

VENUE

Connected to excitement.

The Hyundai Venue has been designed to perfectly suit your trendy personality and on-the-move urban lifestyle. Create new experiences and stay ahead of the crowd with the stunning new sport trim. The Venue is equipped with India's first Intelligent Manual Transmission (iMT) to give an unparalleled driving experience with smooth transitions and ensures that the power is in your hands so that every journey you take, is filled with excitement.

A real stunner.

Designed to turn heads, the Venue is sure to become your identity in no time. It is specially made for individuals yearning to break away from the league and be different. The flamboyance of the new sport trim will add a dash of trendiness to your personality so that you can go ahead and soar above the rest.

Glossy black front grille with red insert

Projector head lamp with LED DRL

Projector fog lamps

Red brake calipers

LED tail lamps with crystal effect

Other features: Shark fin antenna | Sporty dual tone exterior colours | Chrome finish outside door handles
Wheel air curtain | Electrically adjustable & power foldable ORVM with turn indicators

HD display on 20.32 cm (8.0") AVN with telematics

Experience the next level of technology.

The AVNT screen acts as an interface between you and Bluelink. It also allows you to explore different experiential features with the ease of a touch. If you have any query, you can reach out to our Bluelink wizards at dealerships or call us at Bluelink Connect Centre.

Bluelink Connect Centre: 1800-258-4645
15th day Blue Care visit by Blue Care specialist^

Other features: Smartwatch integration | Android Auto | Apple CarPlay | Navigation | Video playing mode
Voice recognition on steering | Capacitive touch screen | IPS seamless display

^Applicable for customers having Bluelink variant.

IRVM with Bluelink

Bluelink - your connected friend on the go.

Bluelink is a personal mobility assistant, which works proactively for your safety, convenience and security. It comes with a responsive and dynamic telematics platform that acts as a communication channel between you and your car. It's a voice-response AI enabled technology, with GPS and Bluelink Connect Centre, which helps you build a special bond with your car.

Bluelink
3 Years free Bluelink subscription

Remote engine start/stop**

Remote climate control (A/C) with engine start**

Remote door lock/unlock

Push maps by Bluelink Connect Centre

SOS/emergency assistance

RSA (Road Side Assistance)

Interactive voice recognition - Sunroof & driver window control / Climate control / Cricket score etc.

Welcome message

**With 1.0 l petrol iMT / DCT & 1.5 l diesel MT.
