# enhanced driving experience

Powerful sensations and driving pleasure meet exceptional performance. With an optimized vehicle weight and the flat torque curve of the turbocharged engines paired with infinite gear ratio X-Tronic CVT transmission, accelerate from 0 to 100 km/h in 11 seconds.

Easy-to-view driving information on a sleek, contemporary 17.78 cm TFT cluster paired with multi-sense drive modes that alter steering, pedal and gear ratios (CVT), Renault Kiger adapts all to suit your driving needs.

## athletic suv

**The new generation Renault Kiger takes a leap forward with its robust design shaped by dynamic athletic lines. Iconic suv features are enhanced with imposing front and rear bumpers extending to the wheel arches, a ground clearance of 205 mm and functional roof bars. A modern SUV that is even more exclusive, featuring two new two-tone body colors with black roof.**

**The grille features the sharp design of Renault's new identity, enhanced by the distinctive and high-performance tri-octa LED head lamps. The sculpted tail lights and 40.64 cm alloy wheels amplify its bold, sporty character.**

## tech on board

Technology designed for you, featuring a 20.32 cm central touchscreen with wireless smartphone replication to access your favorite apps. Enjoy compatibility with Apple CarPlay® and Android Auto™. Feel the beat with Arkamys® tuned sound signature. Daily life simplified: the doors unlock automatically as you approach with the hands-free card.

Essential driving information always at your fingertips with the 17.74 cm TFT cluster featuring widgets attuned to each driving mode.

Start with the touch of a button, and stay connected at all times through wireless smartphone replication. Get fast cable-free charging by placing your smartphone on the wireless charging dock.

## comfortable and convenient

Functionality and comfort are reimagined with new ventilated leatherette front seats and a refined two-tone interior aesthetic. The carefully designed cabin space offers class-leading roominess and couple distance, along with one of the best rear knee room measurements, providing up to 222 mm of comfort.

The spacious 405 L trunk provides a solution for all your trips, enhanced by an additional loading capacity of up to 50 kg on the sturdy roof rails.

The cabin offers up to 29L of practical, well-designed interior storage space throughout.

05. safety features

21 standard safety features

**6 airbags**  
Six airbags offer increased protection.

**tyre pressure monitoring system**  
Displays the tire pressure status in real-time.

**hill start assist**  
Maintains brake pressure for two seconds, preventing rollback when you move away on a steep slope.

**electronic stability program**  
Automatically corrects your car's trajectory so you avoid dangerous skids.

**traction control system**  
Limits wheel slip during starting, acceleration and braking.

**anti-block braking system (ABS) and EBD with brake assist**  
Optimizes braking force distribution to each wheel, enhancing vehicle stability and control during braking.

**the human first program  
is a comprehensive safety  
program developed by Renault  
in collaboration with researchers,  
experts and fire-fighters.**

**because road safety is the business  
of all road users – be they pedestrians,  
cyclists or motorists – the human first  
program by Renault undertakes to:**

- 1. prevent accidents by developing safety equipment  
and advanced driving and safety assistance systems**  
  
up to 32 advanced driving assistance systems/more than  
60 safety systems, up to 7 airbags, child seats (Isofix), Renault's  
Fixe4sure solution/more than 2,000 safety-related patents  
filed since 1970
  
- 2. manage accidents once they have happened by drawing  
on innovations developed in collaboration with fire-fighters**  
  
QRescue/Fireman Access/more than 5,000 fire-fighters  
trained over the past 10 years in 20 countries throughout  
the world/around 400 cars given per year for their training
  
- 3. reduce the number of accidents and their severity  
by investing massively in R&D**  
  
safety score/safety coach/connected services/big  
data/artificial intelligence and cybersecurity systems
