IT'S A HUMAN THING TO EVOLVE

What is it about evolution, that makes us better as humans?

Our capabilities to understand, and to connect better with each other. To not just listen, but also respond to each other. To help each other perform better, every time. And, the evolution that makes us better as humans also makes the new Hector, more human.

DESIGN PHILOSOPHY

BOLD OUTSIDE.

The front and tail are inspired by the **F35's** large engine air intake, which create a full sense of power in the car.

RHYTHM INSIDE.

The interiors welcome you into a world that flows in sync with dance forms. Each geometrical shape inspired by artistic movements that are perfect in form and function.
