style reimagined

A new generation 7-seater with a versatile and robust design, featuring more pronounced SUV codes than ever with its strong front face and silver finish skid plates⁽¹⁾. Drive in comfort with its high ground clearance of 182 mm and roof rails with load carrying capacity up to 50 kg.

Renault Triber TCE 100PS features the new emblem, a symbol of the brand's innovative spirit. Its expressive grille is wider and sculpted. A dynamic front bumper design enhances the car's presence with sharp lines and integrated air intakes.

Benefit from the sporty character provided by its 38.1 cm "landscape" dual tone styled wheels⁽²⁾ that emphasise its aerodynamic design.

It stands out with its meticulously crafted details that make all the difference. Head lamps, tail lamps and fog lights are equipped with LED technology for optimal brightness and a redesigned bumper for a striking appearance.

(2) in emotion version.

new generation interior

Experience a sense of modern space, and quietness within the cabin. An ergonomic and sleek dashboard, a 20.32 cm display link floating touchscreen⁽¹⁾ located within the driver's line of sight and steering wheel with all key controls at hand offer an enhanced driving experience.

Enjoy harmonious light tones and enhanced comfort, with a thermally regulated atmosphere, thanks to automatic air conditioning, complemented by independent rear air conditioning with 2nd and 3rd row vents⁽¹⁾

(1) from evolution version.

7 seater family car

An unparalleled interior volume designed to be spacious. Each of the 7 seats offers maximum comfort with easy access to all rows and 222 mm of knee room in the second row, the best in its category. The generous 625L trunk⁽¹⁾ is easy to load, making life on board even more practical.

The art of clever storage with 23L of convenient compartments distributed throughout the cabin. Enjoy refrigerated centre storage⁽²⁾ and lower glove box⁽³⁾ for journeys where nothing is left behind.

