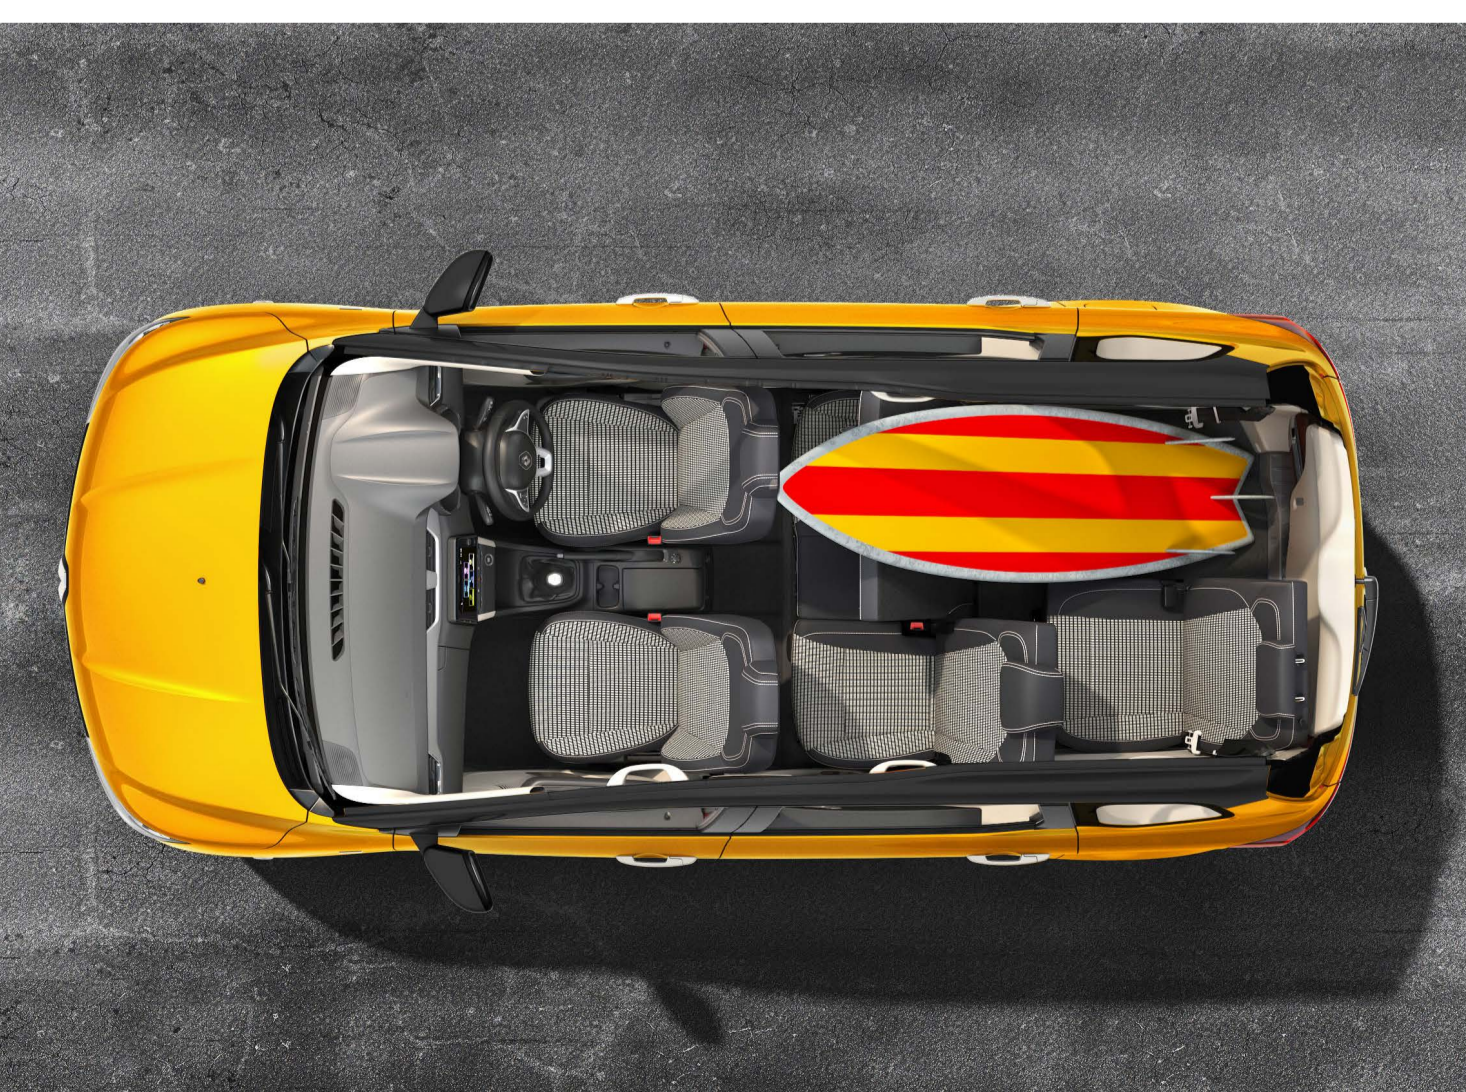

Travelling with a couple...or a crowd? Triber adjusts well so you don't have to. From onboarding more people to loading extra luggage, the ultra-modular seating works its magic.

intelligence runs in the family

The timeless deep black and beige interiors have an inviting feel to them. Step aboard, and you'll be quick to notice the difference between a regular MPV and Renault Triber.

stylish dual tone dashboard with silver accents

Experience a whole new world of next-gen driving. With excellent connectivity and immersive multimedia options, compatible to Android Auto, Apple CarPlay, push-to-talk and video playback, you will never want to end the trip.

makes you feel at home

Being uncomfortably seated on long drives is enough to ruin the fun. This is why Triber pays extra attention on keeping you relaxed with its ingeniously designed cabin.

6-way adjustable driver seat with seat height adjust

Space was never an issue for Triber. Not only is there massive cargo room to carry yours and your extended family's baggage but also well-organised cabin storage to keep the travel essentials handy.

