

IGNIS

NONE OF A KIND

Different is one-of-a-kind.

Who refuses to fit into categories.

Who takes the rulebook and tears it in
a thousand pieces.

It is open-minded, pro-fun, pro-new,
pro-everything that's exciting.

It loves to experiment, a little too
much indeed.

It isn't understood by all. So what?

It can never follow, it's born that way.
To do its own thing.

It is you. It is Ignis. Different. Always.

FACE THE ORIGINAL

CAPTIVATING FRONT

In a world where everything is inspired, Ignis is born original. Just a glance at its front says it all. The broad shoulders, the mighty wheels and the distinct grille make it look all strong and powerful. Recessed into the clamshell hood are the LED Projector Headlamps and LED DRL with chic chrome inserts that give Ignis a face you'll never forget.

THIS IS WHAT
DIFFERENT
LOOKS LIKE

CONFIDENT STANCE

Ignis stands firm on its four wheels planted at the extreme corners of the car, making the posture exude confidence like no other. The unique proportions, expressive wheel arches with cladding, Suzuki Progressive Triad and striking all black alloy wheels - together defy the typical codes of automotive design.

IN THAT'S OUT OF THE BOX

COCKPIT STYLED EXPERIENCE

Step inside an Ignis and see how every bit, from the floating dashboard style to dual tone black and ivory console is designed to stand out. Moreover, the elevated central position of the infotainment system, the dynamic look of switches and outer positioning of AC Louvers with carbon fibre patterns, together create an unmatched cockpit like experience. Enriching this look further are the complementing body color accents, borrowed from the lives of trendsetting millennial.

FEEL THE DIFFERENCE OF PRECISION

INSPIRING TECHNOLOGY

The iconic Ignis comes with many advanced features including push start button, reverse parking sensor with camera, automatic air conditioner and a multi-information TFT screen. With all these elements, you don't just take the wheel but a super cool hi-tech experience.

REVERSE PARKING SENSOR WITH CAMERA

TAB-LIKE CONNECT

Today's youth is spoiled for unique choices and loves to do everything at once. The Smart Play Infotainment System of Ignis is inspired by this lifestyle and offers a seamless smartphone experience. Appointed with **Android Auto**, **Apple Car Play** and Mirrorlink, it lets you smoothly enjoy the features of your phone. So play music, navigate, stay connected, all while you are on the move. The Android Auto even lets you use WhatsApp and check for live traffic updates, making driving on city roads a breeze.

androidauto

Android Auto™ extends the Android platform into the car in a way that's purpose-built for driving. It is designed to minimise distraction so you can focus on driving with Google™ services like Google Maps™ and Google Search™. Get the Android Auto app on Google Play™. *Android Auto is available in the countries listed at the following link: <https://www.android.com/auto/#hit-the-road> *Most phones with Android 5.0+ work with Android Auto: <https://support.google.com/androidauto/#6140477> *Android, Android Auto, Google, Google Play and other marks are trademarks of Google Inc.

Works with
Apple CarPlay

*Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. *Apple CarPlay is a trademark of Apple Inc. Apple CarPlay is available in the countries listed in the following link: <http://www.apple.com/ios/feature-availability/#applecarplay-applecarplay> *Apple CarPlay is compatible with the iPhone models listed in the following link: <http://www.apple.com/ios/carplay>

DIFFERENT SPACE FOR DIFFERENT NEEDS

SPACIOUS INSIDE

The different always needs more space. It helps you think freely, move around and just be yourself. This is exactly what Ignis brings to your life. With ample headroom, more than generous legroom and 60:40 split seats, it's designed to ensure the passenger enjoys maximum space inside. Also, the plethora of utility spaces help you easily carry your world along. So, you can be rest assured of finding space just when you need it.

HEART THAT RACES DIFFERENTLY

ENERGETIC PETROL ENGINE

Ignis has a 1.2l VVT engine that drives you to being different. Delivering refined power of 61kW @ 6000rpm and 113Nm @ 4200rpm torque, the engine ensures you experience a superior performance. Moreover, the lightweight engine offers better combustion, reduced engine friction and lower emissions.

THE ONE THAT PERFORMS LIKE NONE

ENERGETIC DIESEL ENGINE

Powered by the mighty 1.3 DDiS engine, the Ignis offers robust performance. Feel the thrill that's excitingly different with 190Nm @ 2000rpm torque and 55.2kW @ 4000rpm of power. Whenever you're behind the wheel, this engine is sure to give you one-of-a-kind driving experience.

INTELLIGENT ALTERNATOR MANAGEMENT

A smart technology, available in diesel and petrol engines, that reduces emissions. Unlike the conventional system found in other cars, this system minimises engine load to maximise efficiency.

SHIFT TO A DIFFERENT GEAR

EASIER DRIVE

Ignis simplifies your drive and ends the need to pick automatic or manual with its intelligent technology of Auto Gear Shift (AGS), in both petrol and diesel. It brings to you a smooth gearshift along with a comfortable driving experience.

Why pick one when you can have the best of both?

2 AIRBAGS COME STANDARD

SAFETY FIRST FIRST IN SAFETY

ADVANCED STANDARDS

Ignis comes well-protected by NEXA Safety Shield, with key safety features standard across all variants. It includes TECT body structure that absorbs and disperses crash energy, dual airbags, ABS with EBD, and front seatbelts with pre-tensioners and force limiters. Add to this, ISOFIX Child Seat Restraint System that adheres to international norms and improves child safety. Apart from being equipped with NEXA Safety Shield, Ignis also leads the way in pedestrian safety with pedestrian-friendly hood panel, collapsible wipers and energy absorbing headlamps. All this makes safety in Ignis truly ahead of its time.