intelligent space

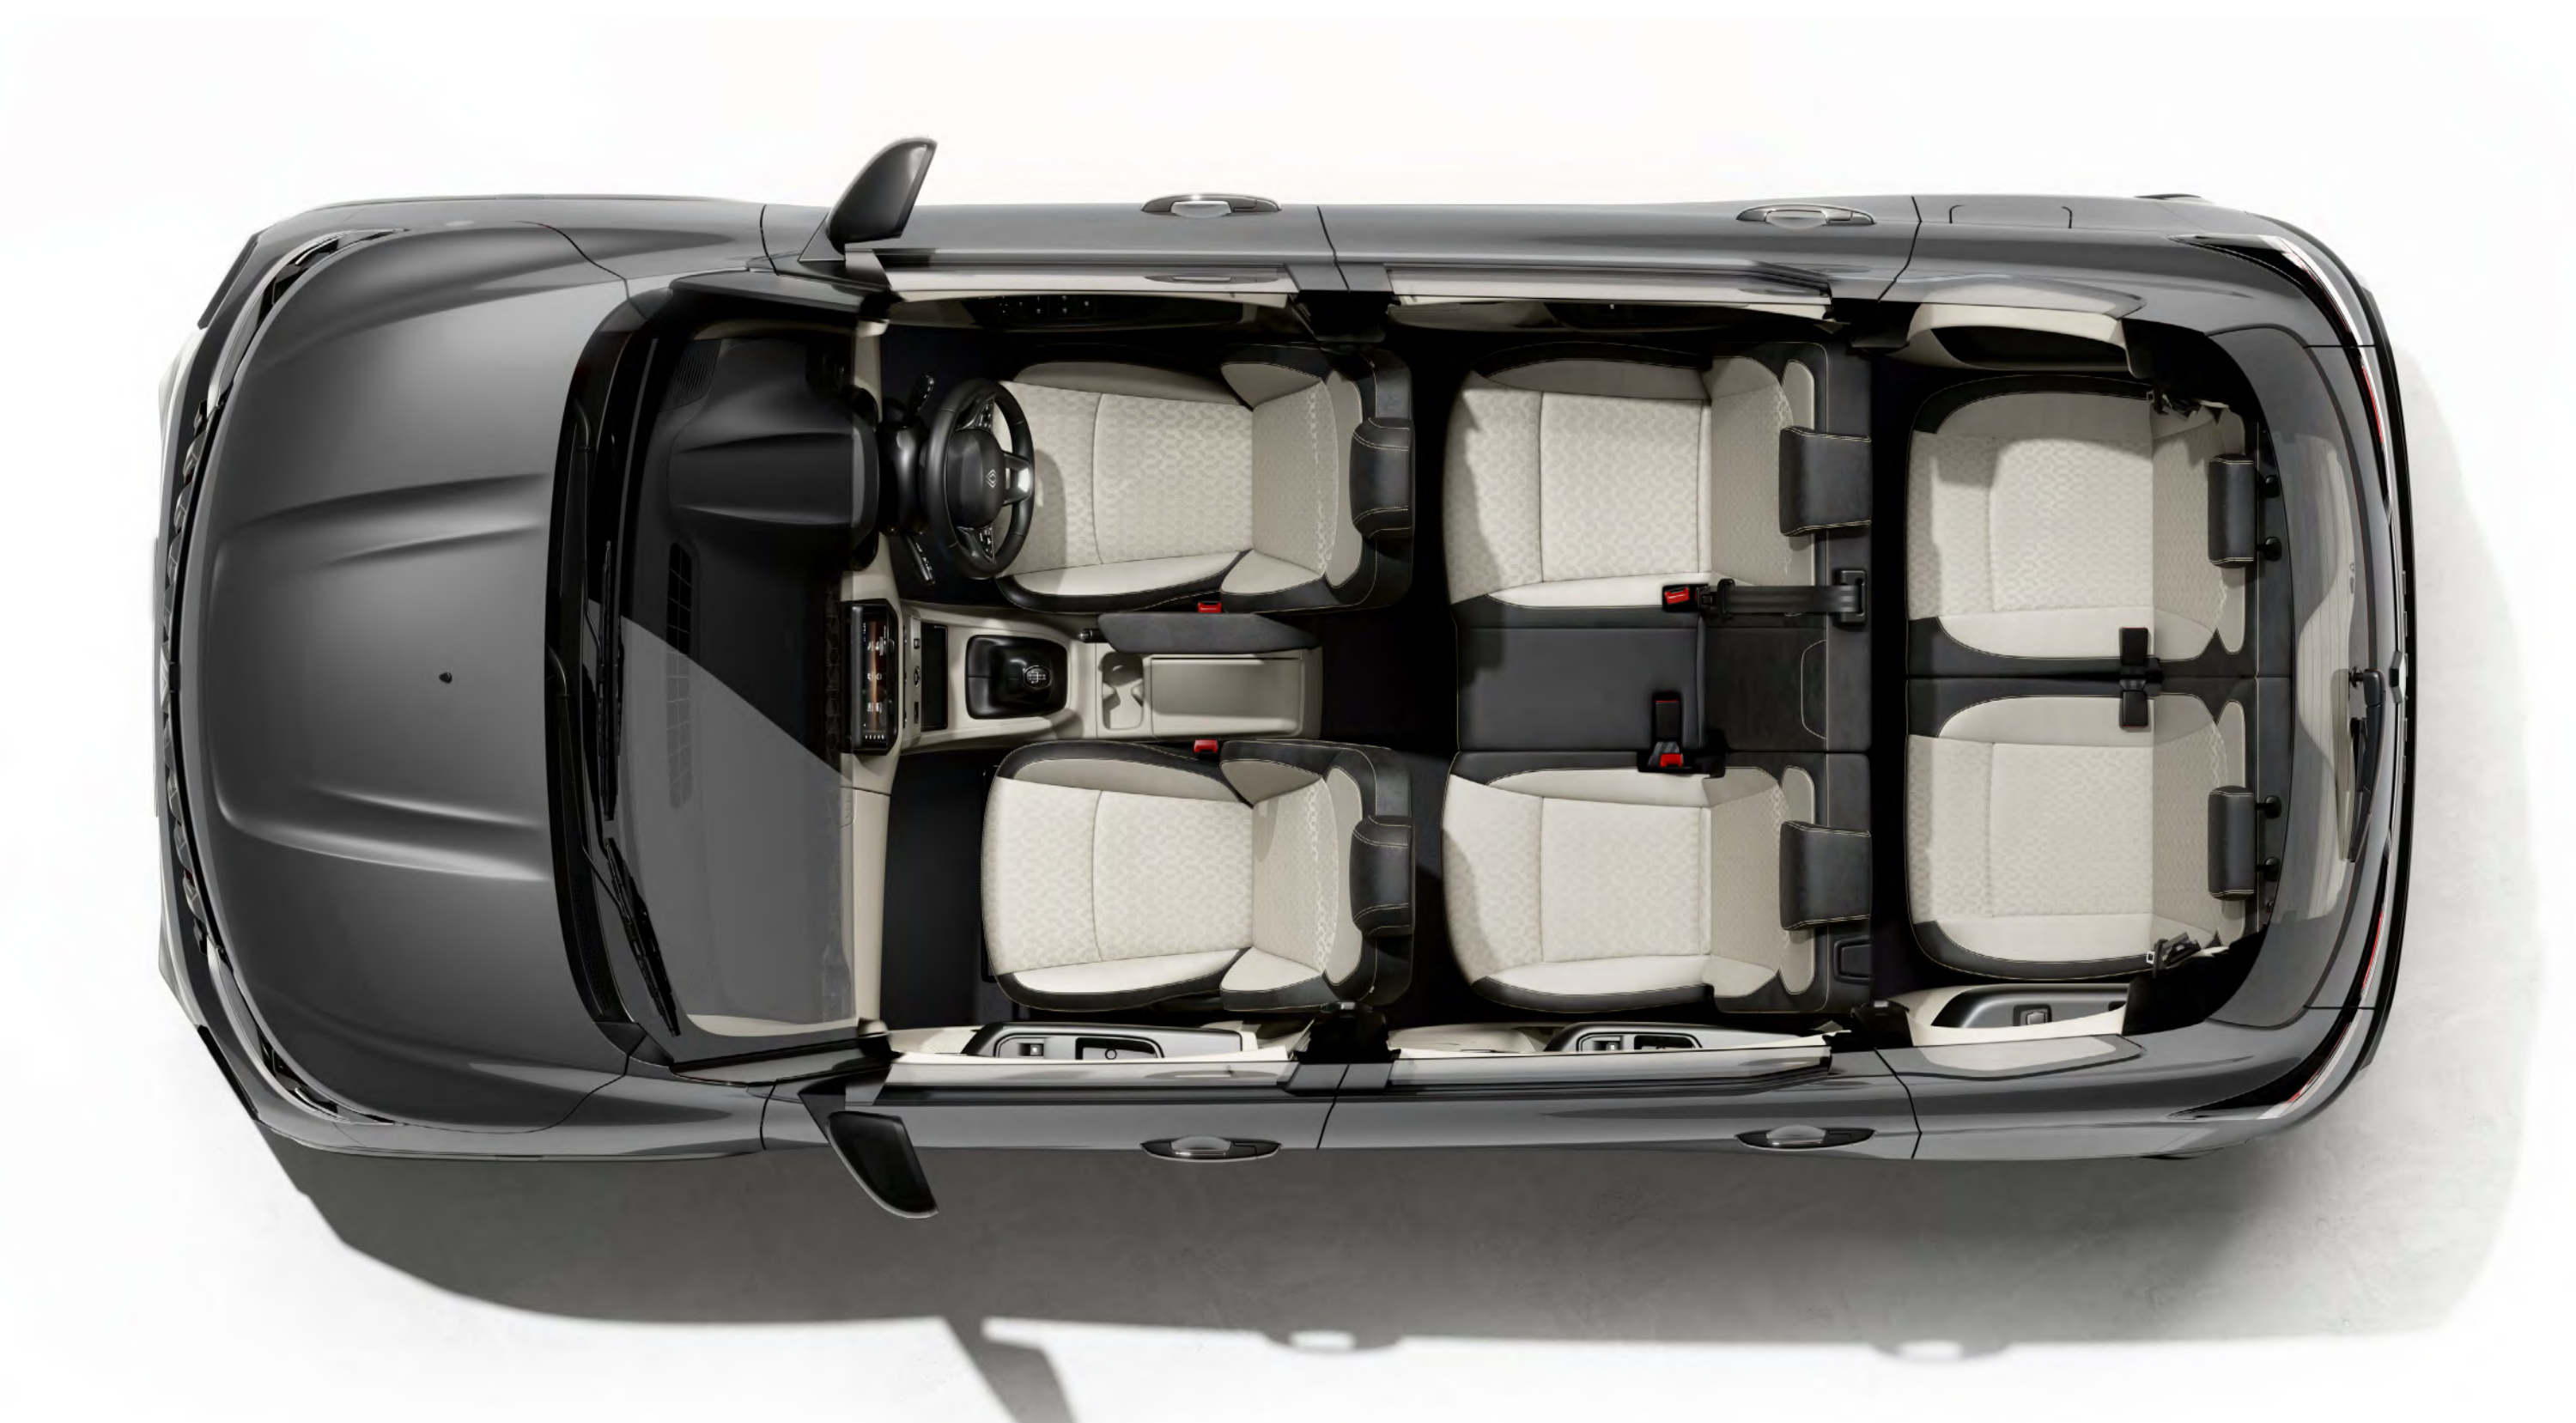

Experience modularity that simplifies everyday life: an interior optimised to the centimetre for comfortable seven seat travel, with removable third row seats and second row seats with slide, recline and fold functions.

The tumble function, operated via a one touch fold & tumble, allows the interior to be adapted effortlessly to suit your needs and everyday uses.

Enjoy unparalleled flexibility with over 100 possible configurations.

intuitive and efficient technology

The 20.32 cm floating touchscreen⁽¹⁾ is your essential travel companion, keeping you connected wherever you go. Enjoy your favorite apps, like Google navigation, with wireless smartphone replication⁽²⁾ on the central screen, thanks to Apple CarPlay® and Android Auto™ replication.

The new 17.78 cm TFT instrument cluster⁽²⁾ behind the steering wheel allows you to view essential driving information.

Plug in and charge your devices, smartphone, music player, or laptop via the USB port on the console. While driving, securely place your smartphone on the wireless charging pad⁽²⁾ for quick and cable-free charging.

engineered to perform

