is your ETIOS CROSS dealer

When we **loaded** it with features,
little did we realize it would get so full of itself.
With its fantastic list of features not to mention **Toyota's renowned QDR**,
it's hard not to be impressive. But like every other hotshot,
beneath all that **ruggedness** is a soft interior waiting for company.
So when you start grabbing onlookers by the eyeballs,
the attitude might just rub off on you.