625 litre boot space

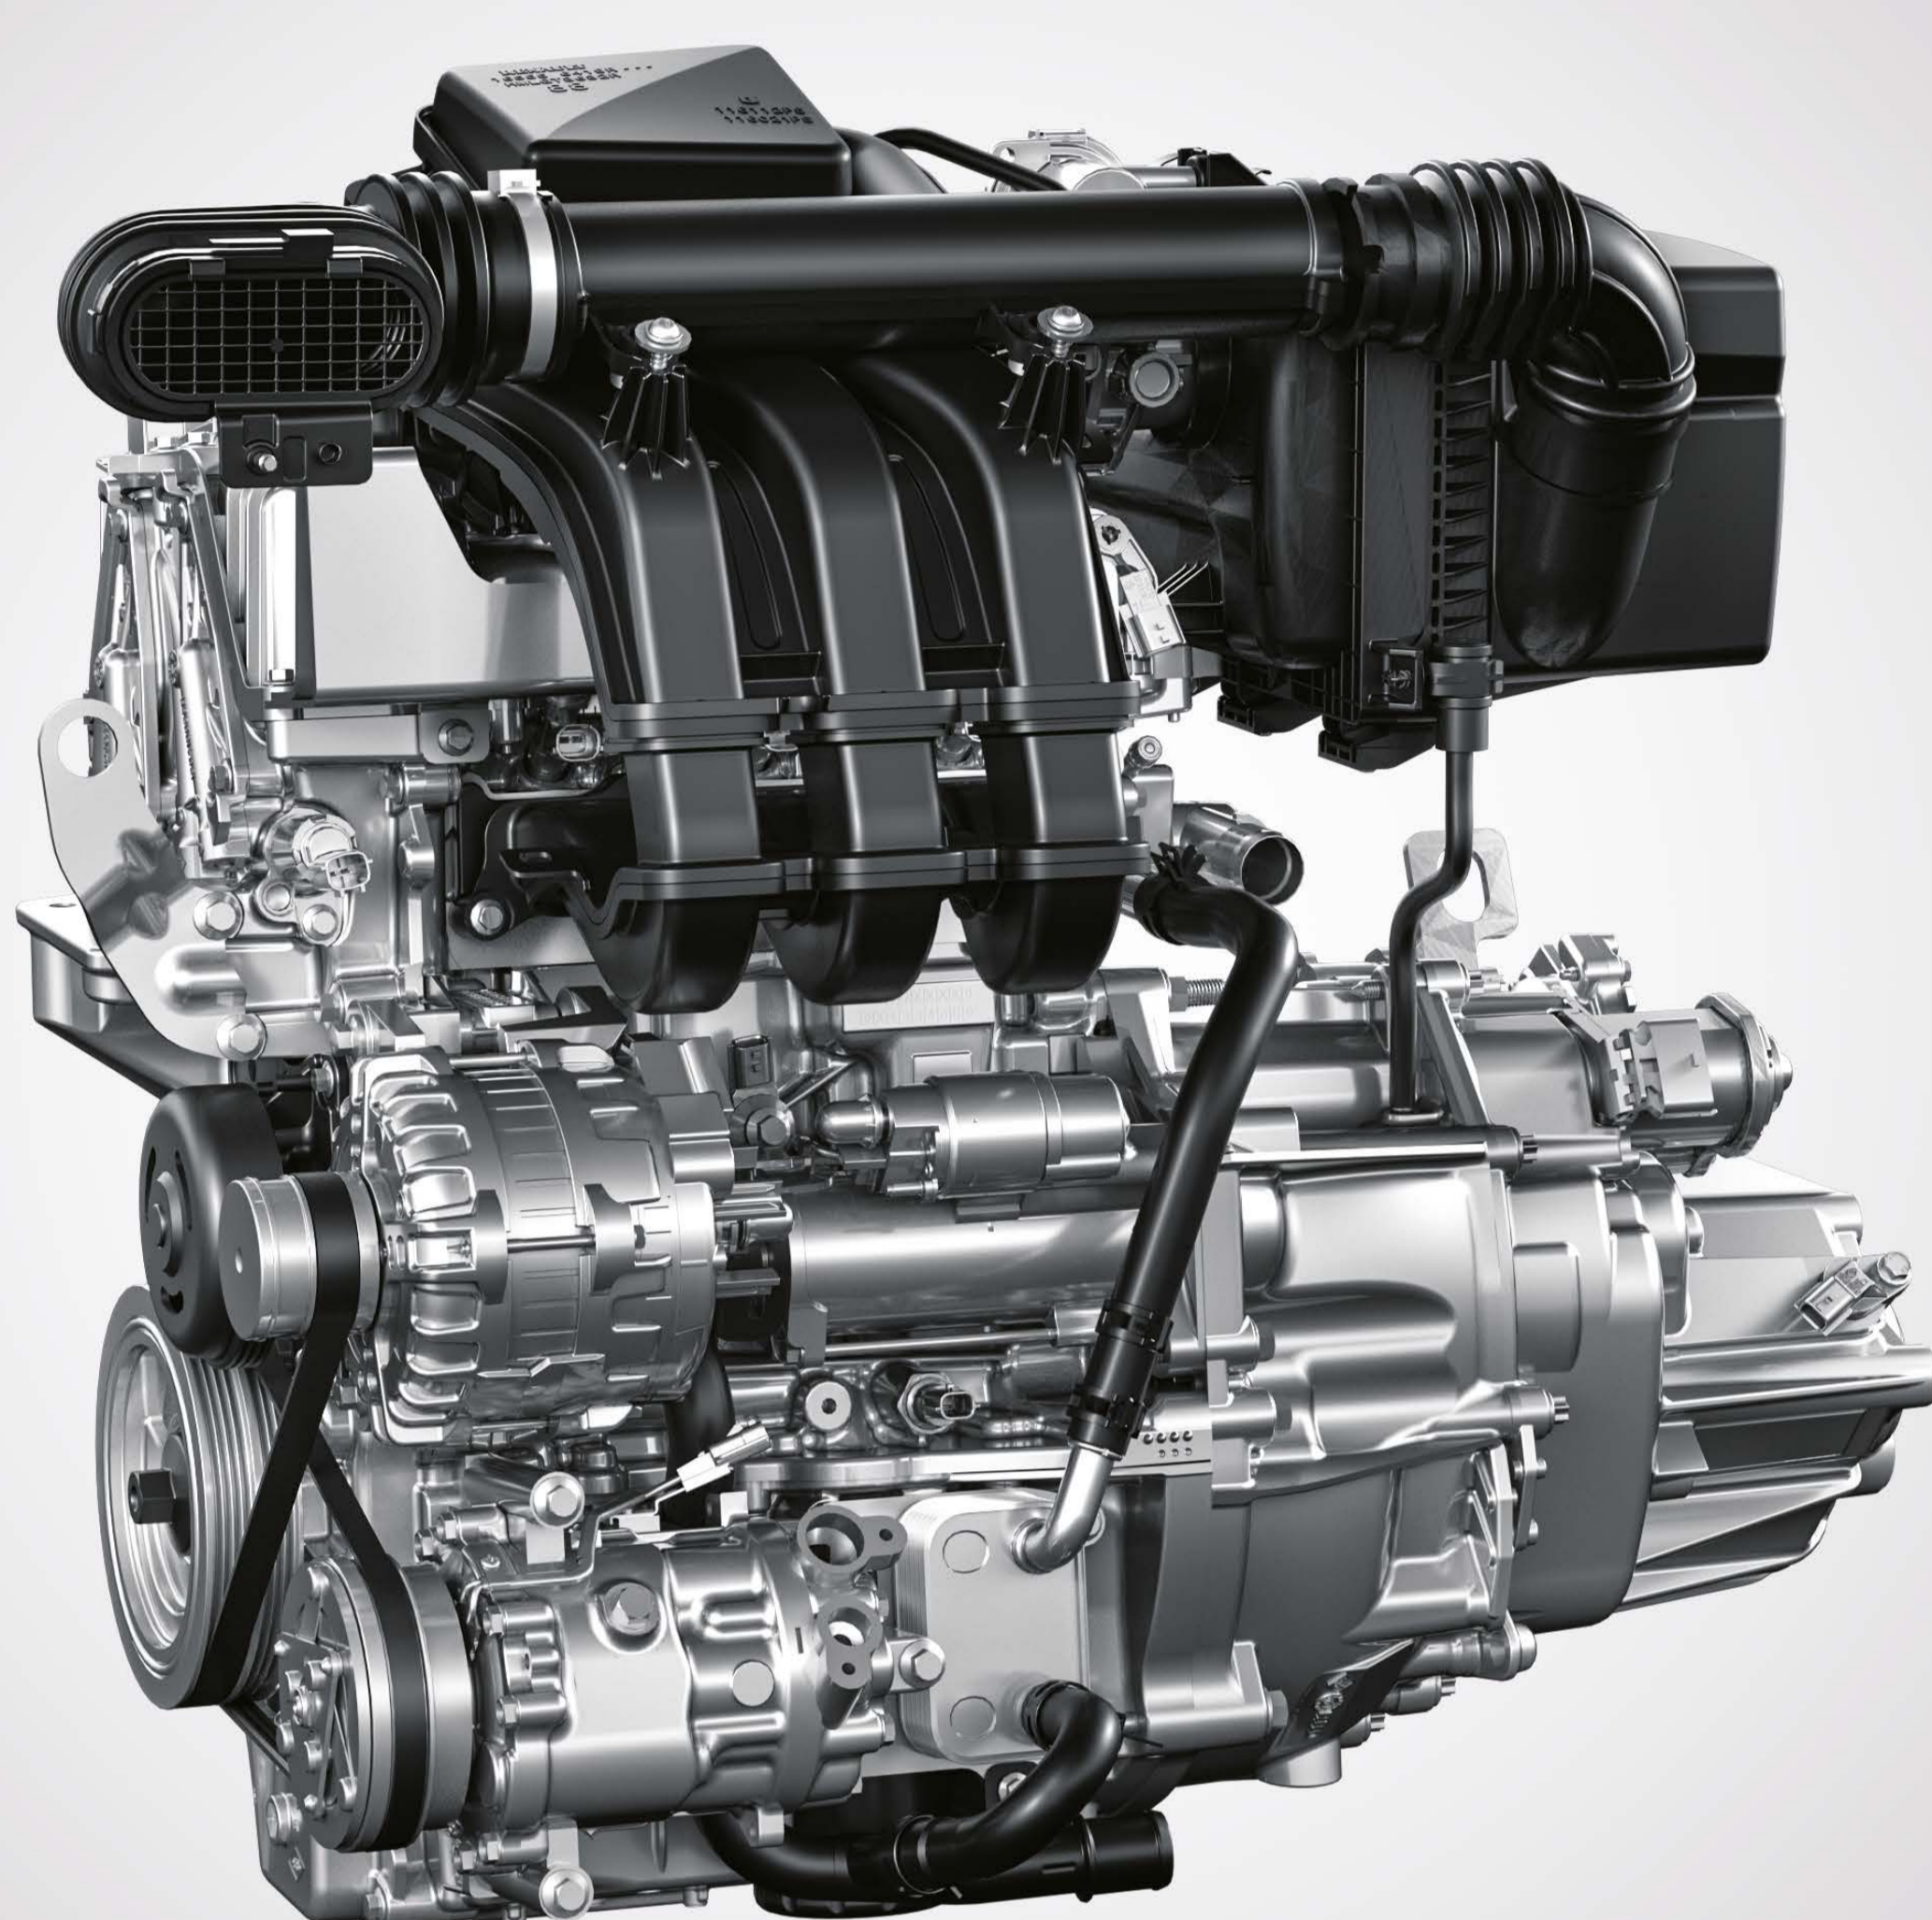

cooled centre console

ready to go places

Unlock power drives without discounting on fuel efficiency, thanks to its 1.0 litre, 3-cylinder motor. Further, equipped with traffic assist function, Triber glides effortlessly through the jammed city roads.