Powered by the all-new turbo TCe 100 engine, the Renault Triber TCe 100PS delivers an exciting blend of performance and efficiency. New structural enhancements for reinforced safety & durability, further reducing the body roll. Engineered for best in segment fuel efficiency of 21 km/l⁽¹⁾, and complemented by enhanced safety and improved driving dynamics, every journey is smoother, more comfortable, and enjoyable for the whole family.

gearbox 5-speed MT	maximum power 100PS	torque 180 Nm

accessories

front grille insert
Add a bold touch to your vehicle's face with chrome front grille inserts. Designed to enhance the stance, this accessory adds a premium finish that's both elegant and assertive.

tail lamp surround
Elevate the rear look of your vehicle with chrome surrounds that frame the tail lamps with subtle contrast. A simple detail that adds definition and enhances the premium feel.

tailgate garnish
Complete the rear look with a chrome tailgate garnish⁽¹⁾ that lends a refined yet robust character. It integrates seamlessly with the design language of your vehicle while providing a stylish accent to the tailgate.

moulded mats
Keep your vehicle's floor looking clean and well-kept with mats that are shaped to match the cabin layout. Built for durability, they protect against everyday dust, spills and wear while offering easy maintenance.

seat storage bag
Designed to complement the modularity that Triber offers, the seat storage bag is a thoughtful add-on for everyday use. Designed to store the easy fix seats when removed.

⁽¹⁾ available in Satin Chrome and Dark Chrome finishes.

**the human first program
is a comprehensive safety
program developed by Renault
in collaboration with researchers,
experts and fire-fighters.**

**because road safety is the business
of all road users – be they pedestrians,
cyclists or motorists – the human first
program by Renault undertakes to:**

- 1. prevent accidents by developing safety equipment
and advanced driving and safety assistance systems**

up to 32 advanced driving assistance systems/more than
60 safety systems, up to 7 airbags, child seats (Isofix), Renault's
Fixe4sure solution/more than 2,000 safety-related patents
filed since 1970
- 2. manage accidents once they have happened by drawing
on innovations developed in collaboration with fire-fighters**

QRescue/Fireman Access/more than 5,000 fire-fighters
trained over the past 10 years in 20 countries throughout
the world/around 400 cars given per year for their training
- 3. reduce the number of accidents and their severity
by investing massively in R&D**

safety score/safety coach/connected services/big
data/artificial intelligence and cybersecurity systems