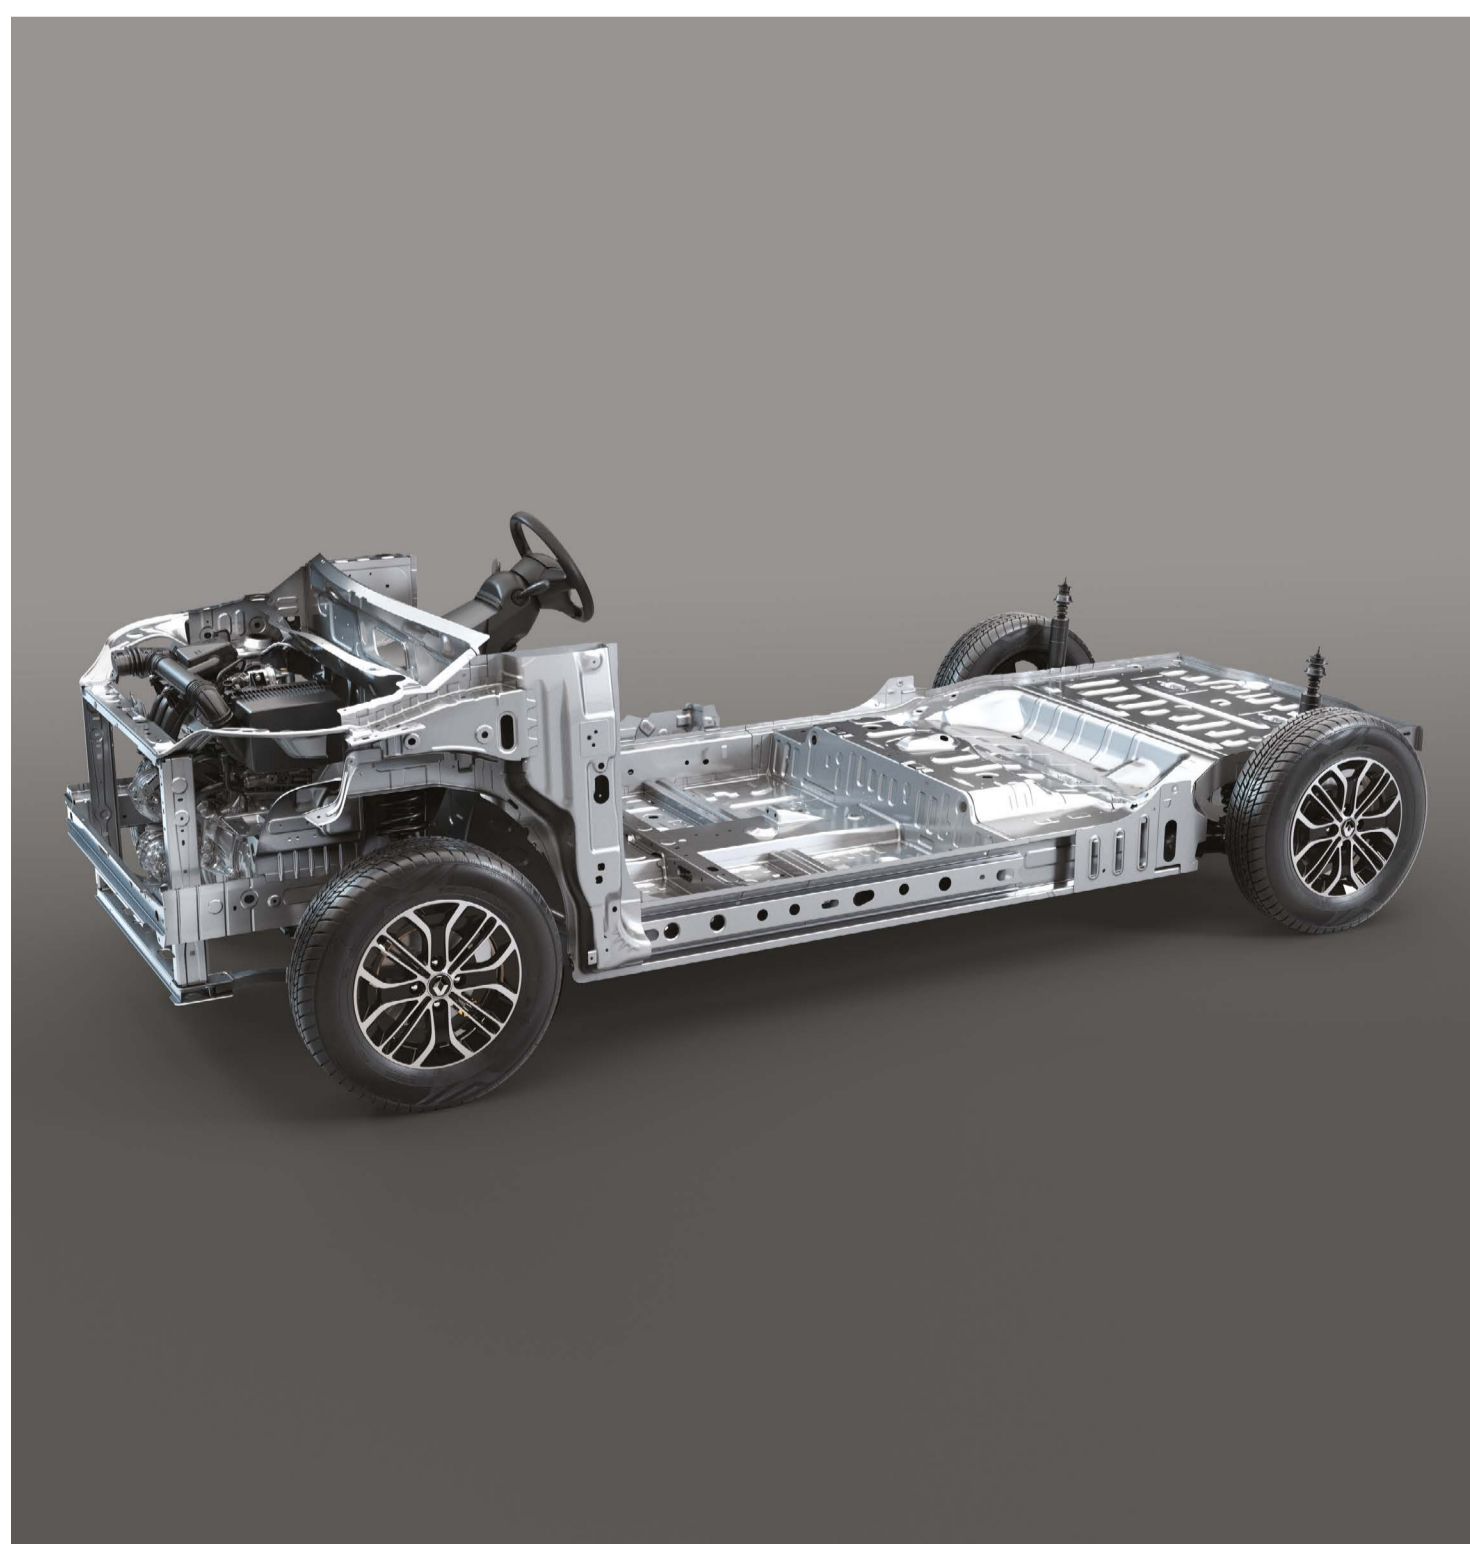

dual VVT energy engine

The performant engine under its hood delivers impressive pickup and equally amazing mileage. What's more? Its unique platform elevates comfort and doesn't slow you down even when the car is packed with your whole squad.

accessories

seat covers

Switch up the cabin look to your liking while also securing it from accidental stains with a line-up of seat covers.

illuminated logo

Add character to your Tribier by fitting and flaunting a lit-up Renault logo on the back.

roof carrier

A bolder presence and lots of extra space – that's what the solid roof rack carries along.

alloy wheels

The subtle yet statement-worthy silver alloys add an element of style from the bottom-up.
